"When a child I burned my foot
frightfully," writes W. H. Eads of
Jonesville, Va., "which caused horri-
ble leg sores for 30 years, but Buck-
len's Arnica Salve wholly cured me
after everything else failed." Infal-
lible for Burns, Scalds, Cuts, Sores,
Bruises and Piles. Sold by all druggists
at 25c.

It is well to know that DeWitt's
witch hazel salve will heal a burn

cure eczema and skin diseases and
ugly wounds and sores. It is a cer-
tain cure for piles. Counterfeits
may be offered you. See that you

Feelings of safety pervade the
household that uses one minute
cough cure, the only harmless reme-
dy that produces immediate results.
It is infallible for coughs, colds,
croup and all throat and lung trou-
bles. It will prevent consumption.

The best method of cleansing the
liver is the use of the famous Little
pills known as DeWitt's little early
risers. Easy to take. Never gripe.

kill on a visit.

by the teachers here and school will

time ago on the Erie was discharged

visiting here returned home

The ladies of Hope church enter-
tained friends very nicely this week
providing a good supper and a fine
entertainment. It meets this Friday
evening.

St. Joseph church will entertain
Thursday Oct. 25, Home talent will
render an interesting program.

A Republican banner was unfurled
Tuesday evening. Music was
furnished by the Tri-States band
and the members paraded. Speeches
were made by several and the at-
tendance was large and enthusiastic.

Kate Harrison, of Homedale, has
been the guest of her aunt, Anna
May.

Miss V. White and sister, Gussie,
of Middletown, recently visited
friends here.

Mrs. William Hammond, of Jersey

SANDBYSTON.

I notice that the reunion of the
First New Jersey Cav. was held at
Frenton, N. J. on the 11 inst. and
the statement was made that out of
the 1000 men comprising this famous
fighting regiment only 125 survivors
could be found. Living. The state
records say that the Reg't from first
to last, had on its rolls 3317 men and
began its fighting record at Patrick
church, Va., Dec. 29 1861, and it is
claimed that the last fighting at
Lee's surrender was done by this
regiment, and took part in 97 en-
gagements. The writer served three
years in Company G, and can say
from personal experience that he
had all the fighting he cared for.
John D. A. Adams, of Middletown,
N. Y., was elected President, and
Charles F. Crossenire, of Newark,
N. J., Sec'y and Treas. of the first
N. J. Cav. Association.

A series of extra meetings will
commence in the Centerville church
next Sunday evening and continue
through the week.

Invitations are out for the mar-
riages of Miss Francis Wintermute,
of Layton, to Mr. Charles Walker,
of Newton. The marriage will be
held at the home of the bride on
Tuesday Oct. 23 at high noon. Miss
Wintermute is a highly esteemed
lady in this community, and if con-
gratulations are in order before the
event I wish the contracting parties
all the happiness imaginable.

The Port Jervis Fair is over and
gone and many attending it from
here are of the opinion, that it was
a big thing on paper but the reality
was disappointing. Try a horse
race that will do better.

Mr. Shay Vanness, of Newark, is
visiting friends and relatives for
a few days. He has a position on a
Newark trolley line.

The Belgian hare craze is slowly
dying out and yet there is a large
number raised in this town. In the
west and particularly in California
stringent laws have been enacted
prohibiting the owners from letting
them run at large, as they are par-
tial to the bark of the young trees.
The native wild rabbit is too atten-
tive to fruit trees here without in-
creasing their number by turning
the Belgian breed loose.

Election this fall will be held at
Hainesville instead of Peters Valley.
If I remember rightly it is the turn
to hold it at Peters Valley, but as
Landlord Hotelien will allow the
election free of expense to the town
while the other hotels put in a bill
for \$15 thus saving the town the sum
named. That is right Benjamin keep
it there.

The state Board of Agriculture
will hold its meetings in this town
on Nov. 27. I am assured by Sec'y
Dye of the state board, that promi-
nent speakers have been engaged for
this series of meetings and as it
is purely agricultural it is hoped
that all farmers and everybody else
will attend and take part in the dis-
cussions. Fuller details will be given
the week before the meeting.

It is proposed to hold the much
talked of friole for hauling gravel
on the road leading from Tattles
Corner to Layton on Thursday of
this week. This gravel makes excel-
lent roads and it is hoped that
enough will turn out to put it all the
way.

The rain of Sunday helped the fall
sowing of grain, but the streams are
as low as they were before. Our
mills are hampered for lack of water
with the exception of Mr. Koen. He
has plenty of water and is turning
out lots of panocle timber and John
is a dandy at that.

PAUPAC.

The fine weather has enabled
farmers in general to push through
their fall work. In this section the
crops are mostly housed and now
corn husking and cider making are
in order.

Mrs. B. F. Killam who has been
very ill for the past few weeks left
Tuesday morning for the sanitarium
at Danville, N. Y., at which place
she will undergo a course of treat-
ment.

Miss Helen Seaman, of Hawley
has been spending several days with
old friends in Paupac.

Mrs. James Williams, of Taunton,
Mass. and Mrs. Krouski and
daughter, Emma, of New York,
were the guests of C. E. Williams
and family the past week.

Mr. and Mrs. E. L. Guest are very
happy over the advent of a new son
and heir.

Mrs. Clay Clark is visiting her
husbands parents, N. H. Clark and
wife.

Henry Clark has been confined to
the house for some days, and his
family have been very solicitous
concerning his state of health. We
hope he will soon recover his usual
health and, that he will for many
years continue to enjoy this world's
goods.

The small boy is employed in
running his annual race to the nut
trees, hoping to add to his store of
nuts and in the long run outwit the
squirrels and "chipmunks."

DEPATO.

Blood.

We live by our blood, and on
it. We thrive or starve, as
our blood is rich or poor.

There is nothing else to live
on or by.

When strength is full and
spirits high, we are being re-
freshed, bone muscle and brain,
in body and mind, with con-
tinual flow of rich blood.

This is health.

When weak, in low spirits,
no cheer, no spring, when rest
is not rest and sleep is not
sleep, we are starved; our blood
is poor; there is little nutri-
ment in it.

Back of the blood, is food,
to keep the blood rich. When
it fails, take Scott's Emulsion
of Cod Liver Oil. It sets the
whole body going again—man
woman and child.

If you have not tried it, send for free sample.
Its agreeable taste will surprise you.

REPUBLICAN MEETINGS.

A splendid audience greeted the
speakers last evening at the Cent
House. The meeting was called to
order by D. H. B. Real. The first
man, J. H. Van Etten presided and
W. A. H. Mitchell and Lewis K. F.
were secretaries. The first band
was present and also several of silent
music.

The speakers were Aaron Gil-
smith, Russell C. Stewart, Esq.,
candidate for Congress, and ex-Cong-
ressman W. H. Kirkpatrick, who
ably discussed the situation in this
district showing by what methods
the Democratic nomination was
made which surprised the audi-
ence on that ticket that he has not
yet recovered his voice. The "par-
amount" issues were discussed and
the fallacy of the imperialistic cry
was fully exposed. Mr. Stewart
clearly defined his position in a
manner which must appeal to the
good sense and judgment of all who
heard him. Judge Kirkpatrick ably
presented the conditions arising
from the Spanish war and demon-
strated our duty to uphold the flag
in the Philippines and to advance
the cause of civilization and human-
ity. He showed that Mr. Bryan
and the Democratic party had urged
on this war, that the treaty with
Spain was ratified by his influence
and Democratic votes and that Presi-
dent McKinley was only doing what
they declared was their purpose that
of giving the Philippines a stable
government.

Meetings will be held at Lack-
waxon this evening and at Matamoras
to-morrow evening. The
outlook in the district is bright in-
deed and all signs point to glori-
ous Republican victory.

No other pills can equal DeWitt's
little early risers for promptness,
certainty and efficiency.
