CORRESPONDENCE.

SANDYSTON.

The piece of road leading from the
 Layton school ground to the village
 has been put in passable condition by
 covering the wagon track with dirt.
 As corn planting is about done the
 carting of gravel will begin and if
 finished as intended will equal anything
 on the Pike county side of the
 river.

The entire set of buildings of Dr.
 Hughes is being repainted and when
 the job is completed he will have the
 neatest residence and surroundings of
 any in this town. There are many
 homes that a few coats of paint would
 render handsome, to say nothing
 about the preserving qualities of the
 paint.

The loud baying of a hound running
 through the woods in pursuit of
 game a few days ago brought to mind
 the fact that the law forbids the
 running at large of hound dogs and the
 penalty is enough to purchase all
 necessary rope for tying up the dog.
 It is safe to say that many owners of
 hounds will not permit hunting of any
 game hereafter for the reason that
 some of our hunters went over their
 lands before the law was of last year.

I am glad to announce that Warren
 H. Van Sickle is steadily improving
 and will soon be out if his improvement
 continues. He is in charge of a
 trained nurse yet.

Shad fishing is said to be very good
 at the Dupre fishery although most
 of the fish caught are what are called
 "pink eyes." These are small shad
 not worth carrying home, and it is
 said if left for a few minutes out of
 water they die or if handled the same
 effect results. Why not tumble them
 back into the river at once and the
 crop of fish for next year will be
 increased.

Last year it was said that it would
 require a year's rain to raise Culyers
 lake to its normal height. From
 observation on Saturday I am inclined
 to think it is nearly if not quite back
 to its old mark and if the public are
 to be shut out from fishing in it that
 the next drought will dry the pond
 up entirely.

It is with sadness that I announce
 the death of Ella, wife of Joseph
 Johnson, of Bevans. She was taken
 sick on Thursday last with appendicitis,
 but it was found that the disease
 had progressed so far that an operation
 would be of no use and death ensued
 on Monday evening. She was loved
 by all who knew her, and being
 but recently married the prospects of
 life were bright. The sympathies of
 all go out to the bereaved husband in
 this hour of sorrow and grief.

Rain, rain. Will there ever be a
 let up long enough for the farmer to
 plant his corn? Some are not done
 with their plowing while others are
 ready to plant, but the ground is
 too wet. Seed time and harvest shall
 not fall, the Good Book says, so hold
 on a day or two and the time will
 come.

It is about time that somebody
 gets a move on, and move the loose
 stone from our roads. The law
 requires that they be thrown out once
 a month during the summer season,
 yet on some of our roads the law is
 being ignored until some one wakes
 up to the fact that there is a little
 money in the job.

Several townships have already
 employed their teachers for the coming
 year and it is no more than fair
 to those wishing schools in this town
 that our Board of Education has a
 meeting soon for that purpose. This
 will give our teachers a chance even
 with those of other township.

Several of our youthful anglers
 have been trying their luck in the
 Delaware, but so far with little or
 no success. Fishing for trout gives
 about the same results. The season
 for bass fishing will soon be here, for
 those gamey fish do not bite until the
 law says they may; at least those
 fishing in the river say they don't catch
 any, and that settles it.

I would be glad to know the location
 of any Sussex people residing
 along the line from Norfolk, Va., to
 Tampa, Fla., as on my trip between
 those points and stopping at any station
 at will I would be pleased to call
 upon them. I start on June 10th.
 My address is Box 22, Layton, N. J.

Seven Years in Bed.

"Will wonders ever cease?" inquire
 the friends of Mrs. L. Pease, of
 Lawrence, Kan. They knew she had
 been unable to leave her bed in seven
 years on account of kidney and liver
 trouble, nervous prostration and general
 debility; but, "Three bottles of
 Electric Bitters enabled me to walk," she
 writes, "and in three months I
 felt like a new person." Women suffering
 from Headache, Backache, Nervousness,
 Sleeplessness, Melancholy, Fainting and
 Dizziness will find it a precious blessing.
