Look for the Warning.

Heart disease kills suddenly, but never without warning. The warn-ings may be faint and brief, or may be startling and extend ever many years, but they are none the less certain and positive. Too often the victim is deceived by the thought, "It will pass away." Alas, to never passes away voluntarily. Once he-stalled, heart disease never gots bat ter of itself. If Dr. Mises' Hearts Cure is used in the early stages re-covery is absolutely certain in every

Cure is used in the early stagus re-case where its use is persisted in. "For many years I was a great sub-ferer from heart disease before I insily found relief. I was aubiest to fainting and sinking spella furt-ness about the heart, and was to able to tatend to my household duties. I tried nearly every roundy that was recommended to me and contored with the leading physicians of this section but obtained us help until I began taking Dr. Miles' Heart Cure.
