NO. 10.

THE WASHINGTON LETTER.

(From Our Regular Correspondent.) WASHINGTON, D.C., JAN. STH, 1900. New York for a few days. with the appropriation bills, the ur- yesterday for Tampa, Fiorida. gency Deficiency bill, mostly made made necessary by the revolt in the Sunday. Philippines, being first on the list.

Senator Hoar made a speech to-day on his Philippine resolution, in which he said much calculated to encourage against the U. S. This elicited applause from the Democratic Senators sincere tadmirers. No one who Pa. knows the man doubts the sincer- Mrs. Frank Hallet has gone to quite indisposed. It is his. He refuses to see that It would be both dishonorable and cowardly for the U. S. to abandon the Philippines, not to mention the commercial disadvantage to America that would follow such an abandonment; that the whole civilized world looks to us to give the Philippines good government.

Secretary Wilson said of Secre tary Hay's grat diplomatic triumph in securing guarantees from the leading European nations of the parpetual maintenance of the "open door" at all Chinese ports, which he declared supplements the work the former. The trip is taken partdone by our army and navy and se- ly for health and their many friends junction proceedings of the Eric cures our trade relations with China : "A year ago no one would have listen their return from the sunny clime in ed to a proposition of this kind, but invigarated physical condition. the whole world listens to the U. S. now. Some idea of the vastness of the interest involved, may be gained from the fact that while ten years over to his successor about \$7 000 of gality to embezzling \$102,000. He ago, our exports from the Pacific money found in his hands by the will be sentenced to day. Coast to all countries aggregated Auditors. \$26,000,000, and five years ago \$42,-000,000, the steady increase in Pacific const exports had raised the aggregate to 73,000,000 ayear ago."

The decision of the Senate Committee on elections to report against no surprise and will not arfect the meeting will be held next Monday final disposition of the case. It at the parsonage, pend upon how soon the case of Sen. Hait, it has attained. ator Clark, of Mont., charged with Emiline Whitaker, wife of Wade now about 72 years old.

ure, aged about 63 years. He be- day, at her late home. came prominent in 1886 by speaking in Cheikering Hall in favor of Henry George for mayor of New York, after being instructed by Archbishop Corrigan not to do so. For this he was suspended, and for rid-Propagando at Rome to recant and Wagner, Moses De Pay, and T.V. shoes he says there will be no failure He refused and was excummunicated but in 1893 Cardinal Satolli absolved him and restored him to his priestly office and in '94 he was re installed and appointed rector.

Railroading Patents A single firm of Patent Lawyers, C. A. Snow & Co., of Washington, D. C., have in the last year procur-ed 1,630 patents for their clients, many of them for rejected inventions. C. A. Snow & Co have been accused of railroading patents through the Patent Office, but they insist that this locomotion is better than ox-carting them for by the latter process the inventor often dies before he gets his patent

Branch Office I wish to open in this vicinity. Good opening for an energetic sober man. Kindly men throat and lung troubles. Children fion this paper when writing.
