ONE TERMERS.

The Democratic precedent of allowing their members in this district but one term is a bad one, not only for the people but also the incumbents. In one term a member can hardly become acquainted with the routine of his duties, he has no influence with his fellow members, or with the departments, cannot become conversant with the methods of transacting business and is a mere ston.

DEMOCRATIC PREDICTIONS.

Contrast what Democrats said in former years of Lincoln and reflect what they are now saying of him and also of McKinley. It is the same old story, the same old predictions and accusations, with them. Does any reasonable man believe that Democrats are any nearer correct in their pessimistic views now than in former years.

restoring the Union, has so far as in its power, dissolved it. \* \* \* Under its repeated assaults the pillars of the government are rocking on their base, and should it succeed in November next and inaugurate its President we will meet as a subjected and conquered people amid ruins of liberty and the scattered fragments of the Constitution.—Democratic National Platform, 1872.

President Lincoln has shown by four years of usurpation and lawless and reckless misgovernment that no principle, no respect for law—that nothing in short but his fears would restrain him from any further desperate and lawless acts necessary to perpetuate his hold on power.—New York World, Oct. 27, 1864.

We believe that it is not in the power of this administration to save the Union, and that to place that administration in power for four years more would be dangerous to the liberties of the Union.—Gov. Seymour, at Philadelphia, Oct. 7, 1864.

The miserable principle of centralization, of imperialism, has been deeply implanted in the hearts of the men who are governing now. One by one they are destroying all the guarantees of personal rights. The people must protect themselves and their country or they will be swept into the maelstrom of centralization and arbitrary power with every vestige of liberty in this country.—Col. Price at New York, Oct. 10, 1864.

The people are profoundly convinced that Republican rule is the ruin of the country. They have had four years' trial of it, and find that it is bloodshed, bankruptcy, taxation, poverty and despotism.—New York World, October 15, 1864.

THE CHURCH COLUMN.

Methodist Episcopal Church. Rev. C. E. Scudder, Pastor. SUNDAY SERVICES. Class Meeting - 9.30. Preaching - 10.50. Sunday School - 11.45. Epworth League - 6.45. Preaching - 7.30. WEEK DAY SERVICES. Prayer Meeting Wed - 7.30. Class Meeting Fri - 7.30.

CHURCH NOTES.

The following are the prayer meeting topics for the next month. Oct. 24 How do I know I am a child of God? Oct. 31 How did I become a child of God? Nov. 7 What it means to me to be a child of God.

Nov. 14 What can I do to make some one else a child of God? The prayer service is the "spiritual thermometer of the church."

It is affected by the spiritual atmosphere of the church. A cold church means a dead prayer meeting. Let the spirit search all our hearts and see where we stand as children of God. Let us make sure of kinship with the son of God, that we may say with confidence Our Father.

Revival meeting will begin at Schoeppes Oct. 30 instead of Oct. 23 as announced last week. This change in our plan is to prevent a conflict with the teachers' institute.

As the cases come up for trial in our court at Milford this week they remind us of another trial when the records of the recording angel will be read. How will your case end? Will it be lost? If so remember, there will be no new trial, no pardon or changing of the decision of the judge of all the earth.

We call the attention of parents to our junior league work. See that the children come to the meeting, Friday afternoon, at 4 p. m. at the church. Too much emphasis can be placed on the training of children in the christian life. The church needs christians who know how to use their Bible; who know what is in it, both by command and entreaty, and who have learned the spirit of love that is back of both.

The Jersey city District Epworth League convention will be held at the First M. E. church of Bayonne, N. J., on Oct. 25th. The speakers are W. C. Kinsey, formerly of the Dingmans charge, and now stationed at Toftonville, Staten Island, and W. H. Morgan, of Central church, Newark, N. J. Both are strong men.

EFFECT OF MOVEMENT FAR-REACHING. If the present effort to secure recruits for personal soul-saving work shall be successful, its effect will be both far-reaching and far lasting. Practice in this work is sure to increase a taste for it.

Under the pretense of a military necessity as a war power higher than the Constitution, the Constitution itself has been disregarded in every part, and public liberty and private right alike trodden down and the material prosperity of the country essentially impaired.—Democratic National Platform, 1864.

There's nothing so bad for a cough as coughing. There's nothing so good for a cough as Ayer's Cherry Pectoral.

The 25 cent size is just right for an ordinary, everyday cold. The 50 cent size is better for the cough of bronchitis, croup, grip, and hoarseness. The dollar size is the best for chronic coughs, as in consumption, chronic bronchitis, asthma, etc.

if we had a more expectant faith, but the preaching as we go; the fire-side—wayside face-to-face contact with men opens doors of promising opportunity on every hand. To make such work stimulating and fruitful we must follow carefully matured plans. Not many months ago I attended an Epworth league rally in the city of Washington. Seated immediately in front of the platform was a silver-haired old man. I attribute my salvation instrumentally to a resolution formed by him in the vigor of his early manhood, to suffer no week to pass without inviting some new person to the mid-week prayer-meeting.

Opening of the Bicycle Racing Season. The bicycle racing season in the East will be opened at Vallburg, N. J., on May 13th, and, if weather encourage, a week earlier. The popular track will be again under its enterprising manager of last year, the licensee, Jay Eaton, having engaged Fred Voigt for the position and also in the capacity of his own personal manager in sprint and motor-paced matches here and on other tracks.

Tom Cooper and Earl Klier, last season's first and second men in the championship race, are in New York training on the road and at Berkeley Oval, pending negotiations for trade backing for their trip abroad. If arrangements cannot be concluded they will go to Louisville and begin practice for the early races until their possible later departure for the championship races at Paris in August and September.

Newhouse, Kimble, Maya and Stone are already at Louisville, and Fred Sims, Mertens, McEachern, Charley Turville and Bobbie Thompson are doing their preliminary work at Woodside Park, Philadelphia. McFarland, Stevens, Froeman and the Pacific slope contingent will leave for Louisville next week at the close of the Los Angeles races, stopping probably at Hot Springs to "bottle out" for a few days.

By the tenth of April most of the National circuit chasers will be at the Louisville training camp at Louisville.
