CORRESPONDENCE.

SANDYSTON.

A day or two ago it was my good
fortune to pass through the Brick
House in Montague. Of course I
stopped to see my old friend Wieland,
proprietor of the hotel at that place.
He has a pet bear and it is as playful
as any kitten and as harmless. It is
a fine specimen of that animal and if
you want to wrestle, Bruin is ready
for business and seems to dearly love
to rough it with any one.

A party consisting of three young
men from Hainesville took in the
dance at Raymondskill one evening
last week. On their way home they
came in collision with a Port Jervis
party, and the result was a badly-
wrecked wagon and a broken collar
bone for one of the young men and
several pretty bad scratches for the
other two.

Mrs. Ann Ryerson, widow of Rich-
ard Ryerson, late private Co. I, 15th
N. J. Infantry, has just received her
notification of allowance of pension of
\$8 per month, and about \$80 re-
covered pension. This pension is a
very deserving one.

Mr. Edward Shupe received a letter
a day or two ago from Cole Shay,
his nephew, dated LaGuaira, Venez-
uela, in which Cole states that he is
in the enjoyment of good health and
having a good time. He is aboard the
ship Mayflower of the navy. The
many friends of Cole will be glad
to hear of his whereabouts, as he was
formerly a resident of Sandyston.

The "Roe" fish law seems to be
the subject of discussion in our county
press and is much talked about every-
where. If this law is kept before the
public until the election takes place,
it is pretty certain that the voter will
know just what he is voting for, and
if it fails the people only have them-
selves to blame for the failure.

Specimen post office boxes are now
on exhibition at the Layton post office
and parties can be supplied by the
department and at moderate cost.
The square box is the one preferred
and as they are made of heavy sheet
metal will last a life time. They will
be a great convenience to those
living at a distance from the office,
as well as to the carrier.

It was the pleasure of the writer to
meet Mr. Jacob Decker, a former
resident of Walpack, but who moved
to Minnesota in 1856. Mr. Decker
and wife are visiting friends and re-
latives in New Jersey and the east
and his description of the west and
methods of farming pursued there are
very interesting. He located near
where the city of Austin is situated,
and possesses the advantages of rail-
roads and telephone and are ahead
of us in many things.

Hay and harvest is in full swing
and if the weather stays fair during
this week the greater part of the
harvest will be taken care of.

The picnic of the Farmers', Me-
chanics' and Tradesmen's association
will be held on Aug. 24th and the
sale of privileges takes place on the
19th on their grounds at the Burtis
place.

Once in a while a family changes
their name or the pronunciation of it
and now Deckertown, this county,
has grown tired of its name and
wants to be called Sussex. It has
been known so long by the name of
Deckertown that the name should
remain just as it is.

It is rather singular that a party
not possessing whiskey can sell it,
people get intoxicated on it and yet
the seller own no whiskey and after
selling it dare not risk taking pay for
it. Funny, isn't it.

SUMMER BOARDERS SECURED.

How Judicious and Inexpensive Ad-
vertisements Can Be Made to
Pay by Using a Selected
Medium.

The Brooklyn Daily Eagle is the
ideal resort medium. It reaches the
people you want to reach. Its cir-
culation is the largest in Brooklyn,
and goes into the best homes in the
entire City of New York. Its name
stands for excellence, quality, fair-
ness and an unparalleled advertising
reputation. Its resort rates are
equitable; its monthly rate so low
that you can afford to keep before
the public every day.

The Eagle maintains two free In-
formation Bureaus for Resorts—one
in Brooklyn and one in the heart of
the shopping district of Manhattan.
They distribute your circulars, tell
visitors about your house, and in
every way further your interests.
An advertisement in the Eagle, sup-
plemented by the free service of its
bureaus, is almost a sure invest-
ment.

Upon application listing blanks,
rate cards and further details will
be sent.

DINGMAN'S FERRY.

Mrs. Gilmore and daughter Carrie
are again domiciled at their summer
residence at Centre.

Mrs. Frazer is occupying her cot-
tage for the summer.

Mrs. Ryder has removed her fam-
ily to the Donaldson cottage on Sil-
ver Lake.

Ran Cortright came to town the
other day with his arm badly swollen,
the result of a fall while work-
ing on the road.

Worms and red ants are playing
havoc with corn fields this season.
Will Hornbeck complains that one
of his fields has been entirely de-
stroyed. Salt and slaked lime, a
tablespoonful of each at a hill, is an
effective remedy.

John Hood, our supervisor, who
was persecuted last spring for tum-
bling the ditches in the road and
making them impassable for the
time being, now that they are dried
out, is being highly praised. There
are gutters now to carry off the
water when formerly it remained in
the ruts. His section is in first-class
condition showing that he under-
stands his business.

H. B. Wells is preparing to rebuild
the house on his farm which burned
two years ago.

Our representative has received
trout for restocking Decker's creek.

The telephone crop is growing
here. There are now six phones on
the Silver Lake wire and another
will be added soon.

Having noticed the new advertise-
ment in the Press of Wallace &
Thrall of Milford we took a look
into their store and judge by the
class and number of customers we
saw trading that they will not have
to go west to grow up with the
country but that they will grow at
home.

Armstrong and Co. won't let any
one excel them in the shoe line.
Their latest addition is the Merr-
mac plow shoe, a substantial,
sawed russet shoe supplemented
with a double row of pegs and double
riveted at the sides. Fits nicely
around the ankles with plenty of toe
room. Price \$1.50.

We are informed that Arthur
Emery of Centre is very sick with
heart disease.

The report of what our represent-
ative did at Harrisburg sounds rather
queer. We do not think his constitu-
ents here read up his conduct.

W. H. L. in a recent article thinks
this place should not be called
"Dingman's Choice." If any change
is made why not shorten it to plain
"Dingman's."

Some purveyors of wood for our
schools are disappointed this year
because they lost the job. The reason
was that last year they did not
furnish the wood promptly. Our
directors do the proper thing some-
times.

It is rumored here that J. B.
Westbrook and H. B. Wells will
make a trout pond of their meadows.

As is the general complaint in other
places there are few boarders
here. CESAR.

It Dazzles the World.

created one quarter of the excite-
ment that has been caused by Dr.
King's New Discovery for Con-
sumption. It's severest tests have

Pneumonia, Hemorrhage, Pleurisy
and Bronchitis, thousands of whom
it has restored to perfect health.
For coughs, Colds, Asthma, Croup,
Hay Fever, Hoarseness and Whoop-

care in the world. It is sold by all
druggists, who guarantee satisfac-
tion or refund money. Large bot-

Long Hair

"About a year ago my hair was
coming out very fast, so I bought
a bottle of Ayer's Hair Vigor. It
stopped the falling and made my
hair grow very rapidly, until now it
is 45 inches in length."—Mrs. A.
Boydston, Atchison, Kans.

There's another hunger
than that of the stomach.
Hair hunger, for instance.
Hungry hair needs food,
needs hair vigor—Ayer's.
This is why we say that
Ayer's Hair Vigor always
restores color, and makes
the hair grow long and
heavy. 25c a bottle. All druggists.

If your druggist cannot supply you,
send us one dollar and we will express
you a bottle. Be sure and give the name
of your nearest express office. Address,

The death of Ed. Wonnacott was a
sad affair. Early last Saturday
morning he fell from a fast freight

worth church was held on the lawn
Monday evening which was a great
financial and social success.

The entertainment at St. Joseph's
church took place Wednesday eve-
ning. Excellent home talent was
represented and ice cream and cake
were afterwards served.

John Eisenberg is visiting rela-
tives in Middletown for a few weeks.

S. S. Williams and wife of New
York are in town the guests of Al-
fred Billman. Mrs. Williams for-
merly resided here.

will be greatly missed by the family.

J., is a guest with her daughter,
Mrs. Gilbert Remey.

John J. Votz of New York is

nie Ganiz was present at the cere-
mony.

Mrs. John Wonnacott is quite ill
at her home on Adams street.

White Man Turned Yellow.

"Great consternation was felt by
the friends of M. A. Hogarty of
Lexington, Ky., when they saw he
was turning yellow. His skin
slowly changed color, also his eyes,
and he suffered terribly. His malady
was Yellow Jaundice. He was
treated by the best doctors, but
without benefit. Then he was ad-
vised to try Electric Bitters, the
wonderful Stomach and Liver rem-
edy, and he writes: "After taking
two bottles I was wholly cured."
A trial proves its matchless merit
for all Stomach, Liver and Kidney
troubles. Only 50c. Sold by all
druggists.
