## LAYTON.

A first class painter applied at B. F. Drake's board, on Tuesday of last week. That he will be a fine painter some time after he is washed. If he is a chip of the old block, and he undoubtedly is.

Some vandal has recently used his knife to mutilate a valuable shrub or tree in the nicely kept portion of the Metzer Cemetery belonging to "Alancia Farm." The act shows a malicious disposition, and if the person who committed it knew how heavy the penalty is for destroying or mutilating property of any kind in a cemetery they would probably abstain from such vile acts in future.

Miss Alta Devans, daughter of J. J. Devans, of Scranton, is visiting at her Uncle's, Benj. Metters.

The board of Assessors of Bergen Co. increased their values at their meeting last week fully 10%. As in Sussex, the session was a protracted one, and at times animated discussions took place. However, the residents of the more sparsely settled townships were victorious. Their victory puts considerable money in the pockets of the owners of real estate. It was a great victory for farmers.—New Jersey Herald.

Yes it is high time that the agricultural townships make a move to protect themselves. It has long been patent that town and city properties, and corporations are paying taxes on a small valuation, while farms are selling for less than they are assessed for. The evening up process is well under way in Bergen Co., but is only just started in Sussex. The people may congratulate themselves that, after much agitation, it is at last conceded that there is great injustice in valuations and that the farmer or real estate owner is the greatest sufferer.

The soldiers and sailors parade at Newton last Wednesday did not fill the bill nor come up to the expectations of the public. There was no sham battle as advertised, but there was plenty of sham in the parade and sundry other portions of the jubilee. About the only redeeming features was the bona fide clam bake, and the music of the bands, which was extremely good, especially that of the Citizens Band of Branchville. It seems that the promoters of the scheme advertised that several organizations would participate before they were invited. As they did not participate the jubilee was a partial failure.

J. J. Shetwell on Thursday morning last, after starting the morning fires, discovered the upper part of his dwelling to be on fire. It had gained such headway that but little was saved of the contents and the destruction of the house was complete. Insured with O. S. Bowman of Branchville in the "Royal" for \$1000, on the house and 600 on the contents.

The pumpkin crop is a great one this year and that distinctively American bit of pastry called a pumpkin pie can be enjoyed with the satisfaction of knowing that there is lots more where this one came from.

In the N. J. Herald last week it was said that the only increase made in the township assessments was in that of assessor Simpson in Hardyston. Somebody evidently forgot that Newton had an increase of about 17%. Mr. Kays must have been as badly rattled as the Herald when he stated that he would object to going into details in each individual assessment, as the law would not permit this for the reason that if this was done the board would be obliged to call every individual in the county as well as in the townships in order to equalize the assessments throughout the county. What boob. And yet Mr. Kays is considered to be a very able lawyer.

Benj. Drake imagined himself a John L. Sullivan last week and in a heated argument with John Gariss proceeded to convince him by force of arms. Gariss was knocked down and played football with but not convinced. He has had Drake arrested for assault and battery, and a hearing will be held before Justice Fuller the last of this week.

There was to have been a Quilt pitching tournament at Layton last Saturday for "cash money." The parties failed to connect for some reason; not enough sand perhaps.

The festival in the Hainesville church last Thursday night for the benefit of the Rd. Minister, was a complete success. Although it rained in the afternoon it cleared toward night and the managers by energetic work were in readiness to take in the handsome sum of \$29.88.

Mrs. Dora Van Ritten was prostrated with a second attack of hemorrhage of the lungs one day last week. For a short time her life was despaired of, but her many friends are grateful to learn that she is now much better.

One of our popular constables has been masquerading around with a bogus warrant and somebody's servant girl. He is not likely to do so any more and the birds are likely to nest again before he hears the last of his escapade.

There was a slight effort to get Shay Van Ness indicted this Court, but it flatted out in its early stages, and nobody harmed. Van Ness is running the Hainesville house in good style and there is no reason for annoying the Grand Jury with any foolishness to the contrary.

The tax rate in Sandyston this year is \$10. on a thousand. Samuel Black the infant son of Jas. and Josie Black, died on Saturday, after a brief illness of Cholera Infantum. Interment takes place to day (Monday) in the Hainesville Cemetery. H.

## MATAMORAS.

At the Epworth Church Sunday morning the new pastor, Rev. T. G. Spencer preached an excellent sermon on "The Mission of the Church." In the evening he talked on "The Streets of Conquest," after which he gave a flute solo, accompanied on the organ, by Miss Edith Snyder, the church organist. A duet was sung by Miss Lulu Billman and Allee Quick, and the choir rendered some very pretty selections.

Mr. and Mrs. Harry Moore, of Jersey City, are visiting Mrs. Moore's parents, Mr. and Mrs. H. Watts.

The schoolhouse flag in Matamoras was flung to the breeze Monday morning. We hope to see it up every day.

The Ladies Christian Union of Hope church gave their annual harvest home supper in Prescott's Hall on Tuesday night. There was a large attendance and the hall was prettily decorated for the occasion. Great skill was displayed. Every thing in the vegetable line and fruits was on exhibition. The supper was all that could be desired, and the ice cream and cake were delicious. The choir rendered some pretty selections. Mrs. Spield presided at the organ.

Several gentlemen of the church sang some selections. The Rev. Mr. Wiegand, G. Martin, Mrs. W. Spield and John Corwin, Frank Wilkin accompanied Mrs. Spield with his violin.

The evening was spent in a very pleasant manner. The ladies are to be congratulated upon their fine supper. A nice sum was realized for the society.

A party from this place left for Twin Lakes on Monday, where they will camp for a week or ten days. The party included Mr. and Mrs. Alfred Billman and son Fred, Mr. and Mrs. Fred Wickham and others.

The Milford and Matamoras Railroad had an accident on Sunday. The engine was drawing empty cars across the bridge and had just got across when the cars ran off the track. No damage was done, owing to the place where it occurred.

Mr. and Mrs. Thos. J. Baker and two children, accompanied by Mrs. L. J. Baker, Mr. Baker's aunt, all of Dover, N. J., who have been visiting Mrs. Baker's parents for the past two weeks, Mr. and Mrs. Halferty, returned to their home on Wednesday.

Conductor John H. Sheen and daughter May, of this place, returned home Saturday from a two weeks' visit in Boston, where Mr. Sheen was attending a reunion of his regiment. S.

## MONTAGUE.

MR. EDITOR: As we were busy last week we could not write, and as everyone else is busy, there is not much to write about.

I object to your calling us over here road bugs. About all of them kind of critters I've ever seen came from some other place.

Did those Port Jervis sports give you a call? They'll strike a snag over here some time.

There is going to be a wedding over here this week, but we are not invited.

Well, Wild Bill has gone to Pike Co. to live. Miss Swartwout having sold her whole outfit to Mrs. Morris Qinton.

There will be a peach social at the residence of Jacob McCarty, Friday evening, Sept. 23. All are invited. As two kinds of peaches will be there, I hope the Puss devil will come over. If stormy, next fall evening.

Our farmers are busy plowing, sowing, cutting corn and buckwheat.

The elder crop is light, but some of it seems to be good already.

The communications of H. last week made very interesting and instructive reading. Give us more, brother.

The Brick House school opened with scholars in attendance the first day.

Well, the old church is no more, but soon a new one will rise up, and then the community will have a house of worship which, if it does not please every one, will perhaps answer the purpose for which it is being built.

The Puss reached us last week, which goes to show that it is still alive and kicking. The editor is getting used to being kicked a little, but that only makes things lively, even on the NAIL KAZ.

## THE ORANGE COUNTY FAIR.

Wednesday's weather was just about the right thing, neither too hot or too cold, for the comfort of the people. The Erie R. R. was careful not to overdo in the reduction of fares, charging 90c. for a return ticket. The entrance to the fair, which was 50c. last year was this year reduced to 25c. The grounds are located some 1 1/2 miles from the Erie depot, but the trolley line has a branch running to the entrance of the grounds. This is the 58th annual Fair of the county and is now permanently located at Middletown, which of course will not be so convenient for Pike Co. people. This is children's day, school children being admitted free. In all there was a very large attendance.

A prominent attraction on the grounds was a team of colts about three months old, being driven around by their owner, Mr. Stage, of Unionville. It was reported that one of them was not fully three months old. In newspaper row, The American Agriculturist shared a tent with a Middletown paper, in which we were hospitably entertained by C. C. Bush, of Circleville, Orange Co., he representing the Agriculturist. The poultry exhibit was very large, different varieties of domestic fowls being the most numerous. There were between 300 and 400 entries in the poultry department. O. W. Wafer, of Middletown was superintendent of this dept. He is one of the fair directors and is extensively engaged in the poultry business. A curiosity in the poultry dept. was some domestic fowls called "Silkies," the feathers of which appeared similar to the down of young chickens.

Mrs. S. A. V. Servin, owner of Valley Farm at Warwick, had on exhibition 14 head Dutch Belted cattle. They were also at the N. Y. state fair at Syracuse, and will be entered at the inter state fair to be held at Trenton, N. J. The Middletown State hospital had a large and fine exhibit of swine. But few sheep were shown at the fair. One Holstein bull was to be seen, weighing about 1800, entered by a Middletown party. Horse racing was held in the afternoon. A large number of plates of apples were to be seen in the fruit department. Among the peaches were to be seen a monster or two entered by Mr. Bull, of Blooming Grove. The W. C. T. U. had a building on the grounds where parlors were checked. Two Egyptian fortune tellers were on hand and one mind reader who claimed to read your past and future. A negro company had a large tent for holding a 10 cent show. Good order was maintained through out the grounds. The 24th company band was in attendance. Barrels of ice water were on hand where the thirsty could drink to their heart's content and of course some got a "jag" on. Wagons with pneumatic tires were exhibited by a Middletown firm. A very large squash was shown by W. H. Green. For 10 and 15 cents an imitation crayon picture could be had by anyone, taken life size in about two minutes.—PIKE CO. FARMER.
