CORRESPONDENCE.

SANDYSTON.

Invitations are out for a garden party at "Ainslie Farm" on Wednesday evening, Jan. 1, 1902. The invitations are unique in that they are written on a cornhusk specially prepared, and enclosed in a corn husk envelope, sealed with two pumpkin seeds, and are worthy of being kept as souvenirs of the event.

Edward Dabrone of Walpack was married on the 18th inst. to Miss Amy Van Horn of Walpack Centre. The marriage took place at the parsonage with Jacob Roe and wife as witnesses.

The shoot at Hainesville on Friday last was not largely attended; I presume on account of the intense cold. As it was, some fairly good shooting was done but the cold interfered, so the shooters said, when they missed.

I am pleased to note that the attendance at the Layton farmers' institute was the best of any I have heard of yet, and it was held on the stormiest day we have had this fall. Had the weather been pleasant the church would have been filled to overflowing.

John Hartman, a respected citizen of Hainesville, died at his home near that place on Thursday last aged about 70 years. Deceased had not been in vigorous health for several years but his last illness was short. Weakened by the infirmities of age his system could not withstand the ravages of disease and he passed away as above stated. He leaves quite a number of children, all grown to adult age.

Will your Dingman scribe please publish the date of the farmers' institute to be held at that place and oblige several from Jersey.

Orange county is forging ahead of Sussex in the matter of good roads. Last year that county appropriated 200,000 dollars for good roads and this year the same amount. Seventy miles have already been built. They do not go strong on macadam, but take a well drained road and cover it with a six inch coating of good gravel and it makes a splendid road at a less cost than macadam. It is in the experimental stage as yet but the success of the experiment is not doubted.

In Sandyston we have voted from \$1,000 to \$1,400 annually for the past 50 years and I doubt very much if they are any better than they were 50 years ago, and yet we stay in the same old rut.

The Bevan's creamery closed up for the year on Thursday last owing to lack of milk. The creamery was very well patronized this year and several who did not the past year have signified their intention of doing so the coming year. Had the Montague people continued bringing their milk here the creamery would have been kept going through the winter, but the prospects are bright for next year.

The steady cold has given us splendid ice for skating and on Saturday afternoon and evening the ponds were full of merry skaters notwithstanding the severe cold.

The hunting season is practically over, as many owners of lands refuse to allow hunters to hunt with dogs, and that is exactly right and should have been the order earlier in the season. As it is now, the hunter cannot have much success in hunting quail without a dog.

Blaise Cole of Hainesville is spending his vacation from Princeton University with his parents, Everett and Eugene Hersh, also of Hainesville, are spending their holiday vacation at their home. They are attending school at Blair Hall.

During the recent flood in the Delaware many articles of value were caught by people along the river. One caught a barrel of sassafras oil, another a fine lot of lumber and almost every one caught something of value, even to a good roof off of some one's building. It is an ill flood that does nobody good.

Bronchitis

"I have kept Ayer's Cherry Pectoral in my house for a great many years. It is the best medicine in the world for coughs and colds."
 J. C. Williams, Amos, N. Y.

All serious lung troubles begin with a tickling in the throat. You can stop this at first in a single night with Ayer's Cherry Pectoral. Use it also for bronchitis, consumption, hard colds, and for coughs of all kinds.

These pills are made for an ordinary cold, but they will cure pneumonia, bronchitis, hoarseness, laryngitis, and all other ailments of the throat and lungs. They are guaranteed by all druggists. 25c.

MATAMORAS.

Mrs. Albert Evans of Singleton, L. I. is the guest of Miss Hattie Allen of the Allen House.

The Christmas exercises of the Sunday school of Hope church took place Tuesday evening at the church. A very pleasing program was rendered. There was a Christmas tree and Santa Claus was in attendance.

The Christmas exercises of the Sunday school of St. Joseph's church took place on Christmas night at church. Santa Claus and a beautiful Christmas tree was there and a fine program rendered by the pupils.

The funeral of the late William F. Kimball took place on Friday afternoon at 1:30 o'clock at the home of his brother, Mr. E. M. Kimball, of this village and was largely attended. The body of R. T. of Espérance attended in a body, as Mr. Kimball was a member of that lodge. Beautiful flowers were placed on his casket. Rev. Mr. Gross of Hope church officiated. The interment was in Laurel Grove Cemetery.

The services at Epworth church were of a very interesting nature Sunday evening. Rev. Mr. Spencer delivered an address appropriate to the occasion. The pupils of the Sunday school gave some recitations on Christmas and Santa Claus. The two choirs, junior and senior, sang some pretty Christmas hymns. Miss Edna Westfall presided at the organ.

Following in the program: Recitation, "Fidings of Great Joy," Ads Layton and Edna Durant.

"A Christmas Picture," Dolla Skinner.

"Edie's Christmas Dream," James Dennis.

"The Two Mitts," Beulah Owen.

"Annie and Willie's Prayer."

These pupils of the Sunday school all recited their pieces nicely. Great credit is due them and their teachers.

Mr. and Mrs. Harry Clark and daughter, Regina, of Hainesville, N. J., are visiting Mrs. Clark's parents, Thomas Decker and wife, on Second street, this village.

Mike Madden has been very sick.

The members of the Brinktown Sunday school were reminded at the close of their school for this season and the prayers of Christmas by appropriate presents to about one hundred and forty scholars. Under the guidance of their superintendent, Victor Corey, a profitable little Sunday school is growing up in that place. We wish them success when they begin in the spring.

Snow has been falling this, Monday, afternoon and may make sleighing.

Says He Was Tortured.
 "I suffered such pain from corns I could hardly walk," writes S. Robinson, Hillsborough, Ill., "but Bucklen's Arnica Salve completely cured them." Acts like magic on sprains, bruises, cuts, sores, scalds, burns, boils, ulcers. Perfect healer of skin diseases and piles. Cures guaranteed by all druggists. 25c.

DINGMAN'S FERRY.

The bridges on Silver Lake road are all rebuilt, the washouts filled and the road is in as good condition as could be expected considering how the flood left it.

Louis Smith and wife, former residents here, spent last Sunday with the family of Albert Jagger.

Jennie Benson was a recent visitor here.

J. B. Angle and Nate Emery have recently been laying in their meat supply for the winter. Each had a fine killing.

J. C. Titman of Rosetown made a brief visit here a few days ago.

Almost three inches of snow fell here Monday and made a nice tracking snow for fox hunters, who are in high spirits now over that sport.

A Chance for Employment.

The United States civil service commission will hold examinations at several places in each state during March and April to secure young men and women for the government service. 9,889 persons secured positions last year through these examinations. Probably 10,000 appointments will be made this year. All appointments are for life and for most positions only a common school education is required. Salaries at appointment vary from \$660 to \$1200 a year with liberal promotions afterward. Politics is not considered. This affords a good opportunity for people between 16 and 40 years of age. Those desiring places of this kind can get full information about them from by writing to the Columbian Correspondence College, Washington, D. C., and asking for its civil service catalogue, number three.

The Best Time.

The best time to cure a cough or cold is when you are first affected. A pleasant and sure remedy for sore throat, weak lungs, bronchial soreness, coughing spells, etc., is Mexican Syrup for coughs and consumption. Be wise in time and keep a bottle in your medicine chest, always handy for immediate use, remembering the old adage, "a stitch in time saves nine." It is a true lung tonic and sells for only 25 cents.

Many Wonder.

Many wonder how it is that pin worms and stomach worms get into little children, or how a tapeworm 300 feet long can get in and exist and grow inside of a man, as it sometimes happens. They may well wonder, for it is a great mystery. However, many now know from experience that Mother's Worm Syrup will rid one of intestinal worms and greatly improve the health after the worms have been destroyed and expelled. It is absolutely a harmless remedy to take, and as it only costs 25 cents, all should try it who suspect worms to be the cause of their ill health.

Mexican Root Pills.

These pills, costing only 25 cents a box, are the latest vegetable discovery for cleansing, renovating, strengthening and regulating the liver and bowels. Better health invariably follows their use.

The Best Time.

The best time to cure pain when you first feel it. Always have a bottle of Gough's Quik Relief in the house. Cures external or internal pain and costs only 25 cents. Cures cramps and colic.

The Whole Body.

The whole body depends on good, healthy blood for its sustenance and strength. Nothing makes the blood so healthy and the nerves so strong as Gough's Serravallo's. Read testimonials on its wrapper.
