EDITORIAL.

"DEMOCRATIC DOCTRINE."

UNDER the above indefinite caption some newspapers calling themselves Democratic are quoting the opinions of Samuel J. Tilden, Grover Cleveland and William J. Bryan, whom they call the three most noted leaders of Democracy since the Civil War, against such enterprises as the annexation of Hawaii and the Philippine Islands.

sorted by European States. When the war of secession came and succeeding States declared themselves out of the Union, the unbelievers in the stability of free government believed our hour had come and it was announced by the British minister at Washington that the "Great Republic is no more, and that all that is now needed is a tombstone in the graveyard of nations to indicate the day of its birth and the day of its death." The war with Spain has welded anew the bonds between the North and the South and we emerge from the brief conflict with a new cement of brotherly love and affection spread over our common country.

FARMERS' INSTITUTES.

THE Department of Agriculture has designated Tuesday, Nov. 23, as the day for holding the Farmers' Institute at Dingman's Ferry and Wednesday, Nov. 30, at Milford. The attendance last year was not large, though able and interesting speakers were present, and much valuable information imparted. It is to be hoped that those who may be sent here this year will be greeted by good audiences. The State pays out large sums of money annually for the expenses of speakers, and farmers and others should take every advantage of the opportunities presented for gaining additional light on the problem of how to make the farm pay. If they do not, the money so expended for their benefit is wasted. There are none so deaf as those who, having ears, will not hear to their advantage, or so little to be pitied as those who, having light furnished, will not take the pains to look at the pitfalls which may beset their way.

WE SHAKE.

The Port Jervis Gazette calls editor Van Etten of the Pike County Press "Chas. A. Dana Van Etten." We knew "Hicks" was getting out a pretty good sort of paper, but hadn't caught on to the distinguished rivalry which the Sun is encountering up in the land which, according to the late lamented Horace Greeley once blazoned with rattlesnakes, Democrats and whisky minus school books: Here's our "fish," "Hicksey," old boy! - Middletown Forum.

THE COMBINE SOUGHT TO BE MADE.

All the Anti-Republican Forces Trying to Make a Dicker With Each Other.

The Democratic Harmony Committee and Mr. Wanamaker's Mugwump Organization Meet on the Same Day in Philadelphia - Mr. Wanamaker Gets Off the Same Old Snipe Speech and the Democrats Have One of Their Same Old Fights. How the State Treats the Local Taxpayer.

Philadelphia, Aug. 27 - If Donnelly says there ever was more than two policies at any polling place in this ward he is a liar," shouted ex-Magistrate Jeter J. Hughes, the leader of the Delehitury Democracy, at the harmony meeting. The Mugwump Organization, which seems to be an invention for pulling the business man's leg, together with the announcement of an attempt to make a truck-and-dicker deal between the two representative bodies, with Dr. Swallow between as the tongue of the wagon, made the last week a Democratic one, so far as news is concerned. For whatever is anti-Republican, by whatever name it is called temporarily, is Democratic, since it is the Democratic party which will profit in the state and nation by every vote cast against Republican candidates.

Free Medical Advice.

You need a doctor many times when you don't call one. You suffer pain in fifty forms and yet won't call the doctor, because you hope that the pain "will go away after a while." And, boy, you know by experience, that that first visit of the doctor is generally followed by many others, with the inevitable consequence of a big bill "for professional services." abuse of Republican administration of state affairs, but alleged nothing specific, and only repeated in general and more picturesque terms the old and discredited charges for which Dr. Swallow, when he put them in definite form, was criminally convicted in the Dauphin county court. It set up a ghost of dishonesty in state affairs, and then scathed at it, although not one dollar has been lost or stolen from the state treasury by mismanagement or dishonesty in all the years of Republican administration, and it cried out against alleged extravagance and oppressive taxation under which the people are groaning, although not a man in all the state of Pennsylvania, except he has money at interest, pays a special license for conducting a particular business, or is a stockholder in a bank, a railroad company, or some like corporation, pays one cent of tax toward the support of the state government, directly or indirectly. If anyone will take the trouble to look at the official records he will see that there is only one county in the state, that of Philadelphia, which does not get directly back from the state in taxes and for local purposes, and which go to lighten the burden of local taxation, thousands of dollars more than it pays in, running in some of the poorer counties as high as eight times as much. There are only two counties, Philadelphia and Allegheny, which do not get back more money for common school purposes than than all that their citizens pay in. The individual citizen in Pennsylvania, under the legislation which the Republican party has made, pays nothing as an individual toward the support of the state government. The corporation, however, pays the special taxes and the license fees upon particular classes of business for the entire bill, and amount to over \$3,000,000 besides, which is divided among the counties to lighten the burden of local taxation.
