A Night of Terror.
"Awful anxiety was left for the
widow of the brave General Burn-
ham, of Machias, Me., when doctors
said she would die from pneumonia
before morning," writes Mrs. S. H.
Lincoln, who attended her that fear-
ful night, but she begged for Dr.
King's New Discovery, which had
more than once saved her life, and
cured her of consumption. "After
taking, she slept all night. Further
use entirely cured her." This mar-
velous medicine is guaranteed to cure
all Throat, Chest, and Lung Diseases.
Trial bottles free at all drug stores.

You can spell it cough, croup, cough,
croup, cough or croup, but the
only harmless thing that cures it is
one minute cough cure.

All Around the County.

SANDYSTON.

Franklin Dye, Secretary of the
State Board of Agriculture, visited
this town on Saturday last. Meet-
ings of the Board have been held in
other parts of the county, and it
was for the purpose of holding a
meeting in this town that brought
him here. The feeling is unanimous
in favor of holding a meeting and as
a place has been secured at Layton
the meeting will be held some time
in November, at that place. So
much can be learned at these meet-
ings, that is of interest to the farm-
er that they should not miss the op-
portunity of hearing and being
heard.

The ice cream social at Layton on
Saturday evening was the first of
the season in this place and it was a
success. The cream and cake were
first class and all had a good time.

Will Egan, of Newark, is spend-
ing a few days visiting friends and
relatives in this town. He is em-
ployed on a trolley line in Newark.

The time for handling in road or-
ders is here and I suppose the \$1400,
appropriated for keeping the roads in
repair has been expended, and I
hear that more money is asked for.
No doubt it is necessary, but have
our committee inspected any of the
work that has been done. Now that
the money is spent (I take it that it
has been) are our roads any better
than they were last spring, and yet,
one of the Board was announced, in
the Press to be strongly in favor of
good roads. The roads are here yet
however.

From present indications the hunt-
er will have lots of sport this fall.
Game of all kinds is plentiful, but
one needs to know where he is hunt-
ing as most lands are posted.

Mrs. Mallicent Smith nee Bowman
of Scranton, Pa. is spending a few
days with friends and relatives in
this vicinity. She was formerly a
resident of Layton.

John J. Vanstickle left Saturday
for Ohio where he is engaged in
business.

I am glad to note that "Camber"
and myself agree so well on general
topics, for as a rule correspondents
are prone to "swipe" the brothers of
the quill. He and I have been in
the harness long enough to quit such
funny work.

Mr. Oscar Morris, brother of Jacob
Morris of this town, died at the re-
sidence of his brother on Saturday

vived by his wife and three small
children.

day evening by about 30 friends. A

and is very active.

How To Gain Flesh

Persons have been known to
gain a pound a day by taking
an ounce of SCOTT'S EMUL-
SION. It is strange, but it often
happens.
Somehow the ounce produces
the pound; it seems to start the
digestive machinery going prop-
erly, so that the patient is able
to digest and absorb his ordinary
food, which he could not do be-
fore, and that is the way the gain
is made.

A certain amount of flesh is
necessary for health; if you have
not got it you can get it by
taking

You will find it just as useful in summer
as in winter, and if you are thriving upon
it don't stop because the weather is warm.

Democratic Claims.

The Democrats are making many
ridiculous claims, none more so than
their alleged expectation of carrying
Minnesota. Capt. Henry A. Caslo,
Auditor for the Post Office Depart-
ment, who has been active in every
campaign in that state for the last
thirty-four years, and who was con-
nected with the Republican state
Central Committee, as Chairman or
Secretary for more than ten years,
has recently returned from a visit
to the state. He said of political
conditions there: "Minnesota is as
likely to go for Bryan this year, as
Vermont is, and not a particle more
so. It would be just as reasonable
for the Republicans to claim Texas
as for the Democrats to claim Minn.
There is not the slightest indication
of any land slide or political up-
heaval this year in Minn. The Re-
publicans have thorough precinct or-
ganization, and are advised every
day at the central headquarters of
all local movements. The reports
up to last week, when I left there,
were constantly more encouraging.
The seven Republican Congressmen
from Minnesota have all been re-
nominated, and each of them will be
elected without any question. There
can be no trouble about the state
ticket of the legislature, which will
re-elect Senator Kanto Nelson, next
winter. Minnesota has had but one
Democratic governor in forty years,
and that is sufficient. It has never
cast a single Democratic electoral
vote since the state was admitted to
the Union, and it is not likely to
commence the career of folly now."

Excursion to Buffalo and Niagara

The Erie Railroad Company offers
its patrons another delightful ex-
cursion, this time to the Monarch of
Falls, Niagara Falls, and to Buffa-
lo, the Pan American City, at the
exceeding low rate of \$5 for the
round trip. Starting Saturday Sep-
tember 22nd, the most pleasant
time of the year to go on an ex-
cursion. Do not miss this opportunity
to see one of the grandest sights in
the world and the many new fea-
tures that have been added recent-
ly—such as the New Steel Arch
Bridge, close to the Falls, The Great
Gorge Route, running from Prospect
Point to Lewiston at the foot of the
cliffs on the American side, close to
the Rapids and the Great Whirlpool
crossing the Suspension Bridge from
Lewiston to Queenstown, thence
along the bluffs to Victoria Park,
then crossing the New Arch Bridge
to the American side. Another at-
traction in the new Steel Tower 300
feet high, where you have a bird's
eye view of the country for miles
around.

For the people of Milford this is a
golden opportunity to visit the Great
Cataract and take a daylight ride
over the Grand old Erie, as the special
train will leave Port Jervis, at
10:35 a. m., Saturday September 22
nd, arriving Buffalo 8 and Niagara
Falls at 8:30 p. m. Retaining the
tickets will be good on special train
leaving Niagara Falls 7:10 p. m. and
Buffalo at 8:10 p. m. on Sunday
Sept. 23rd, or on any regular train
(except train 10) up to and including
train 112 leaving Niagara Falls 1 p.
m. and train No. 20 leaving Buffalo
1 p. m. on Monday September 24th
1906. Remember this will be the
last cheap rate excursion to this
Grand place this season so don't
miss it. The special train leaves
Port Jervis at 10:35 a. m. Saturday
September 22nd. s21

Large sun spots, astronomers say,
caused the extreme heat this sum-
mer, and doctors declare nearly all
the prostrations were induced by
disorders of the stomach. Good
health follows good digestion. Kodol

eat. If you have indigestion or dy-
spsia it will quickly relieve and
permanently cure you.

The emergency bags sent by a

knowing all the counterfeits are
worthless.
