Would set any other child wild. All my fracks are quite fetching and smart, but great rage file my poor little heart. When I focustly stand with a purse in my hand in a puss quite approved by Delaurts.

An umbrella i have, though 'its plain There is not the least chance of a tain, For my shoes and my but are not fitted for that; My hair would be carled all in vain.

Little girls must all hate ms, i fear, Fur on Hundays and alternoons clear They are Greesed just like me for the public to see And their comments are caustic I bear. How I wigh I could wear an old dress Made of gingham and then I jurt games I would make some mud ples that would open your eyes, Though my pose might not be a success. --Minna Howison Coals, in Little Chrom-tels.

AFFLICTED WITH THE FARM CRAZE

MATEUR farming is a disease which is most prevalent among e who have lived for some years flat buildings. It is especially virulent in the spring and summer, usually wholly disappearing during the winter months. In the first stages abject to strange, though harmless, usions and halloginations. He of Chicago."

covered with vines and climbing roses and the air is full of the perfume from the hay fields. Back of the bound is a bit imaginary horse cats non-existent oats and a deer-like Jersey cow chewa a phantum end. It would be dangerous to refuse per phantom cud.

sweeps down to the road in billows, running, waving their bushy talls and chattering defiance to even imaginary invaders In the secondary stages of the dis-

case the illusions become more alarm-The patient sees people driving up to the house and offering large sums for the yellow-legged spring chickens which have suddenly appeared in large quantities in the fore-The Jersey cow comes forward and modestly presents ten pounds of golden yellow butter, tastefully done up in a nuplin and stamped with her cost of arms, for the possession of which the assembled multitude quarrel furiously, each of them raising his neighbor's bid. From the barnyard appears a procession of hens, each bearing a freshhaid egg, with the date of its arrival written on it in indelible pencil. At this point the multitude falls down on its knees and each of the number offers all his earthly possessions for a dozen. Gradually these visions fade
