SANDYSTON.

Brother Warren was away down in Hunterdon county, but is back at the old stand again.

Nov. 1st the law was off of game and the creek of guns was heard from early morn until late at night, and in fact almost every owner of a gun was out. If every shot took effect the slaughter was great, but such was not the case. One squad of hunters fired seven shots at one rabbit and that rabbit is going yet.

Edward Adams and friend of Bloomfield, N. J., are stopping for a few days with Francis Strupson and are having good luck in hunting.

I am glad to notice that the officials of the Stroudsburg and Bushkill telephone company have presented their inspector, B. D. Hursb, with a free trip to the Pan-American. Ben thoroughly understands his duties connected with the company and I am pleased to see that his efforts are duly appreciated.

Soth Shay of Newark is spending a few days visiting friends and relatives in Sandyston, and at the same time trying his luck at hunting.

The antics of the boys on Halloween night caused some "cuss" words on the following morning when those whose property had been removed to places unknown and elsewhere discovered what had happened. There was a good deal of work connected with the fun and I cannot see where the fun came in but likely the boys do.

The hunting dog of Edward Hotalen of Hainesville was poisoned a few days ago and Mr. Hotalen is pretty sure he knows who did it. Somebody will have to settle for that dog.

As a rule the farmers of this section try to finish cornhusking by election day but a good many have lots to husk yet. The weather has been so favorable that the excuse of unpleasant weather will not answer this fall.

I do not know how it is over in Pike, but over here one hears politics everywhere he goes and it is the Roe bill every time. The nominees for governor are scarcely mentioned and the fight Tuesday was centered on member of assembly and Roe bill.

The present law forbidding the sending of game out of the state is puzzling our city hunters as to how they will get their game to their homes. But they will get it there just the same.

Bad Coughs

"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pectoral. Only one-fourth of the bottle cured me."

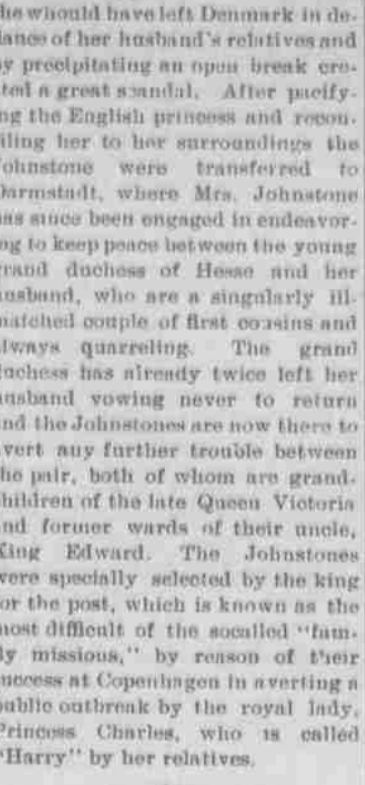

L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption. Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.

These are the best coughs for an ordinary cold; the best for bronchitis, pneumonia, asthma, or consumption. Do not buy cheap imitations. Get the genuine. Sold by all druggists.

A Peace-maker with Royalty.

The New York Journal recently printed an article showing the high estimation with which King Edward regarded Mrs. Alice Johnstone, daughter of Mr. and Mrs. Jas. W. Pinchot, because of her tact and cleverness in keeping peace in some of the royal households. It says that while at Copenhagen, where her husband was stationed for a number of years as Secretary of the Legation as Charge d' Affairs, she acted as the friend and confidant of Princess Charles of Denmark, the favorite and spoiled child of King Edward and who had been so notoriously unhappy there that had it not been for the sympathy, the counsel and the moral support of Mrs. Johnstone she would have left Denmark in defiance of her husband's relatives and by precipitating an open break created a great scandal. After pacifying the English princess and reconciling her to her surroundings the Johnstones were transferred to Darmstadt, where Mrs. Johnstone has since been engaged in endeavoring to keep peace between the young grand duchess of Hesse and her husband, who are a singularly ill-matched couple of first cousins and always quarreling. The grand duchess has already twice left her husband vowing never to return and the Johnstones are now there to avert any further trouble between the pair, both of whom are grandchildren of the late Queen Victoria and former wards of their uncle, King Edward. The Johnstones were specially selected by the king for the post, which is known as the most difficult of the so-called "family missions," by reason of their success at Copenhagen in averting a public outbreak by the royal lady, Princess Charles, who is called "Harry" by her relatives.

SQUELCHED AGAIN.

Mrs. De Witt—I believe in embracing opportunities.
Mr. Funnymann—Then why don't you embrace me?
Mrs. De Witt—I don't call you an opportunity—opportunities don't stand around waiting to be embraced.—Flegende Blaetter.

Did You Know This?

Do you know that a neglected cough or cold leads to consumption? More people die from the effects of catching cold than from any other known cause. There is one remedy, and remember it only costs twenty-five cents, that has proven a safe, unfailing cure for coughs and colds. It is called Mexican Syrup. Your druggist has it or will get it for you. It heats and strengthens the lungs and breathing passages, when nothing else you take seems to do you good; you had better get a bottle today and read the testimonials on the wrapper.

Have You Worms?

Are you growing thin or sickly? Has your skin a pale or sallow tinge? Do you not occasionally feel a hollow sensation in the pit of your stomach, or a queer distress in your bowels? Do you get easily vexed, nervous or irritable? Probably you are nourishing some stomach worms, a lengthy tape worm, or else a thousand pin worms, that are devalitizing your entire system. You can expel them by taking Mother's Worm Syrup. Nothing else is so effective.

Better Health.

Better health always follows a use of Mexican Root Pills, simply because they cleanse the system of sickening and effete matter so thoroughly and completely. It is a sin to remain constipated when Mexican Root Pills only cost 25 cents a box.

The Best Pain Cure.

Is one that is absolutely safe and sure and that taken internally will cure cramps and colic, or applied externally will reduce swellings and subdue pain. Gooch's Quick Relief does this and only costs 25 cents a box.

Wants to Be Prot-y?

Then purify your blood by taking Gooch's Sarsaparilla, the best of all blood medicines.

Pile-ine Cures Piles!
