### MATAMORAS.

Tom F. A. Kessler, who has been quite ill with grip, is now improving. Mrs. Crine and sister, Mrs. Bunnell, gave a five o'clock tea last Thursday at their home.

Mr. Myers, who purchased the store of G. H. Langhin, has recovered from an attack of grip and is able to attend to business again.

Mrs. Webb W. Corright is ill with pneumonia.

Mr. Olyphant spoke at Hope church Sunday morning, his subject being the Y. M. C. A. and Mr. Nesson Jones addressed the members of Epworth church the same morning on the same topic. Both efforts greatly pleased the audience.

Mrs. C. E. O'Neil, of Middletown, visited friends here Sunday.

Matt Curtis and wife extend sincere thanks to their many friends who rendered efficient aid on the occasion of the burning of their house last Thursday evening.

The L. C. U. of Hope church met this week at the home of Martin Fisher and H. L. Corright.

The L. A. S. of Epworth church met Wednesday at the home of Mrs. Lillian Lort.

Thursday evening, Jan. 31, the residence of Matt. Curtis caught fire during a high wind and was burned with nearly all its contents. He is now occupying a house opposite the school building. About five months ago Mrs. Curtis fell and broke her ankle and is yet unable to walk. The whole community sympathizes in this double affliction.

Harry Lilly has removed his family to Tri-States, N. Y., where his business is.

Mrs. Warner L. Erb, of Equibank, after a visit with her son here, has returned home.

The Misses Emma and Cora Billman have gone for a visit in New York and Paterson.

The proverbial social held last Tuesday evening at the home of Alfred Billman was a pleasant affair. Misses Hill and Quirk and Messrs. Halsted and Woley won the prizes.

One pupil in advanced English, 31 in spelling, 2 in history, 4 in geography and 4 in arithmetic from the High School here successfully passed Regents examinations.

### BLOOMING GROVE.

Mr. Euron: In your issue of the 25 ult. I notice your correspondent from Dingmans Ferry seems to feel quite sorry for the Blooming Grove Park Association. He appears to think that because they pay their taxes and employ native labor they are entitled to special privileges. So far as taxes are concerned they don't pay any more than other people do in proportion to the property they own and when they had their land on the seated assessment valued at \$1.00 acre they did not pay quite as much. I wish to remind you correspondent that the residents of Blooming Grove are not loafers, nor do they uphold or encourage trespassing, still when one of our boys is caught on the Park grounds he should have a just trial under the same Act of Assembly that a member of the club would be tried by for a similar offense. They build largely on their charter but at the same time seem to forget that there are other laws in Pennsylvania that gentlemen are bound to respect. If Caesar will spend one summer in Blooming Grove and make himself acquainted with the surroundings, and facts connected with the case he will be better able to tell the public who the loafers and who the gentleman are.

LOAFER.  
Brought Good Fortune. A small item in his own paper lately brought amazing good fortune Editor Chris. Reiter, of the Saginaw (Mich.) Post and Zeitung. He and his family had the Grip in its worst form. Their doctor did them no good. Then he read that Dr. King's New Discovery for Consumption, Coughs and Colds was a guaranteed cure for La Grippe and all throat and Lung troubles; tried it and says "Three bottles cured the whole family. No other medicine on earth equals it." Only 50c and \$1. at all drug stores. Trial bottles free.

Many persons have had the experience of Mr. Peter Sherman, of North Stratford, N. H., who says, "for I suffered torture from chronic indigestion but Kodol dyspepsia cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst cases, and can't help but do you good.

When you need a soothing and healing antiseptic application for any purpose, use the original DeWitt's witch hazel salve, a well known cure for piles and skin diseases. It heals sores without leaving a scar. Beware of counterfeits.

Unclaimed Letters. Last of unclaimed letters remaining in the post office at Milford for week ending Feb. 9, 1901. Ladies—Mrs. Florence Hunt. Gentlemen—Jno. A. Shaffer. Persons claiming the above will please say "Advertised" and give date of this list. CHARLES LATIMORE, P. M.

A Deep Mystery. It is a mystery why women endure Backache, Headache, Nervousness, Sleeplessness, Melancholy, Fainting, Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney troubles," writes Mrs. Phoebe Chesler, of Paterson, Ia., "and a home doctor named me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at all drug stores.

### SANDBYSTON.

So the Rambler thinks I should put in a bid for carrying the U.S. mail, and worst of all to carry it on foot. Why my dear Rambler my 130 pounds of avoirdupois would not stand the strain. I am pretty good on my pins, when not carrying a load but when I carry a load of mail I want living wages not a job where no gets nothing for pay and board yourself, aixey.

Your Dingman writes evidently thinks I am the chicken man. I gave a few of the Plymouth Rock variety and alternate the feed with corn and wheat with warm silt feed at noon. Give your fowls crushed oyster shells and a warm roosting place and your hens will attend to business.

Some of our Sandyston young folks attended a dance at the residence of Jacob Ayers in Upper Montague on Thursday evening, and if getting home at daylight is any criterion of a good time they must have had it. The attendance was good and the music first class, and the young folks are listening for the next invitation.

Pennsylvania has thirteen State Normal schools while New Jersey has but one located at Trenton. Newark is shooting to have one located at that place and it would be more convenient for those wishing to attend the school from the northern part of the state to have one at Newark and it looks now as if they will get it.

Mrs. Jane Hotalen, of Hainesville, died at her home in that hamlet on Monday morning after a brief illness aged 78 years. She leaves 3 children, Manning, of Hainesville, John, of Newton, and Wilson C. Gunn, of Hainesville.

Mrs. Sarah Dohne, also of Hainesville, died on Friday at the residence of her son, aged 76 years. She is survived by four children, Herbert and Ashland, of Knoxville, Tenn., and Washington and Gertrude Smith residing at Hainesville.

George Drake a resident of this town died at the Alms House a few days ago.

The Rev. Mr. Lake, of Newton, preached on Sunday last in the churches of the Hainesville charge.

Pennsylvania has I think 13 Normal schools while little Jersey has only one located at Trenton, and that is full to overflowing. Newark is trying to have one located at that place and should they succeed it would be a great convenience to those attending the school from the northern part of the state as many could board at home.

The lanes at Jacob Ayers in upper Montague last week was the best so far as a good time is concerned that has been held yet. The music was particularly good, the cake of the best, and the order was equal to that of the "400" when sojourning at the Waldorf Astoria.

As the years roll by our schools grow smaller and our Board of Ed. should do something in the line of consolidation. It would be better for the schools and financially better for the township. The two schools along the river have from 4 to 10 daily attendance and if the two schools were put together would make one small sized school, at one half the present cost for maintaining the two. What say you Mr. Board. Cannot some influential party persuade the Port Jervis merchants that a trolley road down this way would control the entire trade of this valley, besides many of our citizens assure me that they will take stock to help the matter along. It is worthy of consideration by the Port Jervis people.

Settlers Tickets to the West. On all through trains on Saturday and Sunday, and for trains No. 3 and No. 5, Monday, February 9th, 10th and 11th, and every Saturday, Sunday and Monday on same trains as above until April 28th, 1901, the Erie will sell Special Second Class Settlers Tickets to points in British Columbia, Colorado, Idaho, Manitoba, Minnesota, Montana, North Dakota, Oregon, Utah, Washington, and Wyoming, from Port Jervis, N. Y., at very low rates of fare. For routes and rates please call or address Erie ticket office, Port Jervis, N. Y.

When the stomach is tired it must have a rest, but we can't live without food. Kodol dyspepsia cure "digests what you eat" so that you can eat all the good food you want while it is restoring the digestive organs to health. It is the only preparation that digests all kinds of food.

### OBITUARY.

#### NICHOLAS GERHARDT.

Nicholas Gerhardt, a well known resident of Matamoras, died suddenly at the home of his daughter, Mrs. Martin Leicht, on Pennsylvania Avenue, in that village, at 11:30 o'clock last Sunday evening of grip and paralysis of the heart. His age was sixty years, two months and eight days.

He was born in Bavaria, Germany, Nov. 26, 1833, being the son of Jacob and Agnes Gerhardt. At the age of thirteen he entered a machine shop and learned the machinist's trade. For three years he served in the German army, and participated in the Franco-Prussian War. On October 25, 1874, the deceased was united in marriage to Lena Shaffer of his native town, and in 1878 they came to America, landing at New York the seventeenth of March of that year. Mr. Gerhardt came directly to Narrowsburgh and opened a blacksmith shop, but a year and a half later entered into the employ of the Erie. Six months afterwards he began a two year's service in a stone quarry near Narrowsburgh, and then moved to Port Jervis and secured work in the Erie machine shops. In 1895 he opened a hotel in Matamoras, but for the past few months had been making his home in Richmond Hill, Long Island, and was visiting his daughter at the time of his death.

Mr. Gerhardt was a whole-hearted, conscientious gentleman, ambitious and industrious and had many warm friends. He was a member of St. Joseph's church, Matamoras, St. Joseph's Society, of Port Jervis, and the Port Jervis Maennerchor. He leaves his wife, five children, Fred, of Matamoras; Agnes, wife of Martin Leicht, of the same place; and Lena, Herman and Emma at home; three brothers, Fritz, of Bavaria, Germany; Jacob and Philip, of Narrowsburgh; and three sisters, Elizabeth, wife of Jacob Bortz, of the latter village; Agnes, wife of James Cooper, Phillips, wife of Jacob Feuk, of Germany. The funeral was held Wednesday.

MRS. SARAH BROWN. Mrs. Brown, widow of the late William Brown, died at the home of her adopted daughter, Mrs. Henry Canine, in Dingman township, Wednesday evening Feb. 6th, of gastritis and heart disease. She was born in Northamptonshire, England, Dec. 15, 1820, married in 1846 and the following year came with her husband to New York. After residing about two years in Pond Eddy in 1849 they located on a farm at Raymondskill, where her husband died, and which was her home until 1899 when she came to live with her adopted daughter.

She was a kind, pleasant woman, amiable in disposition and a good neighbor. Her brothers and sisters are all deceased and her nearest relatives in this county are a nephew, John Percival, of Matamoras, and some nieces and nephews in the west. The funeral will be held to-morrow, Saturday, at 2 p. m.

Only a Loan. State Treasurer James E. Barnett has sent a circular letter to each of the school districts of the State, in which he says the statement that he has been paying the school fund on the basis of \$5,500,000 per annum is a misleading one.

"All payments made," he says, "have simply been advances upon their (the districts') shares of the total appropriation, which are charged against them upon the amount they are to receive next year. Any district that receives an advance now only lessens the amount that it will receive next year. I have said that if any district was in immediate and pressing need of money I would be glad to make an advance."

Settlers Tickets to the West. On all through trains on Saturday and Sunday, and for trains No. 3 and No. 5, Monday, February 9th, 10th and 11th, and every Saturday, Sunday and Monday on same trains as above until April 28th, 1901, the Erie will sell Special Second Class Settlers Tickets to points in British Columbia, Colorado, Idaho, Manitoba, Minnesota, Montana, North Dakota, Oregon, Utah, Washington, and Wyoming, from Port Jervis, N. Y., at very low rates of fare. For routes and rates please call or address Erie ticket office, Port Jervis, N. Y.
