**CORRESPONDENCE.**

**SANDYSTON.**

There is some difficulty in the connection of the Flatbrookville mail from Layton. The Branchville mail goes to Layton usually about 3 p. m., but the stevedore of the lower mail, as we call it, is 2 1/2 and this delays their mail one day. Just set the lower mail's time back to its old time of 3:15 and connection can be made satisfactory to all.

People having occasion to drive across the mountain are loud in their complaints of the condition of the road. They say it is the worst ever known and threats are heard that a resort to the law will be made unless the road is repaired. But our roads throughout the town are in about the same condition and, if anything, going from bad to worse.

When the filling in of the road was done last spring near the residence of Dr. Hughes it was understood that all taking part in filling in with stone was doing it for nothing. But when one party takes stone from his lots, and then gets a bill paid for those stone it is certainly peculiar.

Capt. Simpson has the finest pair of twin colts to be seen anywhere, and now they are for sale or swap. Any one wishing to deal will find the captain ready for business.

I do not hear anything as to whether the Delaware valley railroad now building from Stroudsburg up the river, will cross at Flatbrookville and come up on Jersey side or not. As I understand it, all depends upon the cost of right of way and if the Jersey side costs less that route will be selected. We will only be too glad to have it on this side of the Delaware, but either side will do, only so we get the road.

A number interested in the good appearance of the cemetery at Layton assembled there on Saturday and removed the brush, weeds, etc., and left the cemetery in a very neat appearance. If those having friends or relatives lying there would attend to their graves and headstones the looks of the cemetery would be further improved.

I have yet to hear of any one claiming to have a good yield of potatoes, and if all reports are true the crop is very poor. Corn never looked better and everything favors an excellent yield.

Now that haying and harvest is over the farmers are thinking about which picnic to attend. First comes Lake Grinnell the 17th and closely following is the Granger's at Deckertown on the 23d, and two days later the Farmers', Mechanics' and Tradesmen's picnic will be held at Culver's on their old grounds near the boat house on the 24th, and lastly, the Delaware valley Sunday school picnic takes place in the school of V. E. Bevans near Bevans on the 29th and if you are not tired in attending the above, then go to Buffalo and view the wonders of the Pan-American. The merits and demerits of the Roe fish or free lake bill will be discussed by Hon. L. J. Martin and Judge Henry Huston of Newton at the first two named picnics and all interested in this bill should attend, as it is important.

On Monday a new schedule went into effect on the mail route from Layton to Flatbrookville. The mail will leave Flatbrookville at 5:30 a. m., arriving at Layton at 8:30 p. m. Returning will leave Layton at not later than 3 p. m., or on the arrival of Branchville mail.

William Baird was getting over a fence on Sunday last when the stake broke pitching him into a pile of stones and breaking his left arm just above the elbow joint. Dr. Hughes attended to the injury.

The condition of Mrs. Sue Myers is slightly improved, although her condition is critical.

Editor S. A. Brown of Bennettsville, S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down, snuffed great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50c at all druggists.

To Save Her Child  
From frightful disfigurement Mrs. Nannie Galleger of La Grange, Ga., applied Bucklin's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in Sores, Bruises, Skin Eruptions, Cuts, Burns, Scalds and Piles. 25c. Cure guaranteed by all druggists.
