SANDYSTON.

The recent Teachers' Institute was one of the most successful held in many years. The speakers were experts in their respective lines of work. The teachers were usually prompt in their attendance, and everything seemed to 'go' in harmony all through.

It is with pleasure that I note there is so little sickness in this locality. Beyond the usual bad colds I might say there is no illness to speak of.

I am surprised that the correspondent from Dingmans does not say anything about the Farmers' Institute to be held there on Saturday, Dec. 22. These meetings must result in great good and to show their appreciation of them the Jersey farmers will show up strong. Now let the Pike county hayseeds do the same.

The revival meetings at Hainesville are still in progress, but so far without results. Can it be that Hainesville and Layton are so good that none need to become members of the church? The results so far would indicate the assumption.

The holiday season is at hand. A shoot will be held at landlord Hotel on the 21. A Christmas entertainment in the church at Layton on the evening of the 24, and a shoot will be held by landlord Montross on the 28, comprises about all the doings in this vicinity. Of course there will be private "hosting matches" but they are common occurrences and I do not count them among the holiday doings, but in reality they are worse than the big shoots on account of boys attending and taking an active part.

Since the completion of the new iron bridge across the Delaware at Dingmans the travel from Pike has perceptibly increased. If the road from the bridge to Layton be improved in grade would give a greater stimulus to travel from that section.

Sunday was a bitter cold day, but when our thermometer on Monday morning showed three degrees below zero I made up my mind that winter had really commenced. The little water in the streams was frozen almost solid.

Collector Fuller is making his annual tour of the town to collect the funds necessary to carry on our town and county government. It is a blessed thing that he only comes once.

MATAMORAS.

Hope church entertainment for the Sunday school children takes place Monday evening, Dec. 24. A large Christmas tree will be provided loaded with beautiful presents for them. Mesdames Martin Fisher, W. Spield and Ed. Lord will have the affair.

The L. C. U. society held a five cent tea Thursday afternoon at the home of Mrs. A. C. Brink which was well attended. A business meeting proceeded.

Epworth church will hold Christmas exercises both Sunday and Monday evenings. Mrs. S. A. Johnson has charge of the songs and Mrs. Wickham, Mrs. Nills and Miss Nellie Westfall of the recitations.

The prayer meetings at Epworth church during the past week have been well attended.

Walter Nerrpass will change his residence to the house formerly occupied by the Shaw family on Cookson street.

The Y. P. C. E. of Hope church give an entertainment in connection with the fair at Prescotts Hall Thursday evening. A fine supper was served.

Charles Ball has purchased the Spield property of Mr. Miller and will take immediate possession.

Charles Cook will move from Penn Ave to Main street this week.

S. Kratter and wife, of Owego, who have been visiting here some time, returned home last Saturday.

The Misses Sadie Bloker and Kate Kitcham, who have been visiting in Brooklyn, are home again.

J. O. Ryder and wife spent Sunday with Milford friends.

The High School will close Friday to re-open Jan. 3, 1901.

The prayer meetings at Epworth church have been suspended until after the holidays and will re-open with a watch meeting New Years eve.

Mrs. Raymond Crawford and her sister, Mrs. Enos Brink, of Montague, N. J., left Monday to attend the funeral of their sister, Mrs. Mary A. Merritt, which took place at Arden, N. J.

DOWN THE COUNTY.

The ponds are frozen over and some fishing is being done, with varied success.

The tie-making jobs in Lehman and Delaware are giving employment to several men at present.

Mrs. Hannah Arnet, widow of the late Samuel Arnet, of Bushkill, will sell the personal property of the deceased on the 27th inst.

Miss Corn Heller, who was taken ill a few days ago, is slowly convalescing. Miss Heller is a trained nurse by profession, and is a daughter of the late Charles L. Heller, of Bushkill.

The scarcity of water which was so universal in this part of the State during all the Autumn, was hard on the millers as well as others, as it prevailed when the season for grinding buckwheat was at hand, and orders could not be filled, thus entailing a very considerable loss to all concerned.

The latter part of last week was certainly a good beginning of winter, and had there been snow on the ground there could have been no saying we didn't have any of the fashionable weather any more.

William Townsend, contractor, is rapidly completing the new schoolhouse at "Barren Timber," one and a half miles above Bushkill and it will without doubt be ready for occupancy before New Years. Although small it will be a neat and comfortable building.

Orin Wallace a lifelong citizen of Lehman, is lying very sick at the home of his sister, Mrs. Heller, in Bushkill village.

Mr. William Turn and another gentleman from this place have established a singing school at Maple Grove. Both leaders are exceptionally good vocalists and will make the school a genuine success.

The children "on the hill" are practicing for a Christmas entertainment at the Highland Mission Chapel. The sabbath school at that place is well conducted and is well attended.

Revival services are being held at Pine Ridge church at present by Rev. F. Sloat.

Although a little early the Spring exercises are being talked of, and a few who are thinking of being candidates are speaking to their friends we understand, in regard to the matter. W. H. L.

At a meeting of the promoters of the driving track project Tuesday evening the matter was found to be progressing very satisfactorily. Additional subscriptions were received and only five shares remain unsubscribed for. The committee on grounds reported a suitable location near Metz Brothers Hotel, over in Dingman township, and it is understood that Messrs. Stuebendorff and Metz are favorably disposed toward leasing the proper quantity for track purposes.

That Cough Hangs On

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce la grippe, pneumonia or a serious throat affection. You need something that will give you strength and build up the body.

SCOTT'S EMULSION

will do this when everything else fails. There is no doubt about it. It nourishes, strengthens, builds up and makes the body strong and healthy, not only to throw off this hard cough, but to fortify the system against further attacks. If you are run down or emaciated this should certainly take this nourishing food medicine.

This lecture is up-to-date and is full of the newest and freshest wit, humor and philosophy.

The tickets admit bearer or wife, his own wife, and in case of accident to the lecturer, or if he should die or be hung before the evening of the disturbance, the ticket will admit the bearer to a front seat at the funeral, where he can sit and enjoy himself the same as at the lecture. A six dollar chromo is distributed to all who remain to the end of the lecture and parties of six who sit the lecture out will be given a House and Lot.
