goods are arriving every day. He is on  
deck for business.

Arbor Day was observed by the schools  
of this town but few trees were planted.  
At Evans a fine tree was set on the school  
grounds, and ere long a fine pole and flag  
will grace the play ground. I believe the  
law requires that such school be supplied  
with flag, etc.

I am told that the workmen, on the new  
bridge across the Delaware, have notified  
those boarding them that they will be here  
for putting it in position this week. This  
is good news, and the traveling public will  
be glad to hear it.

A valuable farm horse of R. H. Everett  
was taken sick on Sunday morning and  
died soon after.

Fierce fires have been raging the past  
week on the mountain in the eastern part  
of this town. The fire was started near  
teuiver Gap by a party burning a brush  
heap. Despite the efforts of those living  
along the mountain, it has burned from  
the Gap nearly to the Walnut line, and  
done a vast amount of damage.

The Board of Education will hold a meet-  
ing this week having for its object the  
raising of money for the support of the  
schools and purchase of school supplies.  
This should have been done at the last  
meeting and election, but was overlooked  
in the excitement over the fight for trustee.

Our local butcher Joseph Jaeger made  
his first trip on Saturday. Joe expects to  
attend strictly to business and hope to se-  
cure a share of the patronage of the public.

Mrs. Elmer Everett of Newark is stopping  
a few days with her father-in-law, R. H.  
Everett, where her little boy Merlin was  
lying dangerously ill. The little fellow is  
now much better with promise of ulti-  
mate recovery.

The barn of Daniel Aber residing east  
of Hainesville was burned on Friday. I  
have not heard the particulars further than  
the fire caught in the adjoining woods,  
and burned over a large area before it  
could be stopped, no insurance.

The rumor that the effort made to start  
the Evans creamery on May 1st would be  
successful, but such is not the case, and any  
party who wishes to lease it can have the  
chance now.

Supt. Hill visited the schools of this town  
the past week and judging from his re-  
marks everything was satisfactory.

Louis Schooley when near Mr. Madison  
Shays his horse became frightened at a  
passing bicycle. The horse turned around  
before he could check him, upsetting the  
carriage and smashing the top and shafts,  
but was stopped before further damage was  
done. Mr. Schooley was slightly bruised  
about the head.

Thomas Lantz made a brief visit to his  
parents on Saturday. He came up from  
Stroudsburg, where he is at school, on his  
wheel, returning to his school on Sunday.

**DELAWARE.**

Farmers will be quite late with their  
spring seeding, owing to much  
wet weather.

Another addition is being built to the  
Riverside Hotel.

The Broadhead and Meadowbrook  
schools have closed for the season.  
Sylvester Schoonover who fell  
from his wagon some time ago is  
about again.

Twenty three tie rafts passed this  
point on Sunday the twenty-second.  
James E. Nyce opened the Egypt  
Mills Creamery on Tuesday May 1st.  
The out-look for the season is very  
promising really better than last  
year.

Reeder Morgan traded a gray  
horse to George Borgstesser, last  
week for a fine five year old filly.

On Sunday last, at eleven o'clock,  
a fire broke out in the mountain back  
of R. P. Brodhead's farm. It burned  
fiercely during the afternoon and  
a large force of men were called out,  
and fought the flames desparately  
until nine o'clock in the evening be-  
fore they got it under control. F. L.

**Story of a Slave.**

To be bound hand and foot for years by  
the chains of disease is the worst form of  
slavery George D. Williams, of Man-  
chester, Mich., tells how such a slave was  
made free. He says: "My wife has been  
so helpless for five years that she could  
not turn over in bed alone. After using  
two bottles of Electric Bitters, she is  
wonderfully improved and able to do her  
own work." This supreme remedy for  
female diseases quickly cures nervousness,  
sleeplessness, melancholy, headache,  
backache, fainting and dizzy spells. This  
miracle working medicine is a godsend to  
weak, sickly, run-down people. Every  
bottle guaranteed. Only 50c. Sold by all  
druggists.

W. W. Marlow, Merton, Wis.,  
says, "I consider one minute cough  
cure a most wonderful medicine,  
quick and safe." It is the only harm-  
less remedy that gives immediate re-  
sults. It cures coughs, cold, croup,  
bronchitis, grippe, whooping cough,  
pneumonia and all throat and lung  
diseases. Its early use prevents con-  
sumption. Children always like it  
and mothers endorse it.

**Pain Unnecessary in Childbirth.**

Pain is no longer necessary in childbirth;  
morning sickness, swollen flanks, and  
like evils, are readily controlled and womb  
diseases speedily cured. Never known to  
fail. Physicians pronounce it wonderful,  
and over 50,000 ladies attest its merits. Lady  
reader, cut this out; it may save your life,  
suffer no longer, but send us 2 cent stamp  
and receive in sealed envelope full particu-  
lars, and valuable proofs of our wonder-  
ful remedy. Address Frank Thomas & Co.

**MATAMORAS.**

At the local institute held in the  
High School building last Saturday  
the morning session opened with ap-  
propriate remarks by Prof. Johnson,  
outlining the object. The program  
was Reading, by Hannah Maloney,  
Teaching as a profession—Nellie  
Westfall, Geography—A. L. Stage,  
Value of literature in schools—Miri-  
nie VanAkin, History—Howard Al-  
len, Moral training—Sarah Ramsey,  
English grammar—S. A. Johnson,  
Civil Government—J. F. Maloney,  
Literature—Supt. George Sawyer.  
The teachers present entered with  
enthusiasm into a discussion which  
followed reading of the papers, and  
brought out several good points.  
This was the first local institute ever  
held in the county and was very  
successful.

Ira May, the two year old daugh-  
ter of Henry Gillson and wife, died  
Monday. The funeral conducted by  
Rev. Lily was held Tuesday after-  
noon.

Epworth Sewing Circle met Tues-  
day evening with Mrs. Fred Wick-  
ham.

C. U. Society met Thursday after-  
noon with Mrs. Shaw.

J. O. Reider and wife returned  
from their wedding trip Monday and  
are now at home in their cozy home  
on Main street.

Rev. E. T. Sanford, of the Port  
Jervis Baptist church, gave a pleas-  
ing stereopticon lecture, entitled  
around the world in eight days at  
Epworth Church Thursday evening.

A. L. Stage, of Berryville, attend-  
ed the local institute. As did also  
Miss Cora Taylor, of Pond Eddy.

Rev. Wentz, former pastor of  
Hope church, preached to a large  
congregation last Sunday morning  
and evening. His numerous friends  
were glad to see and hear him.

Rev. Chadwick of the M. E. church  
of Port Jervis preached an interest-  
ing sermon at Epworth church last  
Sunday evening.

after a visit to Mount Carmel her  
former home.

iting his brother, Rev. Lilly, of Hope  
church.

**WOODTOWN.**

John Cortright of Lackawaxen  
and Louis W. Halk of New York  
visited relatives and friends here  
this week.

"Vacation Retreat" has donned a  
dainty dress of immaculate white.  
Henry Bradford directed the work.

"Well, we hatched thirty-four out  
of forty-five fertile eggs with our  
Prairie State incubator." Very good  
Mrs. Courson, and a healthy lot they  
are. The cost of this machine is  
only six dollars, and in our opinion  
bents them all. Set up in the room,  
it might almost be taken for a music  
box, especially when the chicks begin  
to peep.

It is shocking to witness so many  
fires. The law breakers should be  
brought up with a round turn. The  
fires are started in the direction of  
the turnpike. Considerable back-  
firing has been done, keeping men  
from their work.

**Prevented a Tragedy.**  
Timely information given Mrs. George  
Long, of New Straitsville, Ohio, prevent-  
ed a dreadful tragedy, and saved two lives.  
A frightful cough had long kept her  
awake every night. She had tried many  
remedies and doctors but steadily grew  
worse until urged to try Dr. King's New  
Discovery. One bottle wholly cured her,  
and she writes this marvelous medicine  
also cured Mr. Long of a severe attack of  
pneumonia. Such cures are positive  
proof of the matchless merit of this grand  
remedy for curing all throat, chest and  
lung troubles. Only 50c and \$1.00. Every  
bottle guaranteed. Trial bottles free at  
all drug stores.

of the late Julius Milford, of Dela-  
ware, died at her home in Bing-  
hampton N. Y. last Friday. Her  
husband and one child survive.

Dr. W. B. Keaworthy desires to  
thus publicly express his thanks to  
the Milford fire companies for the  
very efficient manner in which they  
checked the fire Monday and by  
strangous efforts saved his barn from  
destruction.

P. C. Rufan has opened his bicycle  
and repair shop on Harford street,  
where may be found a good stock of  
wheels and sundries, and an expe-  
rienced workman in charge to make  
necessary repairs.

**Resolutions of Respect.**

At a regular meeting of Vander-  
mark Lodge No. 828 L. O. O. F. held  
April 26, 1900 the following preamble  
and resolutions were unanimously  
adopted:

WHEREAS, in view of the loss we  
have sustained by the decease of our  
Brother and associate, William Tri-  
ble, and of those who were nearest  
and dearest to him therefore be it,

RESOLVED, that it is but a just  
tribute to the memory of the depart-  
ed to say that in regretting his re-  
moval from our midst we mourn for  
one who was, in every way, worthy  
of our respect and regard.

RESOLVED, that we sincerely con-  
dole with the family of the deceased  
on the dispensation with which it  
has pleased Divine Providence to af-  
flict them, and recommend them for  
consolation to Him who orders all  
things for the best and whose chastise-  
ments are meant in mercy.

RESOLVED, that this lodge has lost  
a worthy Brother and the commu-  
nity a worthy citizen.

RESOLVED, that the heartfelt sym-  
pathy of this lodge be extended to  
his family in their affliction.

RESOLVED, that these resolutions  
be spread upon the records of the  
lodge, and a copy thereof be trans-  
mitted to the family of our deceased  
Brother and to each of the news-  
papers of Milford.

WILLIAM H. ALMER,  
WILLIAM HAZEN,  
CHAS. E. THORNTON.

**The Value of a Cow.**

The American cow has been feeling  
the effect of the good times, and has  
come in for a share of the prosperity  
that now exists in every corner of  
our country. Note the following fig-  
ures of the total value of all cows in  
the United States, and the average of  
each, as shown by the Department of  
Agriculture:

Jan. 1	Total Value.	Per Head
1894	\$958,908,661	\$21 77
1895	362,701,739	21 97
1896	363,955,555	22 55
1896	369,238,993	23 16
1898	434,813,826	27 45
1899	474,233,925	29 66
1900	513,813,106	31 60

Cows on the American farm were  
worth only from \$21.77 to \$23.16 each  
under the Democratic Administration  
of President Cleveland. Less  
milk was bought when our factories  
were closed. But busy factories  
mean money to spend and more milk  
for the family; so the farmers' cows  
are worth more under the protection  
of the Dingley tariff, which gives the  
home market to the home worker.  
A difference of \$10. in the value of  
each cow, between free trade and  
protection times, is an "object lesson"  
for the farmer.

J. J. Carson, Prothonotary, Wash-  
ington, Pa., says: "I have found Ko-  
dol dyspepsia cure an excellent reme-  
dy in case of stomach trouble, and  
have derived great benefit from its  
use." It digests what you eat and  
cannot fail to cure.
