William Knapp and family will leave Matamoras soon and make their home in Honesdale, Pa. The citizens of our village regret exceedingly to have them leave. They have a pleasant home located on Main street near the Matamoras high school.

The L. A. S. connected with Epworth church will hold a Harvest Home supper at the Oct. 15.

Mrs. P. Jeffries has gone to Buffalo to visit the Pan-American exposition. She will visit at Binghamton and other places on her return home.

Milton Shay and wife returned home from the Pan-American Sunday morning.

Mrs. Carrie Lockwood left town Wednesday for Carbondale, Pa., to visit her daughter, Mrs. Geo. Laubshire, who resides in that city.

Ira Strickler, wife and daughter, Ethel, of Asbury Park, N. J., who have been spending a week at Reuben Bell's at the Bell farm, returned to their home on Monday.

Invitations have been received by Mrs. Theodore Durant and Mrs. Charles Nichols to the marriage of their cousin, Miss Clara Youngs, of New York City, which takes place at the home of the bride.

The burial of President McKinley was observed in Matamoras on Thursday. At 8 o'clock the bell of St. Joseph's church was rung for mass. Rev. Father Treis, pastor of the church, offered prayers for Divine guidance for the government. The service lasted an hour. At 11.30 p. m. the bells of Epworth, Hope and St. Joseph's churches tolled for 15 minutes. At 2 o'clock p. m., the citizens of the village wended their way to Orange Square, Port Jervis, to take part in the ceremonies. The Jr. O. U. A. M. of Matamoras marched over in a body. Professor Hoock, of the Matamoras High School, had no afternoon session. The stores in the village, and business places were all closed. Flags were displayed at half mast. The day was generally observed.

S. O. Harding, of Montgomery, N. J., was a recent guest of his aunt, Mrs. W. N. Lawrence, on Jefferson street.

Mrs. Sampson and friends, who have occupied Mrs. F. Heidenthal's house this summer, returned to the city last week.

Mrs. J. Speers returned from Hawley last Friday, where she has been the past week visiting relatives.

Epworth Church has purchased 100 copies of "Sacred Songs No. 2," for use at Sunday evening services. There will be a song service on Sunday evening at the church, before the regular service, out of the new books.

**SANDYSTON.**

The social held in the Hainesville church on Thursday evening brought together a large attendance and all had a good time. The amount taken in was \$67.

The game season is some time away and yet there is a good deal of shooting going on. Last year when the squirrel season opened there were mighty few left, as the practice shooting (?) had cleaned them out, and if the reports of guns are any criterion it will be the same this fall.

The valuations of ratables in Sussex county vary but slightly from that of former years. In 1898 the taxable valuation was \$11,090,834, in 1899, \$12,156,270; in 1900, \$11,589,721, and in 1901, \$11,673,862. It would seem where the values are increased in one town they are lowered in another, so that the value is about the same. Sandyston and Lafayette have the same tax rate (9 mills) this year.

The law of 1900 requires that all owners of lands bordering upon the highway shall cut all brush, briars and weeds along the road some time during the month of September. If the owner of the lands does not attend to the matter, the committee may order it done and the owner of the land must foot the bill. Along our main roads most of the brush have been cut, but on many of our side roads the brush are very much in evidence yet.

Truman Angell, a former resident of Sandyston, died at Tappanstown in Montague on Thursday last aged about 68 years. He was a son of John B. Angell, deceased, who taught school for many years in this town in the fifties. Deceased was drafted in the last draft of soldiers in 1874, and upon his arrival in camp at Harrisburg was taken sick and before his recovery the war had come to a close and he was sent to his home. Interment at Layton.

Jersey has a stringent law regarding the sale of tobacco to youths under a certain age and yet it is a common occurrence to see small boys puffing away at the stinking cigarette, and they seem to glory in what they are doing. Somebody is violating the law in selling them tobacco, and one enforcement of the law would stop it.

Melanchton Jenkins and daughter of Montclair, N. J., are stopping for a brief period with Dr. Hughes. Mr. Jenkins is a large brush manufacturer.

Clinton Smith and wife visited at Francis Simpson's last Sunday. Mrs. Smith was a former teacher of the Layton school.

The song service at the Layton church on Sunday evening was appreciated by a large audience. Good music accompanied with good singing is highly appreciated anywhere, and if we had more of it, there would be larger congregations.

Arrangements are being perfected for the festival at the Centreville M. E. church on Oct. 23. Almost every one in this community has been placed on the different committees, and if all perform their duties as they should the festival must be a success. The proceeds are for painting the church, and a look at the edifice will satisfy any one that a coat of paint is sadly needed.

George Smith of Beyans is still a very sick man. Miss Cora Hursh is slowly gaining, while Mrs. Alfred Ellett is in a critical situation.

**Poorly?**  
 "For two years I suffered terribly from dyspepsia, with great depression, and was always feeling poorly. I then tried Ayer's Sarsaparilla, and in one week I was a new man." - John McDonald, Philadelphia, Pa.

Don't forget that it's "Ayer's" Sarsaparilla that will make you strong and hopeful. Don't waste your time and money by trying some other kind. Use the old, tested, tried, and true Ayer's Sarsaparilla.

**The Secret of Good Health.**  
 The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

**Goock's Quick Relief.**

**PAUPAC.**

The many friends of Frank Killam were pleased to see his jovial face among them last week. He returned to his work in Troy on Monday.

Our township schools opened on the 16th with the following teachers: No. 2, Bessie Ansley; No. 3, Marion Williams; No. 4, Mr. Hiller; No. 5, Leola Utt; No. 6, Byron Cross. The majority of them closed on the nation's day of mourning.

**LEDGEDALE.**  
 Miss Effie Wright spent Saturday and Sunday at the home of her mother, Mrs. Mary Wright, 329 Monroe Ave., Scranton.

Among the sick of this place are Mrs. Chas. Frisbie and Mrs. I. K. Kellam.

Oscar Simons of Olyphant spent last week with relatives in this vicinity, the home of his childhood.

Miss Annie Masters is working at I. K. Kellam's.

The proceeds of the festival held at I. K. Kellam's on Friday evening, Aug. 30th, 1901, after expenses were paid, were \$20.00. And Ledgedale charge, Rev. W. B. Signor, pastor, has much to be thankful for, as their salary with the exception of some \$3. is raised, while last year at this time nothing had been paid him.

**A Night of Terror.**  
 "Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she would die from Pneumonia before morning" writes Mrs. S. H. Lincoln, who attended her that fearful night, "but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of Consumption. After taking, she slept all night. Further use entirely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1. Trial bottles free at all drug stores.

**Something to Remember.**  
 When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousands of cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

**A Pitiable Sight.**  
 What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are crawling in their vitals were removed, which is easily effected with Mother's Worm Syrup, so nice to take that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.
