OVER CONFIDENCE.
 If there is danger to the Republican party in the coming election it will be because of over confidence and hence apathy in the campaign and with voters. There is wide spread and general belief that Bryan cannot be elected, that the people will take care that he is not, and so men may become indifferent to their individual duty to work and vote against his election. It is of highest importance that every Republican should become a missionary in the cause and use all his individual influence to secure votes for sound money. The Democrats are trying to obscure this issue, to relegate it to the background and to raise the cry of imperialism. It is with them the old story of the cuttle fish which obscures the water so as to hide itself, the real object of pursuit. They are working to make imperialism the issue to hide the 16 to 1 fallacy which has once been condemned at the polls. They cannot define with clearness what they mean by this new boggy but it is something with which to juggle and deceive the people, and many are caught by an indefinable dread that the horrors vividly depicted by Bryanites are the shadows of this new terror. They do not see the substance because there is none but they are terrified by a vivid picture of ills and evils which may arise in the train of imperialism. Democrats said the same things, in the same language, of Lincoln from whose speeches Bryan now so freely, and approvingly, quotes and there is the same danger now as then and no more. It is the duty of Republicans to relax no effort, to not cease in their crusade against Democracy and all it represents to, be vigilant and active until the polls close in November and if they do this the wise, conservative and statesmanlike administration of President McKinley will not only be overwhelmingly endorsed but with all its prosperity will be continued a blessing to the people of this great nation. See that you do your share to perpetuate it.

CHURCH NOTES.
 The Rev. W. R. Neff will occupy the pulpit next Sunday evening. It is perfectly natural and right that his many friends should desire to hear him. We take great pleasure in making this announcement.

The picnic of the Union Sunday school was a grand success. It not only gave the children an enjoyable day but it proved to be a very enjoyable social day for the goodly number of older people who were present. It was all good to be friends and show ourselves friendly.

The Raymondskill grove has natural scenery hard to surpass. It is one of those places that we never tire of visiting.

Our home school has fixed upon Aug. 30 for its annual picnic. We hope for a day that will be suitable and for a large attendance. The place is Cummins grove.

The kindness of Mr. Neff makes a change in our previous announcement necessary. The last sermon of the Riverside Series will be preached September 2 instead of Aug. 26.

There will be preaching next Sabbath afternoon at the Schoepco school house subject "Better things".

The burning of the Seminary at Hackettstown, N. J., on October 31, 1899 makes its re-building the most pressing educational need presented to the churches of our Conference under the 20th Century Thank-Offering Appeal. The cost of re-building on a greatly improved plan will be \$250,000, toward which \$114,000 was received as insurance on the burned structure. This leaves about \$140,000 to be raised. Of this amount there has been already pledged \$70,000, on condition that the whole \$140,000 is raised. \$70,000 more therefore remains to be raised. The interest of this seminary will be presented next Sabbath morning by the Rev. J. A. Cole. Mr. Cole was selected for this work because of his marked ability. Come and hear him.

 On account of the Knights of Pythias Conclave to be held at Detroit, Mich., the Erie will sell special excursion tickets from Port Jervis to Detroit, Mich., on August 25, 26 and 27 at \$13 for the round trip. The tickets are for continuous passage in each direction and will not be good for return trip unless used by Joint Agent at Detroit, and are good to return Sept. 5, except by depositing the ticket with Joint Agent at Detroit, on or before Sept. 1, and paying a fee of fifty cents the return limit may be extended to Sept. 14, 1900.

Free to Inventors.
 The experience of C. A. Snow & Co., in obtaining more than 20,000 patents for inventors has enabled them to helpfully answer many questions relating to the protection of intellectual property. This they have done in a pamphlet treating briefly of United States and foreign patents, with cost of same, and how to procure them; trade marks, designs, caveats, infringements, decisions in leading patent cases, etc., etc.

This pamphlet will be sent free to anyone writing to C. A. Snow & Co., Washington, D. C.

They Struck it Rich.
 It was a grand thing for this community that any firm secured the agency for Dr. King's New Discovery for Consumption, the wonderful remedy that has started the world by its marvellous cures. The force of enthusiasm over it has become its business, as the demand for it is insomuch they give free trial bottles to sufferers, and positively guarantee it to cure Coughs, Colds, Bronchitis, Asthma, Croup, and all Throat and Lung Troubles. A trial proves its merit. Price 50c and \$1.

The quicker you stop a cough or cold the less danger there will be of fatal lung trouble. One minute cough cure is the only harmless remedy that gives immediately results. You will like it.

HAIR WEALTH.
 Wealth of hair is wealth indeed, especially to a woman. Every other physical attraction is secondary to it. We have a book we will gladly send you that tells just how to care for the hair.

If your hair is too thin or losing its luster, get **Ayer's Hair Vigor**.

Growth becomes vigorous and all dandruff is removed. It always restores color to gray or faded hair. Retain your youth; don't look old before your time.

\$1.00 a bottle. All druggists.
 "I have used your Hair Vigor for about 2 years and I have found it splendid and satisfactory in every way. I believe I have recommended this Hair Vigor to hundreds of my friends, and they all tell the same story. If anybody wants the best kind of a Hair Vigor I shall certainly recommend to them just as strongly as I can that they get a bottle of Ayer's Hair Vigor."
 Mrs. N. E. HAMILTON,
 Nov. 22, 1898. Norwich, N. Y.

Write the Doctor.
 If you don't obtain all the benefits you expect from the use of the Vigor, write the doctor about it. Address, Dr. J. C. Ayer, Lowell, Mass.

You will never find any other pills so prompt and so pleasant as Dr. Witt's little early pills.
