Towne is to follow Roosevelt, it seems. We will have a lively time of it.

The betting in the East is stated to be three to one on McKinley—based, no doubt, on the hard and colored calculation that prosperity will win.

Mr. Hearst's papers are still against the banks, the National banks, the Saving banks, the private banks, and all kinds of good, safe places where the people who have money now can keep it.

"General" Coxey is also too busy with his steel plant to lead an army of the discontented on to Washington.

At last accounts "Coin" Harvey was farming a farm, having made all the money he could farming the farmers.

While any old ratio will do for me I would strongly urge a different one every four years.—R. Croker,

Issue hiding is by no means a new trick of the Democratic party.

Mr. Bryan needn't worry about the safety of the Republic. There is not a good American in the whole country who would not give his life to save that same Republic.

Mr. Bryan says the Republican party puts the dollar before the man. So it does, and it is much better than placing an empty dinner pail before him.

The sugar trust made the Wilson-Gorman tariff bill and Mr. Bryan voted for it. Was that not "placing the money before the man."

Senator Hoar's reason for urging the election of McKinley and Roosevelt have had a rather depressing effect upon the Democratic editors. They have suddenly discovered that he is not a patriot.

Dick Croker is quick to attribute disloyalty to those members of Tammany who favor the nomination of an honest man for Governor of New York.

If predictions were only electoral votes Chairman Jones would be able to elect several Presidents this year.

Bryan's speech of acceptance was devoted to explaining the platform, and now it will be time to explain the explanation.

Bryan is not so slow. He determined to have the band, the fireworks, the speeches, the whoops and hurrahs at the notification meeting rather than take any chances on a ratification meeting.

CHURCH NOTES

There will be preaching at the Union school house next Sabbath afternoon.

The subject of the sermon for next Sabbath morning will be: "Pula's crowning experience," and in the evening "Baptism at the River."

The Rev. J. A. Cole was very much pleased with the liberality of our people in connection with the rebuilding of the seminary at Hacketts town, N. J. Forty dollars were contributed. If all the churches do as well in proportion to their ability the new institution for christian education is assured.

It gave us great pleasure to see the large congregation that came out to greet the Rev. W. R Neff last Sabbath evening. His text was a very impressive one "The Kingdom of Heaven is within you." We do well to bear in mind the fact that the kingdom of heaven is "righteousness, joy and peace in the Holy Ghost" and that all three of these qualities are possible of attainment in the present life, and the spirit that gives them effect is the present experience of energy true child of God.

The invitation to preach in the Presbyterian church last Sabbath morning was another proof of the good will and fraternal spirit that prevails in Milford. The time has long gone by for antagonism and animosity. Thinking people who posses genuine christian culture have no place in their lives for anything other than love for every branch of Christs true church.

Bishop Simpson well expressed the two ideas of church loyalty and the true fraternal spirit when he wrote "We live to make our own church a power in the land while we live to love every other church that exalts our Christ."

Our lawn party on the Bluff House lawn last Tuesday afternoon was a grand success. Seventy dollars and sixty-seven cents were left after paying all expenses. This gives us $114. for our organ fund. We take this opportunity to extend our thanks to Mr. Bournique for the use of the Bluff House lawn; to all the Bluff House guests who kindly aided us; and to the members and friends of our own church who worked so faithfully and gave so freely for the success of the writers cherisher enterprise. Please except this personal thanks. He would be glad to speak of you all by name but this he cannot do, for all names are not known to him.

Through the exceeding kindness of the Bluff House guests a musical was given Wednesday evening in the interest of our organ fund. $28. were turned over at the close. We have received $99. this week and now have on hand $143.

Not all christian people who come to the country for a summer outing forget their Lord. The writer has found some very helpful acquaintances during the last few weeks. They have been spiritually minded not in any narrow sense but in a sufficiently broad sense to include all that is good in mental, social and financial as well as heart things. Their regularity in church attendance has a good influence on the community. I have no sympathy with that oft repeated heresy that city people are the spiritual curse of our rural towns. There is no doubt that many of them are more than irreligious but not all. Let justice be done and credit be given to those who give more than financial aid to our rural churches.

The sacrifices, that many of our people have made, to attend to their religious duties, in their abundant labors, afford great pleasures to the pastor. These summer months have revealed many excellent qualities. Heat and hard work have not kept you from putting on the harness in the Lord's service and in the work of his church. This speaks volumes for the future. When we can all get together and our town churches settle down to their fall and winter labors, then those who have toiled early and late and have been deprived of church privileges will not cease to toil but will spend their quiet winter hours in thought, prayer and effort to build up the christian character of Milford. This is our prophecy, shall it not be fulfilled?

GRAY STREAKS

Why let all your neighbors and friends think you must be twenty years older than you are? Yet it's impossible to look young with the color of 70 years in the hair. It's sad to see young persons look prematurely old in this way. Sad because it's all unnecessary; for gray hair may always be restored to its natural color by using—

Ayer's Hair Vigor

For over half a century this has been the standard hair preparation. It is an elegant dressing; stops falling of the hair; makes the hair grow; and cleanses the scalp from dandruff.

$1.00 a bottle. All druggists.

"I have been using Ayer's Hair Vigor for over 20 years and I can heartily recommend it to the public as the best hair tonic in existence."
