The Republicans made a good fight in this county. The odds were heavily against them but they held their own in the facelof a largely increased vote. The Democrats exertthe result shows it.

READ GOOD BOOKS.

The long winter evenings are approaching when there will be considerable leisure time which may be very profitably improved by reading. Especially should the young people occupy their time in this manner. It may be somewhat irksome at the beginning to sit down and spend the evening in this quiet way but with good books and the other man lies at death's door, with newspapers the hours will quickly small chance of life. How Gentle Annie Was Driven to Tears by a Kind Mistress.

We telephoned to the intelligence office for a cook. As Annie was the only name given on her card from the office, we inquired her surname.
"Annie," I said, "what is the rest of your name?"

"That is it," was the reply.
"Yes," I continued, "I know your name is Annie, but Annie what?"
"That is it," I tell you, missus," she sald, with a broad smile.

"You have two names, surely," I insisted, "a first name and a second name. Now, what is your second name?"

"Oh, missus," she exclaimed, with some impatience, "I tell you that is it." With rising displeasure, thinking

she was triffing, I said: "Your name is Annie what?" "Oh," she cried, enthusiastically, "I am so glad you know! I think you will never know. Yes: that is it."

For a while I sat in silent despair, "Annie," I asked, very mildly,
