MILFORD, PIKE COUNTY, PA., FRIDAY, JANUARY 25, 1901.

NO. 11.

THE WASHINGTON LETTER.

(From Our Regular Correspondent.)

WARRINGTON, D. C., JAN. 11, 1901. wrestle with the gripe.

never been any doubt that the bill tomorrow, Saturday, at 2 o'clock. would become a law; all the arrange ments have been made in advance, us far as possible.

The action of the Republican Senatorial caucus in deciding not to take the L. C. U. society, of Hope church, up the Nicaragua Cauat bill until the Tuesday evening, was a floancial British government had signified its and social success. The supper was intentions concerning the amended like our grand mothers got in "ye worth. Hay-Pauncefole treaty, is regarded olden times " and was largely atas a delicate hint to the British gov. tended, "he proceeds were \$25.50. there are no features of the bill cal- man, 2nd Mrs. Chas. Quick, Secre

Senator Hanna who has a very cred- Miss Jennie Stark, who has been ltable war record, although he never visiting at White Valley, is home, mentions it in talking, and has not included it in hisbiography in the Congressional Directory, has been persuaded by Gen. Rassieur, Commander in Chief of the G. A. R., who has been in Washington lending his aid to the Pension Committee of that organization, to promise that he would become a member of the G. A. R.

Secretary Hitchcock is a strong advocate of Congressional legislation for the irrigation of the arid lands of the age, capable of supporting a popu- evening. lation of fifty million people, should not be allowed to remain a desert. her home. In support of his argument he cited the class of Egypt, which has in recent supply, which has in recent supply the class of Egypt, which has in recent supp general system of irrigation.

against the Army Reorganization Wilkin. bill-Wellington, and is not considered a Republican by his colleagues-Laurin, Morgan and Sullivan-voted Mrs. M. Leicht.

Senator Perkins seldom loses an home. opportunity to back up his arguments to the Philippines: "When Alaska friends. was a prohibition territory, everybody was engaged in smuggling. On every ship that went up to Alasha, the firemen, engineers, waiters and sallors tried in every way to smuggle one tried in every way to smuggle. She was born here six years ago the vessel, and among the goods saved were thirty barrels that formerly contained sugar. In tweive of the barrels there were five gallon kegs of sugar. The sugar had melied, but home of G. Y. Crone Thursday, Jan., not take place until the weather is correction. the whiskey was still there."

Finance Committee, disposed of all will come and with very liberal inthe idle talk about the revenue re- clinations. committee, when he said that the hill is visiting her parents this week. would positively be reported to the Miss Mabel Van Eiten spent Son-Senate in a few days, probably this may with her friend, Kare Tilman.

Senator Proctor, Chairman of the Titman spent a couple of days re-dare of this list. committee of Agriculture, says the cently with Lehman friends. S. O. Oleomargarine bill will be reported to the Senate this week, and that he will Inslet apon getting a vote upon

will be no trouble in getting as many secretise among the natives as it may be deemed advisable to enlist. The number is not likely to reach half of those authorized, for a while at least.

Dawlitt's little early risers are Will go to the house or do the work work. If overcomes Constitution, improves Appetities, gives perfect bealth. Only 50c at all drug stores.
