SANDYSTON.

Tenants are looking up their abodes
for the coming year. Among them
I note Peter Brink to Klumendorf
farm in Montague recently purchased
by him. Mr. Brink moves from the
farm of Manning Hotaten. Lev. El-
lett will occupy the farm of Mr. Ho-
taten, removing from the farm of
R. H. Everitt near Layton.

A mite party was held at Peter
Knight's near Bevans on Friday
evening. Everybody had a good
time and are looking forward in an-
ticipation of as good at the next one.

The editor of the Press takes a
unique view of the "Gambling Sin"
when he says gambling, if done at
all, should be done in secret. Mr.
Schwab wanted to back the tiger, I
presume, for the fun of it, as he is a
very wealthy man. Gambling is
wrong I will admit and the worst
form of gambling is always in secret,
at least in this locality. The winners
and losers, however, are current gos-
sip the next day. If gambling was
done openly there would be much
less of it.

Clinton Bevans, who went to a hos-
pital in New York for an operation for
appendicitis, has returned to his
home in almost perfect health. He
was absent about two weeks.

Eaton Van Sickle, who has been
assisting his father in business for
the past two months in Ohio, return-
ed home on Tuesday last. Eaton
says leading ears is no picnic and
requires plenty of muscle.

Thanks to "Kimbles" for reply to
my question relative to postmasters
executing pension papers. A friend
presented me with a guide giving
the law in full, but thank you just
the same.

This winter has furnished splendid
ice for skating and nearly every
night our young people gather on
some pond and spend the evening
and I might say a good part of the
night.

There is a great deal of sickness in
this valley, more so than usual, and
yet there are people visiting sections
where smallpox is said to be plentiful
and nobody thinks anything about
it. Where is our board of health to
order such persons in quarantine.
They should act at once and put a
stop to this foolish running into
places infested with that scourge.

MRS. JOSHUA SHAY.
A gloom was cast over this com-
munity on Tuesday evening when
the announcement was made that
Mrs. Jane Shay, wife of Joshua
Shay, had been found dead. Mr.
Shay had gone to Branchville and
upon his return was surprised not
to find his wife at home. He went
to the neighbors and not finding her
returned to the house to finish doing
his night work. Having occasion to
go into the corner he was horrified
to find her lying on the floor dead.
She was a woman whose hand
was always ready to assist the sick
or the needy and was greatly loved
for her many virtues. She lived
one son, Loren, now at school at
Newton. She was about 54 years of
age.

KIMBLES.

M. C. Rowland made a business
trip to Scranton last Friday.

Lafayette Kimble of Aldenville is
visiting his parents, Mr. and Mrs.
G. W. Kimble, here.

Mrs. George Cron and son of
Hawley spent Sunday with Mr. and
Mrs. William Weaver.

Alfred Tice of Hawley called on
relatives at this place Saturday.

Rev. J. H. Watrous and William
Pelton of Hawley were callers in
town Monday.

Some democratic papers profess to
see in the visit of Prince Henry a
recrudescence of imperialism.

A Cough

"I have made a most thorough
trial of Ayer's Cherry Pectoral and
am prepared to say that for all dis-
eases of the lungs it never disap-
points."
J. Early Finley, Trenton, O.

Ayer's Cherry Pectoral
won't cure rheumatism;
we never said it would.
It won't cure dyspepsia;
we never claimed it. But
it will cure coughs and
colds of all kinds. We
first said this sixty years
ago; we've been saying it
ever since.

There also is, though for an ordinary
cough, the best of the household, Dr. J. C. Ayer's
Cough Syrup, which is sold in bottles
of 25 cents and 50 cents.

MATAMORAS.

Mrs. Charles Nichols, who has
been ill, is rapidly improving.

The Matamoras schools observed
McKinley's birthday.

The Matamoras high school is to
soon have quite a collection of pic-
tures hang to in the several rooms,
37 handsome ones having been pur-
chased, averaging in size from 15x20
inches to 20x29 inches, all by noted
artists. The teachers hope to have
the pictures framed and hung in the
different rooms soon. The most ex-
pense is in buying material for
framing, and donations for the
frames will be thankfully received.

Two very pleasant surprise parties
took place in our village, one on
Clarence Vandervort Tuesday night
and the other one on little Miss Jan-
nie Bils at her home on Saturday
afternoon. About 25 assembled at
each place. All had a merry time.

Mr. and Mrs. Frank Blakony vis-
ited Matamoras on Sunday and re-
turned the same evening. They re-
side at Newark, N. J.

It is rumored that gas pipes are to
be laid in some of our streets.

Miss Nellie Westfall, a teacher in
the Matamoras high school, was ill
last week and Miss Maggie Prescott
taught in her room.

At Hope church on Friday eve-
ning the Union "Traveler," G. M.
Hancock, lectured on "India," and
his travels abroad. The meeting
was opened by the singing of two
hymns and a prayer by the pastor,
Rev. Mr. Gross. Mr. Hancock gave
a description of the people of India.
Their customs and ways of living
were all very strange to him. He
gave a very interesting lecture. We
trust he will visit us again and tell
more of his travels abroad.

The L. A. Society met at the home
of Mrs. Charles Lord on Cookson
street Wednesday afternoon and
elected the following officers for the
coming year:

President—Mrs. G. H. Langton.
First Vice President—Mrs. F.
Wickham.

Second Vice President—Mr. A.
Billman.

Secretary—Miss Katharine Walls.
Treasurer—Mrs. T. G. Spencer.

The musicals under the auspices
of the Epworth church choir was
held at the home of Mrs. G. H.
Langton Thursday evening and was
a success both financially and so-
cially. The amount taken in at the
door was \$9. The program was
finely rendered. Cake and cocoa
were served after the entertain-
ment.

The Y. P. S. of C. E. gave a so-
cial Tuesday evening at the home of
Mrs. Ed. Labar on Adams street.

Rev. H. C. Lilley, former pastor
of Hope church, arrived in town
Saturday evening and is the guest
of Mr. and Mrs. Victor Ennis on
Washington street. His many
friends in Matamoras are pleased to
have him with them again. He has
charge of a large congregation at
Allentown.

The L. C. U. met this week at the
home of Mrs. Hulet Seybolt.

The Busy Bee society will meet
on Saturday afternoon at the home
of Miss Nibel Haffing on Main
street.

The Blue Ribbon Lodge will meet
on Friday afternoon after school
hours at Hope church.

Miss Sarah Knapp left town on
Saturday for a short visit at Haw-
ley, her former home. She return-
ed home on Sunday.

The Matamoras social club met at
Miller's Hall Saturday evening and
had a pleasant time. There was a
good attendance. The Matamoras
orchestra furnished the music for
dancing.

At Hope church Sunday morning
the Rev. H. C. Lilley of Allentown,
Pa., delivered a fine discourse. Be-
fore he administered the holy
communion, he baptized three little
children, a daughter of Mr. and Mrs.
Charles Lockwood, a daughter of
Mr. and Mrs. Hulet Seybolt and a
daughter of Mr. and Mrs. Fred
Hornbeck. There was a large at-
tendance at the morning service.
In the evening six united with the
church and all were baptized. It
was a very pretty service. Rev.
Mr. Gross, pastor of the church, led
in prayer and Mr. Lilley made a
fine address to his former congrega-
tion.

Mrs. Carrie Lockwood on Penn-
sylvania avenue returned home Sat-
urday from a visit with relatives in
New York, Brooklyn and Jersey
City.

Texas is affronted. A distinguish-
ed English scientist neglected to
mention the finding of the Bonmont
oil field.

The friendliness of the Filipinos
toward the United States is increas-
ing and will continue to do so unless
the misguided sentimentalist inter-
feres by trying to convince them
that they have grievances.

DINGMAN'S FERRY.

It is reported that persons sus-
pected with having snatched and al-
lowed to go out and mingle with
others in the community in some
sections. The proper authorities
should be careful not to allow any
such liberty and houses where cases
are thought to exist should be sur-
veyed with necessities so that the
inmates would have no occasion to
go away.

Armstrong's new ad is very at-
tractive and the quality of their
goods is an inducement to call
again.

Schaffranksy, outfitter to men and
boys at Port Jervis, must do a fine
business to warrant him in so much
display. No doubt he realizes it
pays for people find that he does all
he promises.

Our fence club has lately been
discussing the article, which seems
to have been inspired at Harris-
burg, relating to nonbattering and
electing constables who would see
that the game laws are enforced. It
was agreed that the law was a detri-
ment to our interests for several
reasons. Leguminous crops are
greatly injured by the protected
rabbits.

The \$10 license keeps out hunters
who would bring and spend consid-
erable money with farmers. Ask-
ing that complaints for infractions
of the law be sent to Harrisburg on
the quiet breeds a sneaking way of
doing business. If the birds are
well protected as they should be
they are of great benefit to farmers.

Good supervisors are more neces-
sary to our general prosperity than
sleazy constables. Unless a man
knows how to build roads and hon-
estly expends the tax he should not
be elected to the office. It might be
a good plan to have a department in
our state college to teach road mak-
ing and then compel all candidates
for supervisors to pass an examina-
tion on the subject.

The Snyder brothers have pur-
chased a team of large oxen of E. I.
Drake for use in their lumber busi-
ness in Porter.

Harvey Cron of Centro has been
quite ill.

Irving Angle has taken the con-
tract to fill the washout near
Gunn's for \$25. There is another
highway to the bridge and possibly
had this work been left until later
it could have been done for less and
without the necessity for a cash
tax.

Edward Emery of Branchville is
over here getting out lumber to re-
build his house which burned last
fall.

A Danger Signal.

You have got a cough and you
don't worry. Don't you know
cough is something terrible. It
leads to consumption and consump-
tion is killing thousands. Better
cure that cough, better cure it quick-
ly. Get a 25 cent bottle of Mexican
Cough Syrup. No other remedy so
nice to take.

Something Good.

So many go to their druggists and
merely ask for "something good"
for a cough or cold. Now if the
druggist has several remedies he
certainly will sell the one that does
not cost much. When you go to a
drug store better know what you
want. Ask for Mexican Cough
Syrup if you want the nicest and
quickest cough cure twenty-five
cents will buy. Take no other.

Nauseating Medicine.

It is cruel to give your children
medicine that tastes nasty to cure
them of a cough or cold. A pleas-
ant and effective remedy for sore
throat, weak lungs bronchial affec-
tions and coughing spells is Mexican
Cough Syrup, and please don't for-
get that it only costs 25 cents.

Better Health.

Better health always follows a use
of Mexican Root Pills, simply be-
cause they cleanse the system of
stagnating and effete matter so thor-
oughly and completely. It is a sin
to remain constituted when Mexi-
can Root Pills only cost 25 cents a box.

It is a Pity.

The human family are prone to
pain. Pain in the joints, in the
muscles, headache, backache,
rheumatism cramps, etc., certainly
make life miserable. Therefore it
is a pity that any such sufferers hesi-
tate to expend 25 cents for Quick
Relief, the always sure external as
well as internal cure.

Flies.
You ought to thank God you do
not suffer from flies. Inward or
external, sore or bleeding piles are
awful. Tell your friends who suffer
that Pile-ine is guaranteed to cure
or money refunded.
