MATAMORAS.

Mr. and Mrs. Alfred Billman left town on Monday to visit friends in New York City and Brooklyn.

Mr. and Mrs. Osa Fitzsimmons have gone on a visit to Wilkesbarre, Pa. Mrs. Fitzsimmons' former home.

Miss Nellie Langton, a trained nurse from New York city, is home on a visit to her parents, Mr. and Mrs. George Langton.

The 15 cent tea given under the auspices of the L. A. S. took place Sunday afternoon at the home of Mrs. George Langton on Washington street. It was largely attended. A short program was rendered including recitations and readings. Everyone had a very pleasant time.

Miss Estangis Lloyd from Equinunk, Pa., has been the guest of Mrs. Carl Kelly on Adams street.

William Hackett of Rutherford, N. J., spent Sunday in Matamoras.

Mrs. T. J. Keuchem and son, Jefferson, are visiting in Jersey City.

Harry Clawson of Jersey City spent Sunday in Matamoras.

The meeting on Monday evening when the Rev. Mr. Shoop, pastor of the church, took charge of was well attended by the young boys of the congregation. The drill will be called the "Egworth guards."

Rev. Osa J. Shoop returned home on Thursday evening from Madison, N. J.

John Koerner is valedictorian of the graduating class of the Matamoras high school and Miss Mand Hector is salutatorian. We congratulate the young people upon their success in their school work.

Mrs. P. Jeffries on Washington street left town a few days ago and is visiting friends at Lackawaxon, Pa.

Miss Louise Wilkin, a trained nurse from New York city, spent Sunday with her parents.

At Hope church on Sunday morning and evening Rev. T. L. Wentz of Allentown, Pa., presiding elder of the Philadelphia district, preached at both services. The celebration of the Lord's Supper was observed at the morning service. One child was baptized, Mr. and Mrs. Victor Ennis' little son. Both services were of a very pleasing nature.

On Friday evening, May 22, the pupils of the Matamoras high school will give an entertainment at the school building.

Mrs. Lago Jones from Ashley, Pa., Mrs. W. C. Knapp from Harford, Pa., Mr. and Mrs. J. L. Pierson from Soranton, Pa., and A. M. Avery from Brooklyn, N. Y., are all guests of Mr. and Mrs. J. Spears.

Miss Ermelie B. Hill left town recently to visit her brother, Dr. Fred Hill, of Montana Mines, W. Va. She will be absent some months.

Prof. Bouck left town on Friday evening and spent Sunday at Hawley, Pa.

Mrs. William Lemon and Mrs. M. Reeves of Garfield, N. J., visited Miss Ida Wood on Sunday.

Mrs. Louisa Jakob, wife of Chas. Jakob, died at her home in New York city May 17 at the age of 41 years. Deceased is survived by her husband, three children, her father, Martin Heller, of Matamoras, three brothers, William, Edward and Henry, and two sisters, Sophia of Matamoras and Emma, wife of John Roberts of this village. The remains were brought to her father's home in Matamoras Sunday afternoon and the funeral took place from the residence in that village at 2 o'clock Tuesday afternoon and at 3:30 o'clock from the German Lutheran church, Rev. H. C. Wasmund officiating. Interment in Laurel Grove cemetery.

SANDYSTON.

In consequence of the death of Congressman Salmon of this district an election will be held in July to elect his successor. It would seem unnecessary to hold a special election as congress will soon adjourn and wait until the fall election, thus avoiding the cost of a special election.

Our board of freetholders are to hold a meeting May 28th for the purpose of considering the problem of good roads. That they are needed no one doubts, especially those traveling over our roads last spring, and Senator Martin is right when he said our roads were no better than they were many years ago and that a vast sum had been expended upon them without bettering them.

Gladys, the little daughter of Mr. and Mrs. Porter Layton, of Layton passed away early on Sunday morning aged about three years. The bereaved parents have the sympathy of all in their sad affliction.

City people visiting the country in search of wild and romantic scenery are recommended to locate almost anywhere in the township of Vernon. The writer passed through that section the past week and can say from personal observation that so far as scenery is concerned it is to be found there and plenty of the most romantic kind.

Some of our wheelmen are finding fault because parties with wagons do not observe the law of the road in turning out. Take a run-in once and then run in that driver for damages.

Corn planting is nearly done and this week will see that work of the farm completed. I don't think I ever saw so few oats sown as this year.

The coal strike is on and the different railroads are already laying off many of their train crews and the scarcity of coal will soon be felt in our manufacturing centres and hundreds will be thrown out of work. Is this the first step in a crash in the business world?

The old saying that a cold wet May makes the hay is only partially true this year. The cold is here but the wet is absent and yet the start of grass is very good. The mercury so far this month has stood in the forties, and sometimes lower almost every night.

For the accommodation of excursion parties from Newark and surrounding cities the D. & W. R. R. is establishing a summer resort at Cranberry lake on the Sussex railway and it will no doubt be liberally patronized as the run is to be made from Hoboken in 90 minutes. But why not make the run a little longer and come to Culver's lake, which is an ideal place for such excursions.

Eston Van Sickle has secured a position at Stroudsburg and departed for that place the past week.

Mr. and Mrs. Jenkins of Montclair are spending a few days visiting at Dr. Hughes' at Layton.

DINGMAN'S FERRY.

Calvin Cron, late proprietor of the American House at Flatbrookville, N. J., is rushing spring work on the farm recently bought by him so he has leisure this summer to build a large residence. He lets no grass grow under his feet.

We are now favored with four supervisors who do their work in a scientific manner. It is a pity that the levy this year, 10 mills, is too small to repair damages done by the floods. If only the people will retain these men in office and give them the full opportunity to carry out their plans we will soon have good, well made roads. Let us hope that we may soon elect school directors of the same stamp.

People traveling at night over Brodhead's swamp road should be careful for last year three culverts were built which seem to have been devised to break some one's neck. The constable should report them as dangerous.

Ed. Darragh's grist mill will soon be in operation and farmers can have grinding done at home.

Some inquisitive people are asking how much it cost to hold the recent school directors' convention and whether an office is really the gift of the people.

It is reported here that Wm. Angle, delegate to the state convention, will vote for Elkin but we doubt this. If he does it will likely be his final with republicans down here. The ripper and franchise bill and the dairy bill were too much and should have been vetoed. Elkin was the governor's advisor and is held responsible in part for such bad legislation.

Mrs. Catharine Snyder of Lehman, who has been ill all winter, is improving.

George Courtwright has left the farm of H. B. Wellen and is now located on the Middaugh farm.

Weak?

"I suffered terribly and was extremely weak for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon feeling all right again."
 Mrs. J. W. Eals, Hadlyme, Ct.

No matter how long you have been ill, nor how poorly you may be today, Ayer's Sarsaparilla is the best medicine you can take for purifying and enriching the blood.

Don't doubt it, put your whole trust in it, throw away everything else.

25c a bottle. All druggists.

Ask your druggist what to look for in Ayer's Sarsaparilla. Be careful about the price and the name. Follow the advice and you will be cured.

J. C. Ayer Co., Lowell, Mass.

Foley's Honey and Tar
 cures colds, prevents pneumonia.

Lester's fertilizers at W. & G. Mitchell's.

WOODTOWN.

We hear of people enquiring if our supervisor is dead and no wonder. The rain storm of December last made the road between this place and Parker's Glen almost impassable. Early this spring when the road was in best condition for working and the farmers were anxious to work it unfortunately Mr. Supervisor had other work of his own to attend to and the road is still in a deplorable condition. It is not pleasant to speak of matters like this but to grin and bear is not always the best way to make them better.

Sheriff Gregory transported some people around our block Saturday. Hope they enjoyed it.

L. B. Watson and wife spent Sunday with E. May.

Friday a forest fire came to Thomas McKittrick's from the turnpike way. It was easily managed.

The Misses Susie and Sadie Stevenson of Jersey City Heights are spending their vacation at Vacation Retreat.

CONASHAUGH.

Ernest Bell and wife of Walpaek Center, N. J., were guests with the family of Bernaldi McCarty last Sunday. They report everything flourishing in their section.

Shad fishing is good here. A large catch was made Monday night.

Farmers are busy planting corn and most of them are increasing the acreage above the usual.

No Less of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to throats that could go no farther, and they are at work again this morning. H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this remedy in your home. For sale by A. W. Balch & Son, Matamoras, all drug and general stores in Pike county.

Opening of Shohola Glen May 30th
 On Friday, May 30th, Memorial Day, the Erie will sell special round trip tickets to Shohola Glen at 40 cents for the round trip good going on the milk train leaving Port Jervis at 8:05 a. m. or on train No. 11 leaving at 12:10 noon and returning on any train leaving Shohola same day. Remember the fare is only 40 cents for the round trip.

Something Good.
 So many go to their druggists and merely ask for "something good" for a cough or cold. Now if the druggist has several remedies he certainly will sell the one that does not cost much. When you go to a drug store better know what you want. Ask for Mexican Cough Syrup if you want the most and quickest cough cure twenty-five cents will buy. Take no other.

Terrible Neglect
 If a mother through ignorance or otherwise fails to give her child some Mother's Worm Syrup, when the little one by its coated tongue, by its lustreless eyes, by its puny form, pale skin, listless movements, variable appetite, etc., shows that it has worms, is she not guilty of terrible neglect? Mother's Worm Syrup only costs 25 cents and never fails to destroy and expel all intestinal worms.

Sick Headache.
 Pity the man, pity the woman, that suffers from sick headache, sometimes so bad they can hardly see. The best way to cure sick headache is to remove the cause by taking a Mexican Root Pill. This cleanses the system of all effete matter, driving out through the bowels the irritating influences so aggravating to the brain and nerves. Price 25 cents.

Conquers Pain.
 Mexican Quick Relief, price 25 cents; conquers all pain, subdues internal ache and kills external torture. No other remedy so sure to cure, so safe to apply. Try it.

You Should Know.
 That your blood is impure, when a slight bruise or cut makes a sore that heals most aggravatingly slow. Your blood is bad if you are easily easily overheated or easily chilled. You would not feel so weak and miserable if your blood was pure. Make it pure and yourself strong by taking Good's Sarsaparilla. The only blood remedy endorsed by a government chemist.

Pileus Cure Pileus.
 Money refunded if it ever fails. Anti-Aguc cures chills and fever.

**Asthma Can
 Be Cured**

Free Treatment. Free Medical
 Advice. We Have Cured
 7,000 Cases. Why
 Not Yours?

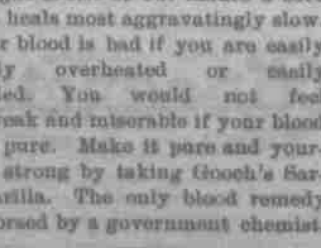

This dread disease which has caused more untold agonies than words can describe, has at last received its death blow. Medical Science in recent years has found a remedy that successfully combats all the aggravated symptoms due to this distressing affliction. After many years of patient study and research, Dr. A. B. Clark, the well known specialist, has discovered a positive remedy that cures the cough, gives immediate relief and eradicates every vestige of the disease. So confident is the doctor that his Asthma Remedy will effect a cure in all stages that he has instructed the Clark Medical Co., of Pittsburgh, Pa., to forward a complete treatment to every sufferer of Asthma who writes for symptom blank. This is a very liberal offer and shows the confidence the Clark Medical Co. have in the merits of this preparation. If any of our readers are afflicted with Asthma they should write the Clark Co. at once for symptom blank. Why suffer when a cure is within reach?
