BLACKMAILING.

The attempt of Director of Public Safety A. L. English of Philadelphia, to prevent the publication of criticism on the city government, in the North American, by threatening John Wanamaker, was not a success. It was a most unwananted effort to suppress just the things which if true the public ought to know and if not true there was a far more effectual way by an appeal to the Courts When public functionaries so conduct themsel

payment of subsidies to American ships in the foreign trade commands the support of three-quarters of the House Committee that, considered a bill of that character.

The Americans voters have always

by a committee of professional gloom mongers,

One section of the Democratic party, volcing the scutiment of the free traders, and foreign shipping inter-ests, favor the free admission of foreign-built ships to American reg- of the Peace for cells istry, instead of having those ships built in American ship yards. Another section favors having them built in the United States, to which view all Republicans assent. And yet there is reason to believe that the consideration of the bill that will give this work to Americans will be deferred until the next session of Congress-precisely what the free traders, the foreign shipping interests and their American allies desire!
