SANDYSTON IN GENERAL.

Francis Layton, a highly esteemed
citizen of Layton, died early Sat-
day morning of pneumonia, aged 71
years. No one will be more missed
in this community than Mr. Layton
for he was accommodating and gen-
erous to a fault. He was a promi-
nent helper in the church, and the
appeal of the needy was always re-
sponded to by him. He was mar-
ried to Miss Malcott Kyte in 1874.
She died in 1893 and in 1894 he mar-
ried Miss Libbie Wintermute who
survives him. There is no child by
either marriage. He is survived by
two brothers and one sister. John
of Evans, Stewart of Branchville
and Mrs. Christina wife of Geo.
Hornbeck of Port Jervis.

The Sandyston B. of Ed. met on
Saturday and passed a resolution
asking the town for 400 dollars for
schools for the ensuing year. A
thousand is needed, and then the
school houses could be made com-
fortable.

The American people are so en-
grossed in reading about the Boer's
fight for liberty, as to forget Uncle
Sam has a little trouble in the Phil-
ippines. The sufferings of our boys
are great, and to add to it all insan-
ity is claiming many victims. Jus-
tice Genl. Joe Wheeler's daughters
words upon her return to this coun-
try, and one wonders why this was
ever undertaken.

Our Board of Education is notifi-
ed to meet at a certain time and
place and the general public knows
nothing of such a meeting unless
told by some member of the Board.
It is the same with our Committee.
People having business with that
body are not told when they meet,
consequently if they wish to know
they must hunt up a member and
ask. Four or five notices of meet-
ings would do the business, to the
satisfaction of all.

Mrs. Lizzie Jager, of Madison, is
spending a few days visiting friends
and relatives around Centreville.
Latest reports as to the condition
of Mrs. Alfred Ellet who is now in
a N. Y. hospital say she is doing
as well as can be expected. Upon ex-
amination at the hospital it was
found that her ailment was cancer
of the stomach. It was necessary
to remove a part of that organ, and
a piece of intestine leading from the
stomach. She bore the operation
very well, and it is hoped the opera-
tion may prove successful and she
restored to her family and health.

The small boy trapper tells me
that he caught a fine ground hog
in his traps last week. I should think
such weather as we had on Monday
would keep his hogship at the bot-
tom of his hole.

For several days last week a couple
of men enjoyed a regular "game"
at one of our hotels and abused citi-
zens entering or passing and at
night a young man was knocked
down and beaten. I supposed that
keepers of hotels were obliged to
protect patrons, but according to
the antics of the past week their obli-
gation do to do ends with collect-
ing 10 cents for the drink. Out-sid-
ers will soon think Sandyston is in-
habited by a half civilized race.

We are to have a new school
law, or amendments to the law now
in force, and whether it will benefit
the rival districts or not, I do not
know, but I am afraid it is for the
benefit of such counties as Essex,
Bergen, Hudson etc. Hon. E. E.
Smith thinks some changes in the
bill may be made in the Senate, but
Mr. Smith will stand up for his con-
stituents, that's sure.

About fifty or more young folks
met at Mrs. Cross, near Evans, on
Friday evening and under the man-
ipulation of the violin by Hon. E.
E. Smith, kept things humming
until well toward morning. The
same evening, a Mitz party was held
at Mr. Joshua Shays and nearly as
many attended that, but what was
a dish of ice cream and "Needle
Eye" compared to shaking the pot.

The necessary machinery is being
placed in the creamery building at
Evans, and in a very few days the
farmers can take their milk to it.
I stated in my last that A. R.
Kintine was 76 years of age. It
should have read 66 yrs. His moth-
er resides with a grand daughter
here and at the age of 88 is as nim-
ble as many women of 45 and can
get about nearly as spry.

Southern Pines, N. C., is a new
established vill go on the Seaboard
Air Line. Hundreds of Northern
people go there every winter and all
seem pleased at the grand climate
and the enterprise manifested on
every hand. Piney Woods Inn, an
elegant new hotel offers splendid ac-
commodations at very moderate
rates and as natural result is always
crowded. You can buy excursion
tickets to Southern Pines, so the
fare cost but little, but is always
best to write ahead for accommo-
dations at Piney Woods Inn. m30

ing an opportunity to buy a good

day in Hope church.

fered a stroke of paralysis is much
better and able to walk.

tin of Watsboro N. Y. and son Floyd
now residing at Otisville are guests of

WOODTOWN.

When a trapper starts for Pond
Eddy and comes out at the Savan-
tine bridge, it's time to carry a com-
pass.

Master Charles Wells entertained
a group of young people at Bradner
Wood's with witty anecdotes last
Sunday.

Harley Wood trapped his first rac-
coon last week. George May also
got one, and W. G. Parker three.

An F. Marion Crawford club has
been established here. Readings
thrice a week.

John Wood has delivered six hun-
dred ties at the Glen. They were
a nice lot.

her son, Chris, who is keeping bach-
elor's hall.

to call her house "Vacation Re-
treat." Mrs. Bradford has all she

ren, of Hawley, were callers of J.
S. Pierson Saturday.

when this town had a republican Free-

that there is going to be a moving.

A Thousand Tongues
Could not express the rapture of
Annie E. Springer, of 1125 Howard
st., Philadelphia, Pa., when she
found that Dr. King's New Discovery
for consumption had completely
cured her of a hacking cough that
for many years had made life a
burden. All other remedies and
doctors could give her no help, but
she says of this royal cure—"It soon
removed the pain in my chest and I
can now sleep soundly, something
I can scarcely remember doing be-
fore. I feel like sounding its praise
throughout the Universe." So will
every one who tries Dr. King's New
Discovery for any trouble of the
throat, chest or lungs. Price 50c
and \$1.00. Trial bottles free at all
drug stores; every bottle guaranteed.

Levis Ackerman, Goshen, Ind.,

and liver.

writes, "I never fail to relieve my
children from croup at once using
one minute cough cure. I would
not feel safe without it." Quickly
