MATAMORAS.

The Sunday School of Epworth Church
held its annual picnic in Bell's Grove, a
short distance from Matamoras, Thursday,
Aug. 18. The ladies of the church had
provided an excellent dinner, which was
much enjoyed, after which the children
were generously treated to choice ice-
cream. Owing to the inclement weather
only about one hundred attended, but
notwithstanding the elements everyone
had a pleasant time.

The Rev. Mr. Morton has tendered his
resignation, to take effect Sept. 1. We
regret to have him leave Epworth church,
he is the right man in the right place.
Mr. Morton has made a great many friends
in Matamoras. We trust at some future
time he may return. Rev. Mr. Spencer
from Pittsburg, Pa., is to succeed Mr.
Morton. He comes well recommended
both as preacher and pastor.

Miss Grace Reeder of Middletown, a for-
mer resident of Matamoras, arrived in
town a few days ago and is visiting her
grandmother, Mrs. N. Taft, on Pennsyl-
vania Ave.

Miss Annie Tice of Warflesboro is the
guest of Miss Nellie Langton of Mata-
moras.

It is understood that Mr. Gustav Dun-
kor has purchased the store and contents
of J. & S. Smith, of this place, and will
put his son, Gus, in charge. The Smith
brothers came from Lanekawaxon two or
three years ago and erected their general
grocery store on Washington St., and
have since been actively engaged in the
business. It is not known what their in-
tentions are for the present. Possession
is to be given the first of next week.

Orvis Davy is hauling ties to be used on
the railroad bridge. Three hundred are
needed and when all are hauled the old
ones will be replaced by the new. After
this has been done the bridge will be com-
pleted.

Mechanics have been getting the con-
struction engine ready for service and it is
now ready to be run. The engineers have
had to change the grade of the road just
below this place and lower it nearly a foot
as the former engineer got it too high.

Mrs. Sarah Remey is comfortably lo-
cated in the house of Mr. F. Orso, along
the river.

Rev. J. A. Wiegand and Rev. Mr.
Boek with their families, and party, re-
turned last night from Pen Argyl, Pa.,
where they have been for ten days at-
tending meeting. Their trainout was a
team of army mules and a large top
wagon. They enjoyed the trip immensely.

Dr. C. M. Kelly, our new physician, is
meeting with flattering success as a doctor
here, and is building up a fine practice.
Already he has drifted into potholes and is
a candidate on the Democratic ticket for
Coroner.

Miss Hazel Palmation, of Jersey City, is
visiting her grandmother, Mrs. James
Brewer, at this place, and on Monday
evening she was given a pleasant sur-
prise by about thirty-five of her young
friends.

The following persons took in the ex-
ecution on Wednesday: Mr. Oliver D.
Squires, Miss Mary Squires, Miss Nellie
Westfall, Miss Edith Snyder, Miss Lulu
Billman, Mr. and Mrs. Fred Billman,
Mrs. Helen Bourne and son William.
Mr. and Mrs. G. Halstead, of Gardfield,
N. J., are visiting at Mrs. Gilbert Ramsey's.
Mrs. Halstead's daughter. They were
formerly residents of our village.

Mr. and Mrs. D. B. Halsey, of West
town, have been spending the past week
with their daughter, Mrs. D. B. Allen.
The Misses Slater, of Newark, are vis-
iting their cousin, Miss Rilla Van Sickle,
of the Matamoras house.

On Monday evening Frick's Grove, be-
low Matamoras, was the scene of a very
pleasant event. The young gentlemen of
St. Joseph's Church had a picnic. Good
music was furnished by Clum's orchestra.
Over two hundred were in attendance.
Cottler's wagons conveyed them to the
Grove. Cakes and cream were sold. The
ladies of the church furnished very nice
cakes for the occasion. Every one had a
pleasant time, and everything passed off
quietly.

Misses Lilla and Annie Slater, of New-
ark, are visiting their cousin, Miss Rilla
Van Sickle.

Mrs. Kate Ketchugi, of Matamoras, has
returned home after a visit with friends
and relatives at Paterson, Little Falls and
N.Y.

Mrs. Abe Huff, who has been visiting
her sister at Chicago for the past three
months returned home the other evening.

Mr. Chas. Garrahrant, of Jersey City, is
spending his vacation with his parents.

Mrs. John Waincoat and daughter
will spend the next two weeks among re-
latives and friends in Waymart, Pa.

Miss Louisa Magar who has been visit-
ing friends and relatives in N. Y. City,
Paterson and Pompton, N.J., returned
home Saturday after an absence of three
weeks.

At the morning service Mr. Morton, the
pastor of Epworth church gave an excel-
lent address on the subj. etc. The Saviour's
parting words." The choir rendered some
pretty selections.

At the evening service the Chautauquan
verses were introduced which was very
pleasing to the audience. Miss Helen
Quick gave a solo and also Mr. Morton
both were very much enjoyed. Mr. Morton
addressed the audience on the "Influence
of Compassion." He gave some very
excellent advice. "There is nothing that
wins a conviction as a basis of character,
Christ had no fears. Temptations lose
their power when God's face is visible to
the seeking soul." The choir sang some
pretty selections at the close of the ser-
vice.

LAYTON.

Since this is a Democratic County there
is a very natural feeling abroad among
the Democracy that the office of Surrogate
should be filled by a Democrat. To that
end, and with due deference to the candi-
dates now in the field, many true Demo-
crats suggest that the present candidates
all withdraw, and simply ask that the
delegates be sent without further instruc-
tions that to select the very best man
they have. It is conceded that Samuel
Johnson, the present incumbent, is a
good enough model for any party to pat-
tern after, and that any candidate with a
fly speck on his reputation, or credited
with being an office seeker, will not be
able to secure the Surrogate's office this
year, as against the admirable official who
now creditably fills that position.

The bridge system, as applied to the
telephone, necessarily employs various ap-
paratus, some of which are, or have been,
controversial. One of them relating to
the use of bells, as applied in this system
has been passed upon by the Supreme
Court, and decided in favor of the Bell
Telephone Co. All who use it without
consent are therefore infringing. Whether
this affects the interests of the Sussex
Telephone Co., I am not informed.

The thrashing machine of Elijah and
Benjamin Rosenkrans is on its rounds
from farm to farm, as usual, and every-
body is anxious to get that seed rye
threshed out in time for sowing.

H. E. Montross and family enjoyed the
hospitality of Francis Simpson, in Wal-
pack, on Sunday last.

The Hudson River Central at Newton
gave the patron of that Company a splen-
did band concert through the phones last
Friday night, due to the kindness of B.
D. Hurnh, the night operator. If the
business of the line does not interfere, a
special instrument will be placed by him
near the band stand, and the finest ren-
dering of the excellent music of the New-
ton band will be heard over the phones
as has yet been listened to. Remember,
this Friday night.

Quilt pitching is coming into favor
again in this village, but they will all
take the usual recess when the candidates
show up, and put up.

Our schools open, I believe, on Sept. 5
and the time will need to be put to good use
to get them all in proper shape for the
beginning of school.

Dr. J. N. Miller and his accomplished
wife enjoyed their vacation at Layton on
Thursday last being themselves to New
York in time for the naval parade, and
will probably spend a couple of weeks be-
tween that city and Long Island, where he
is interested in real estate.

Lester T. Smith, John V. Major, and
John J. Van Sickle, all of Layton, attend-
ed the races at Port Jervis last week-
end. They report a fine list of entries, but
weather conditions that handicapped the
management, made what promised to be
an exceptionally good series of races,
almost, or quite a failure.

Ed. Westbrook and family, of N. Y.,
were at John A. Westbrook's on Sunday.
Ed. looks six feet and every inch a man.
He is a ticket agent in the office of the
Grand Trunk Railway at the Corner of
Broadway and Chambers Streets.

Is not "I Sickle's" a little rash to run up
against the PIKE COUNTY PRESS, or its
editor, rather? Even in August editors
are "hot stuff," you know, when it comes
to slinging ink, and have a faculty of mak-
ing a little of it go a long way. It is our
humble opinion that if Keasler's legisla-
tive record was clearer, and if HIXON did
not know it like the alphabet, two pretty
large "H's") "I Sickle's" would stand a
better show of steering clear of a thaw.

The trespass law of 1898, see pamphlet
laws, page 195, says that provided notices
are posted in at least four conspicuous
places at least three months before the
trespass takes place than any person hunt-
ing or fishing on such posted lands with-
out the consent of the owner commits a
misdemeanor, and is liable on conviction
to a fine of \$100 or 10 days' imprisonment,
or both, at the discretion of the Court.

The family of Floyd P. Fuller and C.
E. McCracken spent Sunday with Richard
Layton at the potato farm, in Walpack.

Alton J. Heaser, of Stroudsburg, was in
town on Sunday. Seems to me Alton J.
is getting a little bald, but then it is said
that all smart men get bald.

DINGMANS FERRY.
W. F. Sinley has begun painting the
Methodist Church here.

A good field for missionary work is in
Cohas' district, between Andrew Albright's
and Sinley's, and within seventy-five
yards of where Charles Bosler lives, and
in open sight of the houses, there is a most
hole about three feet deep, in which a lot
of want-to-be-called-gentlemen make a
daily practice of bathing nude. There
seems to be an utter lack of decency
among some of them.

A good way to judge what kind of a
man a candidate is, is to see the majority
he gets in his own township and where
he is best known.

E. P. U's, vacation seems to be a lengthy
one as his lay John has returned and it
seems as if he had crawled in a hole and
pulled it in after him. We suppose after
lay John takes to the road again he will
come out and waste more ink and mental
labor.

What is the matter with the painting of
the Silver Lake School house?

It cannot be that the directors have ac-
cepted a job done in that manner. The
specifications called for two coats of paint
and the work to be done in a workman-like
manner. The contractor substituted
whiting mixed with water as we under-
stand and only one coat of that. The job
looks as if the mixture had been thrown
on with a basin and then swept over with
a broom.

Owen Brown and wife and Lily Brown,

Emery of this township.

ing.

Wednesday the 17, a terrific thunder
shower passed over parts of Lehman and
Delaware and the lightning for a time
was terrible. During the storm about
3 p. m. the barn on the Moses Van Gordon
place in the locality of Dupont was struck
and burned with its contents. John
Conright who rents the premises suc-
ceeded in saving his team but his crops
were lost. The building but not the crops
was insured and the loss to the owner,
who is a deserving man in moderate cir-
cumstances is very heavy.

Voters should remember the last days
on which they may be assessed and regis-
tered in order to vote at the Nov. election
are Sept. 5 & 6. If a state or county tax
has not been paid here within two years
one such must be paid at least 30 days be-
fore election.

Pennsylvania employs twice the
number of hands and pays out
double the amount of wages of any
state in the Union, and under pro-
tection the number has greatly in-
creased. In March, 1895, three
were employed in this State about
48,518 and the amount of wages
paid was \$1,652,370.19. In March
1898, there were employed 54,128
and they received \$2,228,250.59.
That is the difference between the

THE "BUNION" SHOE.
Plenty of room for enlarged joints close-
ly fitting elsewhere.

This describes shoes made on the "Bun-
ion Lasts."
The foot with the bunion was very much
like our feet before the bunion grew.
It needs a shoe having more room in cer-
tain points.
It has been impossible to obtain a satis-
factory fit in ready made shoe.
The nearest approach to it was obtained
by buying a shoe which was two or three
sizes too long or too wide.
The "Custom shoe maker" has frequently
failed to give a satisfactory fit simply be-
cause he had no last of proper shape to
work on.
He put on a bunch here and a bunch
there, but the outline was wrong and the
shoe didn't fit.
The "Bunion Shoe" is the only shoe that
will fit the foot with a bunion or an en-
larged joint. The words "Bunion Shoe"
and "Bunion Last" registered as trade
mark, May 7, 1892.
