Democrats are very fond of talk vive. ing about muzzling mon, but they seem to overlook the recent muzzle ing of Mr. Bryan. Mr. Bryan was muzzled by the New York Democratic Club, which is another name for Tammany, when he was dined without being allowed to speak, and he was again muzzled by the Gridiron Club, of Washington, which had him as one of its guests at a dinner, given Saturday night, where he was free to speak, but with the knowledge that an in violable rule of the Club prohibits the publication of speeches made by its guests. It looks as though Mr. Bryan really enjoyed being muzzled, and it is certain that the democratic party would be better off in the end if he were permanently muzzled, as it is clear to close observers that he is driving old democrats into the republican party every day by his edibles.
