The Party (Democratic) stands where it did in 1896 on the Money Question—Wm. J. Bryan, Zanesville O., Sept. 4, 1900.

Farmers, don't forget that Bryan is for free wool.

How easy it is for the Democratic candidate to do things—in his mind. When it is all over, they can blame it on Uncle Adlai Stevenson.

It may be at least console Mr. Bryan to know that, in case President McKinley is re-elected, times will be good for four years more and he can add still further to his pile.

Yes, Jackson Democrats, it was Senator Ben Tillman of South Carolina, who said: "We stuffed ballot boxes, we shot them; we are not ashamed of it."

The Democratic managers have already carried all of the states that they want, but it is understood that they will hold a few rallies in order to keep Mr. Bryan in practice.

Senator Dolliver is right—the American soldier never did American liberty any harm.

This year Summer county, Kansas, will sell four million dollars' worth of wheat at Mc Kinley prices. No danger that it will go for Bryan and calamity this fall.

What else may be said of him, Richard Croker has a fine grain of true Democratic consistency. He urges young men to go into politics and then knives young comptroller Coler clear to the hilt.

Richard Croker has sold his Trust stock, and now he cannot see for the life of him how it is that that issue cuts any ice.

Uncle Russell Shep has a double woo; money is cheap and the little red apple from which he makes his daily luncheon has gone up one cent.

The long and short of it seems to be that the Atlantic Constitution is for Mr. Bryan's election but against any of the policies which he has pledged to put in force.

Notwithstanding the efforts of David B. Hill to the contrary Mr. Croker continues to run the Tammany toll gate.

Mr. Bryan asks: "Why do we not treat the Filipinos as we treat the Cubans?" Were he not too busy making speeches to reply to troublesome questions, it would be timely to ask, "Why do not the Filipinos treat the Americans as the Cubans do?"

WEEK DAY SERVICES. Prayer Meeting Wed 7.30. Class Meeting Fri 7.30.

CHURCH NOTES. Next Sabbath evening the Epworth League service will begin at 6:46 instead of 7 p. m.

There will be preaching next Sabbath afternoon at the Schoeppee school house.

The subjects for next Sunday are "The meaning of a name" and "The problem of Temptation."

It was a very pleasant privilege to extend the greetings of our church to our Presbyterian friends last Monday evening.

These occasions, that bring us together, help us forget that we differ, and aid us in comprehending the greater truth, that we are one in Jesus Christ.

At this time we call attention to the fact special revival services will be held at Schoeppee, Union and at our church in the order named.

We desire to begin at Schoeppee about the middle of October, then go to Union about November 1st and from the middle of November on we feel that special efforts are no longer wise, the work will be carried on at the church.

There is nothing sacred in this plan. It is only suggestive of our purpose. We are looking forward to a season of great refreshing from the presence of the Lord.

We need it, the community needs it, it may be had, now is the time; let the armor be put on; the sacrifices made; the prayers ascend and God will give us our hearts desire.

The seventy-fifth anniversary of the Presbyterian church recalls the fact that our church was established the following year.

Many interesting and suggestive things in the history of the church life of Milford were brought out by the speakers, last Monday evening.

Things no less important have occurred in the history of our church. We look forward with delight to our anniversary day.

BE GREATER THAN YOUR POSITION. A distinguished theological professor once said: "If I had a son, I should tell him many times a day to make himself as big a man on the inside as possible."

Young men too often want to be big men on the outside; to occupy positions which fit them as a turtle's shell fits a clam.

Never mind your position, young man. Whatever it may be, try to fill it. The duties which you have to perform may seem trivial; but because it is a small position is no reason why you should be a small man.

You may be big inside, you know, if you are small outside.

The young man who applies himself to internal growth, as it were, is bound in time to find a place where he will be able to use every power he possesses.

At any rate, better be a big man in a small place than the opposite. A pinch of powder in a small cartridge can make a deal of noise and drive a bullet a long way.

What can it do in a Krupp gun?—BURTON M. BALCH.

THE LAMP OF FAITH. Matthew Arnold once said that the duty and privilege of his life consisted in bearing forward the lamp of life for his father. So, I believe, you and I should take this lamp of faith that our fathers lighted, should fill it and quicken it and make it more glowing, and should not only press it faithfully to our breasts, that it may guide our individual feet in the devious paths of life, but we ought to come out with it and carry it into the dark corners of poverty and shame and sin and human need and suffering, so that it may become, indeed, not only a light to us, but a "light that lighteth every one cometh unto the world."—REV. PAUL REVERE FROTHINGTON.
