## UNITED FOR WATRES

His Home County Will Give Him a Solid Support.

### EX-SPEAKER FARR ON OUTLOOK

Strong and Growing Sentiment For Watres in Northeastern Pennsylvania—He Would Unite the Party For Victory is the Prevailing Belief. Cameron to Be a Delegate in the Next State Convention, and to Advocate Party Harmony.

Harrisburg, Feb. 17.—The departure of United States Senator Quay for Florida last week on an extended vacation without making any announcement of his choice for governor, is construed here as an indication that he is not likely to renounce the popular party choice. In view of Senator Quay's reticence the diligence of those who are secretly trying to create the impression that he is anxious for the nomination of a certain candidate scarcely does him justice. The senator's first and greatest need is health, and it is not likely that he will take any part whatever in the preliminary of the state campaign until such time as he regains his strength. When he returned from Florida a short time since he was in fine condition, but the chilling blasts of the national capital soon brought a return of his old throat trouble and other complications, resulting in insomnia, and making his present trip to St. Lucie imperative. The senator's son, Richard, accompanied him and will in a measure act for him until such time as he is well again. Pennsylvania will in the interim concern itself with the spring elections, which culminate on Tuesday, February 18, and after that date there will be renewed activity in the canvass for the gubernatorial nomination. The greatest interest is felt in the outcome of the Pittsburgh city election. A particularly volcanic state of politics prevails in the "Smoky City," and it is so closely related to the fortunes of State Senator Flinn that the result will be of more than passing interest all over Pennsylvania. Nowhere else are the municipal elections so intimately connected with the state campaign as in Pittsburgh, and the peculiar conditions prevailing in that city are a legacy of the malignant "ripper" act.

### UNITED FOR WATRES.

An interesting manifestation of Republican sentiment in Northeastern Pennsylvania was described this week by a special correspondent of the Philadelphia Press, who writes to say that the state delegates chosen by Colonel Watres in his home county of Lackawanna will have no opposition, and that his candidacy is gaining daily in strength in all that section of the state. The correspondent lays special stress on the fact that "the salient feature of the Watres support in his home county and the counties adjoining, is its entire freedom from factional bias." There is no difference of opinion in that part of the state with regard to the candidacy of Colonel Watres, and this is clearly and well expressed in an interview with former Speaker John R. Farr, of Lackawanna county, who, speaking from the stalwart standpoint, gives a clean-cut description of the prevailing sentiment in that section. Mr. Farr said: "Colonel Watres will have no opposition in his home county for delegates to the state convention. Sentiment in Lackawanna county, as well as throughout Northeastern Pennsylvania, is strongly in his favor. He is personally popular and strong with the people. He has their confidence and esteem." Mr. Farr called attention to the fact that this popular regard for Colonel Watres was not a new thing, and added that "it was demonstrated some years ago, when he twice carried this Democratic senatorial district for the state senate, where his service, worth and honorable record established him in the minds of the people as a man of high character and ability." Mr. Farr said that "the election of Colonel Watres as lieutenant governor in the ill-fated Delaware year indicates how high stands with the voters of the state," and added, "his admirable management as state chairman was a material factor in the unification of the Republican forces that elected General Gregg auditor general, and Captain Morrison state treasurer in 1891 in the face of an unsuccessful state contest and a divided party the year before. The Republicans of Pennsylvania will make no mistake," continued Mr. Farr, "in nominating Watres for governor. His candidacy would rally the Republican hosts from one end of the state to the other, leaving no doubt of the success of his party." Mr. Farr, who advances these strong views in behalf of the candidacy of Colonel Watres, is known throughout the state as the author of the free school book bill and other Republican measures. While serving as speaker of the house here he was regarded as a stalwart of stalwarts, and he is so still. His opinion agrees to show the unanimity of Republican sentiment in behalf of the nomination of Colonel Watres and bears witness to the fact that it is a factional. Thinking Republicans everywhere in the state are realizing that it is more important to

### DELEGATES FOR WATRES.

The friends of Colonel Watres realize that the best way to promote his substantial interests is by the election of delegates to the state convention who will support him for the gubernatorial nomination. His integrity, experience and ability are recognized everywhere throughout the state, and his party faculty has been demonstrated by his services not only in his home county, but as state senator, lieutenant governor and chairman of the Republican state committee. He stands for regularity, and he believes that the one word "Republican" is a sufficient and proper designation for every man who holds to the principles of the party. It is the firm conviction of those who are best informed that with Colonel Watres as their candidate the result of the election of Pennsylvania would win one of their old-time victories this year.

## ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I had my hearing in this ear entirely. I underwent a treatment for several months, without any success, consulted a number of physicians, among others, the most eminent ear specialists of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accordingly in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain, Very truly yours, F. A. WERMAN, 729 S. Broadway, Baltimore, Md.

Your treatment does not interfere with your usual occupation. Examination and YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.
