REMINISCENCES.

The twilight shades of evening fall
As I sit down to write,
"While tressured dressus from Mon-

ory's land. Come crowding back tonight." Twas years ago this Antunn day, We gathered round the hearth. Our cheery voices filled the air,

And everywhere was mirth. How innscent with childlike ways We played—devoid of care, But now one transition we have met, Our burdens we must bear. For loved ones dear have passed away-Are resting 'neath the sod-

Awatting still the Judgment day, Our Savior and our God.

And friends that once were dear to us. Have grown so strangely cold.
That I feel, as I sit in the gloomy roo
That my heart is growing old.

But Fancy still portrays the scenes That now before me boom. And etiildlike faces seem to rise In the dark and allent gloom There are pletures bright with Autum

And drear with every woo. For some are bright with the flush of

youth, On which rests no shade of care, While some are bowed with silent grief, And a crown of thorns doth wear

But Time speeds on with remorseless wing-The year will soon be gone-And I. recalling Fanoy's scenes,

Am sitting here alone. In future years—but as to those I'll now lay down my pen, Perhaps the rast and present years May be forgetten then.

But old memories still will linger, And some pencil will portray, In future, scenes of the present time, Reminiscences of today

The Ballot and the Bullet.

It is no special credit to be a fighter. Plug-uglies beat philosophers in fighting; and the logic of the argument is amusing, when the fact City of Trenton, which blew up last is, that our regular army, our professional fighters, cannot vote at all, except by special act of congress. John D. Lankenau, who many Our fighting is done by paid solyears ago spent several summers diers.
