National Ticket.

For President, WILLIAM M'KINLEY, of Ohio. For Vice President, THEODORE ROOSEVELT, of New York.

Republican State Ticket.

For Auditor General, E. B. HARDENBERGH, of Wayne County. For Congressmen-at-Large, ROBERT H. FOEDERER, of Philadelphia. GALUSHA A. GROW, of Susquehanna County.

County Ticket.

For Congress, RUSSELL C. STEWART, of Easton. For Representative, WILLIAM ANGLE, of Milford. For Jury Commissioner, W. T. STRUBLE, of Milford.

A vote for Wm. Angle may insure great benefits to this county. Those who want a change for the better should remember this.

If there is any danger of the election of McKinley and Roosevelt it arises from our over confidence, and hence apathy, among Republicans. Let every one go and vote and see that his neighbor does likewise.

Democratic testimony convicts Matchler of being incompetent for Congress. It also proves that Stewart in point of character ability and fitness is preeminently the man for the position. Should he not then have your vote?

Railroad men will not forget that Hon. E. B. Hardenbergh, candidate for Auditor General, is one of their number and to remember him at the ballot box. He has always been mindful of their interests.

W. T. Struble, candidate for Jury Commissioner is deserving of the suffrages of men of all parties. He will make a careful and excellent officer. The office seems insignificant but it is one on which devolves the selection of proper men for jurors and that is a very important matter to every citizen.

The Philadelphia Times, heretofore an independent paper, and a firm advocate of the gold standard, has come out squarely for Bryan. Its excuse is that the imperialistic and anti expression questions overshadow the financial one, and it opposes the Republican policy in those two things and says there is no danger in the other even if Bryan is elected. Probably a stronger reason is that they wanted a corner and that seemed to be about the only vacant one in Philadelphia.

If the Democratic lambs of this county lie down with the congressional lion in this district they will be on the inside sure enough and will never have any more worry about pasture. No living Democrat in Pike will ever see the light of a congressional nomination shining on his path. They will always be pins set up to be bowled down by some other fellow. Monroe and Carbon have no love for Pike after the treatment they received, and Matchler is too selfish to require men who can be easily reached either with lure or promises. Democrats should show that they are units of independence and not an aggregation of males to be disposed of at so much the bunch.

CHURCH NOTES.

The Rev. Gilbert H. Winans, who gave us his services last Sabbath evening in one of the honored members of the Newark Conference. He began preaching at Hackensack in 1838 and has held some of the good appointments of this conference. He has been very successful in leading the untaught into christian life. We are glad to welcome him to our town and pulpit.

We are making extensive plans for evangelistic work. This has led us to ask what is a revival? Let every one answer this question. Let us examine our own hearts and see if we really desire a revival, and if we do then let us fulfill the conditions, and the desired results will follow, for the promises of God are sure.

As the time for election approaches there are many who are anxiously working to make their election sure. Are we as much interested in making our eternal calling and election sure? The election to any office is an uncertain thing, in this life, but all may be elected to eternal life and spend an endless existence not in the white house at Washington but in mansions of inexpressible glory.

Our second quarterly conference will be held Oct. 10th after the evening service. The Presiding Elder, Dr. Wright, will preach. A cordial invitation is extended to all. Come and receive the good things from our much loved Elder.

Let us call attention to the service for the "Old Folks" on Oct. 14. We hope to see a large number of those who are not old that a right royal welcome may be given to the aged. The evening service will be conducted by the Sabbath school as was announced last week.

DIVINE LIFE.

"The meaning of life, of its happiness and its sorrows, of its success and its disappointment, is this—that man must be fastened close to God; and live by the divine life, not his own; by the divine life made his own by the close binding together of the two by faith and love." This beautiful thought is from Phillips Brooks, the following from saintly Thomas A. Kempis: "In the morning fix thy good purpose; and at night examine thyself, what thou hast done, how thou hast behaved thyself in word and deed."

JOY OUT OF SORROW.

You will live to recognize the wisdom of God's choice for you. You will one day see that the thing you wanted was only second best. You will be surprised to remember that you once nearly broke your heart, and split the wine of your life, for what would have never satisfied you. You will meet again your beloved. You will have again your love. You will become possessed of a depth of character, a breadth of sympathy, a fund of patience, an ability to understand and help others, which, as you lay them at Christ's feet for Him to use, will make you glad you were afflicted.—Rev. F. B. Meyer.

Matchler is the regular Democratic nominee for congress in this district but that does not warrant men who have independence of spirit in voting for him. The method of his nomination, the act of Pike in being a party to the downfall of Carbon and Moore, the former of which was clearly entitled to the honor, should be resented and rebuked particularly when it is shown that one man profited by the deal to the detriment of the political interests of this whole country. Are the Democrats willing to give their heads for football to be played for the gain and pleasure of one person.

CONSUMPTION

Do not think for a single moment that consumption will ever strike you a sudden blow. It does not come that way.

It creeps its way along. First you think it is a little cold, nothing but a little hacking cough; then a little loss in weight; then a harder cough; then the fever and the night sweats. Better stop the disease while it is yet creeping. Better cure your cough today.

You can do it with Ayer's Cherry Pectoral. The pressure on the chest is lifted, that feeling of suffocation is removed, and you are cured. You can stop that little cold with a 25 cent bottle; harder coughs will need a 50 cent size; if it's on the lungs the one dollar size will be most economical.

I can honestly recommend Ayer's Cherry Pectoral to all my friends. I am using it now in my own family. Note the name on the wrapper: "Ayer's Cherry Pectoral, J. C. Ayer & Co., Lowell, Mass." Write the Doctor at any of the following addresses: Dr. J. C. Ayer & Co., Lowell, Mass.
