CORRESPONDENCE.

SANDYSTON.

Many expressions of sorrow were
heard in this community when the
death of Randall Van Gordon was
told on our streets on Tuesday last.
But had many warm friends and
acquaintances on this side of the
Delaware when he was highly es-
teemed and respected.

The female teachers crowding the
male out of the profession and I
notice that 74 teachers are reported
as in attendance at the recent Plea-
santville Institute and of this number
77% were female and 23% male.
Sussex reports 120 teachers and the
per cent. is almost precisely the
same. It is only a question of time
when the women will have driven
the men out, and it won't be long,
either.

The many friends of Mrs. Susan
Magnuson of Dingmans heard of her
sudden death on the 7th inst, with
sorrow. She had made Leyton her
home part of the time while under
medical treatment here, but it was
not thought that her condition was
so critical.

The downpour of Saturday night
caused many of our streets to over-
run their banks carrying away fences
and other loose stuff. The roads
are badly washed and in some places
instant repairs will have to be made
before they can be driven. The
Delaware was higher than it has
been in years and had the 14thman
bridge stood on the old foundation
it would have been swept away.

The shooting match scheduled to
be held at Montross' hotel, Leyton,
on Saturday was sadly interfered
with by the stormy weather. Quite
a crowd was present and some very
good shooting was done, but if the
day had been fair the crowd would
have been very large.

Last week I spent a couple of days
visiting friends in Doerkertown and
not leaving been there since
1888 I went over the town pretty
thoroughly. For a country town I
think it has the handsomest res-
idences I know. All are neatly
painted and yards are kept in order.
I think the only fault lies in their
electric lights and that could cer-
tainly be improved.

Every intelligent reader posted in
current events is asking how can it
be possible that the Schley court of
inquiry came to the conclusion they
did. The opinion is general that
Schley won the naval victory at
Santiago, and all that Sampson's
friends may do will not change the
opinion of the reading American
public.

A couple of Sandyston hunters
were arrested last week for hunting
on posted lands and on snow. The
law says you must not hunt when
there is a tracking snow, but if ev-
ery one making violations had been
brought up before the law there
would have been a financial panic
and it would have served them
exactly right.

The Sussex county teachers insti-
tute was held in the public school
building at Newton on the 12 and 13
inst. Of the 139 teachers in the
county 135 were present; absence
was on account of illness. Prof.
Lovi Bealy of the state normal, Miss
Connolly of Washington, D. C. and
Prof. E. D. Barnes were the corps of
instructors, all very able, and if
any teacher failed to be benefited it
was because he did not pay atten-
tion to what was said. Usuality
he held three days but for some rea-
son the time was cut down to two.
I wanted very much to attend the
institute, as did many others, but
our calculations were upset.

Warren Reser moved on Monday
last from the tenant house of John
Aber to the mansion bought of
Geo. E. Harsh some time ago.

The condition of our roads since
the heavy rain of Saturday and Sat-
urday night has been reported to

the committees that they may order
repairs at once. We have had poor
roads so long that we have "kiddy"
got used to them but now they are
very poor and stony.

These are the saddest days of the
year for the collector is on his
rounds this week. It is pay up or
see your name among the delin-
quents.

Smallpox is reported all around
us and it will be surprising if we
miss a visitation of that scourge.
It is dangerous for any one to travel
any distance from home for the dis-
ease is everywhere. Caution should
be the watchword now.

Clinton Bevan of Bevans is very
ill from an attack of appendicitis.
He is somewhat improved at pres-
ent and it is thought that an opera-
tion will not be necessary.

Mrs. William C. Drake is reported
dangerously ill and her two daugh-
ters teaching in this town have
closed their schools to assist in car-
ing for their mother.

MATAMORAS.

The Matamoros social club did
not meet last Saturday night on ac-
count of the unpleasant weather. It
will meet this Saturday night at
Miller's hall on Leder street.

The C. E. society was very suc-
cessful with its fair held on Tuesday
evening at the home of Mrs. J.
Fredenstein on River street. The
proceeds amounted to \$37. A fine
program was rendered. Everyone
had a most delightful time.

Mr. and Mrs. J. Gordon on River
street have been spending a few
days at Suffern, N. Y., visiting their
nephew, Harry Cady, at that place.

Miss Angela Orce has accepted a
position in Balch & Son's store on
Pottsylvania avenue. She has
charge of the Christmas articles for
sale.

Mrs. Mabel Brierly on Cookson
street makes fine Boston brown
bread.

Harry Clawson, son of Mr. and
Mrs. Watts Clawson of this village,
has accepted a position in the Erie
railroad office at Jersey City.

John B. Fredenstein, son of J.
Fredenstein of this place, has gone
to Cripple Creek, Colorado, to en-
gage in the mining business. Let-
ters received from him state that
he is doing nicely.

The pupils of the various Sunday
schools of Matamoros are preparing
for their Christmas entertainments
to be given in the churches on
Christmases.

Next Sunday evening at Epworth
church there will be a special
Christmas service. Some recitations
will be given by the little pupils of
the Sabbath school. Everyone is
welcome.

Miss May Westbrook, a trained
nurse from New York city, is visit-
ing at her home near Milford.

The Blue Ribbon Band meets on
Saturday afternoon at Hope church.
At a recent meeting of Hope
church C. E. society the following
officers were elected for the coming
year:

President—Wm. Spindel.
Vice President—Victor Ennis
Secretary—Frank Seybolt.
Treasurer—Maggie Prescott.
Miss Lola Prescott, a graduate of
the Matamoros high school, has ac-
cepted a position as teacher at
Washingtonville, N. Y.

Mr. and Mrs. Walter Neppas
and family have left Matamoros
and gone to Jersey City to reside,
Mr. Neppas being changed from his
run to that city.

Vice President—Mrs. G. H. Lang-
ton.
Recording Secretary—Miss Irene
Kimble.
Corresponding Secretary—Miss
Katherine Walls.
Treasurer—Miss Emma B. Hill.
Organist—Mrs. John Womacott.
Librarians—Messrs. Bert Owen
and Fred Corwin.

Mrs. Watts Clawson is confined to
her home with sickness. Her many
friends hope to soon see her around
again.

Misses Grace Seybolt and Louisa
Wilkin, both trained nurses in New
York city, have been promoted.
They are now at the Fordham hos-
pital, Fordham, N. Y. We con-
gratulate these young ladies upon
their success. They left Matamoros
about a year ago to study for trained
nurses.

All our local stores have had in a
fine lot of Christmas presents. They
present a beautiful appearance.

FAUPAC.

Faupac is isolated. The heavy
rains of Saturday have flooded the
lowlands, washed the roads and
swamp away bridges. All communi-
cation with neighboring towns is
cut off.

Yohannes Killam is visiting among
relatives and friends in Philadelphia.
W. H. Clark made a business trip
to Honesdale last week.

The schoolmarms and marsters
have returned from institute and
resumed their arduous duties. They
report having spent quite an enjoy-
able week. It seems that there was
considerable disappointment among
the young lady teachers of the
county at not being able to recognize
the "Humbler," such as she looked
at the others concluding that she
was one of those referred to in his
poems the Press and that the
pretty ones were fewer than he
thought. It must have been quite
amusing to hear the discussion be-
tween the young men and her
young male co-laborer concerning
the lecture given upon "Girls," she
repeatedly asserting that it wasn't
fair, and he as often insisting that
she had it pretty fine. We cannot
imagine where the youth gained his
knowledge, but think that inasmuch
as the lecturer had recently been a
girl herself, she was competent to
speak on her subject and that he
was quite safe in indulging her.

It begins to look as if our Faupac
Wanamaker store would be a suc-
cessful venture for its proprietor,
G. Nison. DEFACTO.

KIMBLES.

Mrs. Willis Stinson returned
home Monday after spending several
days with her parents, Mr. and Mrs.
Henry Dewitt, at Rowlands.

Mrs. Albert Briggs spent Sunday
with her mother, Mrs. M. H. Rol-
son, at the Notch.

M. C. Rowland is seriously ill
with pleurisy and a bad cold. Dr.
Phim of Hawley and Dr. Brown of
Scranton are attending him.

The heavy rain we had Saturday
washed our roads very badly. Some
are impassable and very difficult to
repair on account of the freezing
weather. The river is the highest
it has been in many years.

Philip Krouse is on the sick list.
Dr. Phim of Hawley is attending
him.

The Best Time.
The best time to cure a cough or
cold is when you are first affected.
A pleasant and sure remedy for sore
throat, weak lungs, bronchial com-
plaints, coughing spells, etc., is Mexi-
can Syrup for coughs and consump-
tion. Be wise in time and keep a
bottle in your medicine chest, al-
ways handy for immediate use, re-
membering the old adage, "a stitch
in time saves nine." It is a true
lung tonic and sells for only 25 cents.

Many wonder how it is that pin
worms and stomach worms get into
little children, or how a tape worm
300 feet long can get in and exist
and grow inside of a man, as it
sometimes happens. They may
wonder, for it is a great mys-
tery. However, many now know
from experience that Mother's
Worm Syrup will rid one of intes-
tinal worms and greatly improve
the health after the worms have
been destroyed and expelled. It is
absolutely a harmless remedy to
take, and as it only costs 25 cents,
all should try it who suspect worms
to be the cause of their ill health.

Mexican Root Pills.
These pills, costing only 25 cents a
box, are the latest vegetable dis-
covery for cleansing, renovating,
strengthening and regulating the
liver and bowels. Better health in-
variably follows their use.

The Best Time.
The best time to cure pain is when
you first feel it. Always have a
bottle of Gooch's Quick Relief in the
house. Cures external or internal
pain and costs only 25 cents. Cures
tramps and colic.

The Whole Body.
The whole body depends on good,
healthful blood for its sustenance and
strength. Nothing makes the blood
so healthy and the nerves so strong
as Gooch's Sarsaparilla. Read tes-
timonials on its wrapper.
File-Too Cures Piles!

Long Hair
"About a year ago my hair was
coming out very fast, so I bought
a bottle of Ayer's Hair Vigor.
It stopped the falling and made my
hair grow very rapidly, until now it
is 45 inches in length."—Mrs. A.
Boydston, Abilene, Kans.
There's another hunger
than that of the stomach.
Hair hunger, for instance.
Hungry hair needs food,
needs hair vigor—Ayer's.
This is why we say that
Ayer's Hair Vigor always
restores color, and makes
the hair grow long and
heavy. 25c. a bottle. All druggists.
If your druggist cannot supply you,
send us one dollar and we will send you
