SANDYSTON.

The vacancy in our schools was filled on Friday evening by engaging Miss Vienna Stoll for the Bevens school. The contract for carrying the coal for the various schools was awarded to Mark Uter at \$1.85 per gross ton. The different systems of writing were discussed and it was decided to continue the vertical writing until the books of that system were exhausted and then return to the slant system.

A wedding is announced for the 25th inst, but as the writer is not to reveal the parties, will wait until the ceremony is performed, and then the parties won't care who knows it.

Mrs. Emma Trampus, widow of Hiram Trampus, died at the home of her sister, Mrs. Levi Shay, on Friday last after a lingering illness.

Buckwheat is being cut and from what I hear the crop will be a fair one, and I am glad to hear it, for what would we do without our pancakes through the winter.

The whistle on the creamery is a pretty good regulator, and all within sound of it can set their clocks by it and with as much certainty of being right, as when hearing the round house whistle of the car shops at Port Jervis.

Mrs. Mary Ellett, wife of Alfred Ellett, is seriously ill, and her host of friends earnestly hope that her illness is only temporary and that she will soon be restored to her usual good health.

George Smith of Bevens is critically ill, but latest reports say he is slightly better.

The farmers' meeting to be held by the state board of agriculture is set down for Dec. 24 and 25. The secretary of the board, Mr. Franklin Dye of Trenton, informs me that one session will be held on the evening of Dec. 23 and two sessions on the day following. Prominent speakers on farm topics will address these meetings and it is pretty safe to predict that the church will be filled. Don't forget the date.

Mrs. D. B. Heater and daughter, Edith, of Deckertown spent Sunday visiting at John Snider's.

Our genial mail carrier, Mr. Watson, brought a rock fish weighing twelve pounds to Layton one day the past week, and I must say they are a splendid fish, as I can testify from the eating.

Something to Remember.
When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousands of cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A Pitiable Sight.
What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are gnawing at their vitals were removed, which is easily effected with Mother's Worm Syrup, so nice to take that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

The Secret of Good Health.
The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

Goose's Quick Relief.
When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Goose's Quick Relief will give you quick relief. Best cure for colic.

Healthy Blood Makes Healthy Flesh
To have good flesh and good feeling, to look well and feel well take some Goose's Sarsaparilla. Nothing else so good for pale and sickly women.

Pills—Cures Piles!
Money refunded if it ever fails. ANTI-ACID cures Chills and Fever.

Stood Death Out.
E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at all drug stores.

Your Tongue
If it's coated, your stomach is bad, your liver is out of order. Ayer's Pills will clean your tongue, cure your dyspepsia, make your liver right. Easy to take, easy to operate. 25c. All druggists.

It's curious to see the result. Give it to the peevish, fretful child, and he laughs. Give it to the pale, anæmic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

This is not a new scheme. It has been done for years. Of course you must use the right oil. Scott's Emulsion is the one. Scott's Emulsion neither looks nor tastes like oil because we are so careful in making it pleasant to take. Send for free sample. SCOTT & BOWNE, Chemists, 108 Pearl St., N. Y.

Wash your hands in or hand a beautiful bouquet of pink blush? That's the **BUCKINGHAM'S DYE** for the pinker. 25c. at all druggists.
