 Prof. Johnson's photograph ap-
 peared in the commencement num-

Dark Hair
 "I have used Ayer's Hair Vigor
 for a great many years, and al-
 though I am past eighty years of
 age, yet I have not a gray hair in
 my head."
 Geo. Yellott, Towson, Md.
 We mean all that rich,
 dark color your hair used
 to have. If it's gray now,
 no matter; for Ayer's
 Hair Vigor always re-
 stores color to gray hair.
 Sometimes it makes the
 hair grow very heavy and
 long; and it stops falling
 of the hair, too.

 Brooklyn returned to their summer

 Summer boarders are arriving in
 goodly numbers and soon all the

SANDYSTON.
 The 4th of July will be quiet
 enough to suit anybody as there is
 nothing going on in this town. A
 few will go to Wadpack to spend the
 day and others will attend the race
 at Milford, but altogether very few
 will celebrate as the work on the
 farm is too urgent.
 Our carpenters are at work upon
 the big building being put up at
 Sparta by Contractor Kyle of Newton
 and now Mason Gunn has been
 called to work across the mountain.
 Less carpenter work is being done
 in this valley than at any time in
 many years, and this job at Sparta
 comes in very good.
 An effort was made on Saturday to
 clear the Centerville cemetery of
 weeds, brush, etc., but everybody
 was too busy to assist in that good
 work. It is hoped when the next
 call is made that the friends and
 relatives of those lying in that cemetery
 will lend a helping hand.
 A small grievance sometimes leads
 to serious results. A little meddling
 of outside parties separated a mar-
 ried couple recently in this town and
 if those meddlers were taught a les-
 son it might be a benefit to them
 and the community in general. A
 story never grows smaller by being
 repeated.
 The assessor is on his travels and
 every taxpayer is feeling very poor
 when interviewed as to his financial
 standing.
 Miss Maud Warner returned to
 her home at Hainesville on Thurs-
 day. Miss Warner has been teach-
 ing at Clifton, N. J., for the past
 year.
 The "bike" craze has struck this
 place and almost every young lady
 or gent has a wheel. Now the next
 thing in order is to have macadam
 roads.
 The adjourned school meeting on
 Saturday night could do no business
 as only four members of the board
 were present. The patrons of the
 school along the river were out in
 force and persistently opposed the
 idea of moving the Fisher school
 house to the centre of the two districts
 to be consolidated and this will prob-
 ably be the last of consolidation.
 John Schooley, who has been stay-
 ing with his mother at Hainesville
 for some time, returned to Newark
 on Saturday to resume his duties in
 the office of a trolley company. His
 health has greatly improved.
 Mr. and Mrs. Jenkins of Montclair,
 N. J., visited with Dr. and Mrs.
 Hughes at Layton on Saturday and
 Sunday, returning to their home on
 Monday.
 Newton had a big crowd on Sun-
 day as a result of the rain. Two
 excursions on the D., L. & W. R. R.,
 one of thirty cars from Scranton and
 another of four cars from Newark,
 visited Cranberry Lake near Newton.
 It rained so hard and as there was
 no shelter at the lake for such a crowd,
 thirty car loads came to Newton and
 hotels and restaurants did a rushing
 business. One man was crowded off
 a car near Scanton and killed.
 The rain of Sunday came very ac-
 ceptable and the amount was 1.56
 inches.
 While talking with a gentleman
 in Newton on Monday on the subject
 of consolidation of schools he sug-
 gested that a similar board of that
 now existing over the work of our
 assessors be appointed to examine
 into the question of consolidation in
 the various townships and wherever
 it appeared to their satisfaction that
 consolidation would be in the line of
 economy and also beneficial to the
 interests of the schools to consolidate
 the weak schools, for the local board
 of trustees dislike the job. It is not
 a bad idea.
 It is now in order for our oldest
 citizen to come forward and tell of
 a June colder than was last month.
 The maximum of temperature was
 78°, the minimum 50° and the mean
 79°. The rainfall amounted to 4.54
 inches, of which 1.56 inches fell last
 Sunday.
 "Diognans" thinks he can't spare
 H. L. and remarks that there are a
 few over there who might sojourn at
 Trenton while. Right you are, my
 friend, but we have enough of that
 kind right here and H. L. thought
 I would be afraid to stop in Milford.
 Well, well, if he will think a moment
 he will remember that I did not stop
 but went right through.

PAUPAC.
 Where have those warm days
 gone to that our professional
 weather prophets were going to have
 this summer? It wasn't the young
 ladies only that were wishing the
 sun would arrive last Sunday.
 Miss Charbel Kimble is spending
 a few days with her sister, Mrs.
 Emil Gumbel, at Milford.
 The dime social held at the Red
 school house was well attended and
 \$16 of the minister's salary cleared.
 Say, young men, the girls turned
 out rather dear bargains that night,
 did they not? (If I may be per-
 mitted to answer for the young men I
 would say that invariably we
 "hold" them "dear."—Tyro.)
 The summer boarders have begun
 to seek the shady nooks and corners
 of the country. Mrs. Keast and
 her daughter, Minnie, arrived at
 their former boarding place, Mr.
 Vetterlein's, last week.
 The small boys are very busy just
 now talking over the Fourth and
 seeing which has the largest fire
 crackers.
 We hear that there will be quite
 a display of fireworks at B. F. Kil-
 lam's on the evening of the Fourth.
 All are invited.
 Miss Etta Thialke of Hawley is
 spending a few days with friends in
 this place.
 Miss Grace Bishop of Honesdale is
 the guest of Yolande Killam.
 County Superintendent Hower
 of Wayne spent Thursday night
 with W. H. Clark and family.

Consolation.
 Mrs. Subbitz (engaging cook)—I'm
 sure you and I will get along to-
 gether first-rate, but I want to tell you
 right now that my husband is a very
 hard man to please.
 The Cook—Well, don't worry, dear;
 it's as if you'd get a divorce
 these days.—Brooklyn Life.

 Minks—Why did Riley join the
 priesthood—is he grieving so over his
 wife's death?
 Minks—Not he. His wife was a the-
 ologist, and believed in reincarnation.
 She prophesied she'd be back in six
 years, so Riley's gone in for celibacy.

 Her Dear Friends,

 "Why, the man with the money

 the money."—Chicago Post.
 The Duty of Parents.
 Prevention is better than cure,
 and yet a remedy like Mexican
 Syrup for coughs, colds and con-
 sumption, if not used to prevent
 consumption by curing a cough or
 cold in the beginning can be depend-
 ed on to even cure after the lungs
 begin to waste away. No other
 remedy is so nice to take, or so
 quick to cure, and many families
 often buy a new bottle before the
 old one is all used up, so that they
 may have it always in the house.
 Only 25c at drug stores.

Better Cut This Out.
 Every mother should be quickly
 suspicious of worms, when her chil-
 dren act as if they were going to be
 sick. Worms are known to be the
 first cause of much ill health.
 Young and old very often are suf-
 fering from worms when a mother
 thinks it is something else. Re-
 member, a very harmless, yet al-
 ways effective remedy for stomach,
 tape or pin worms, is a 25 cent bot-
 tle of Mother's Worm Syrup.
 Death's Helper.
 An old physician once referred to
 constipation as "Death's Helper."
 There is no doubt many ailments
 and much distress begin with con-
 stipation long neglected. Rare
 cleansers of the bowels that have no
 weakening effect on the nerves, kid-
 neys, etc., are Mexican Root Pills.
 Only 35c.
 Be Prepared.
 Every well regulated home should
 have a 25c bottle of Gooch's Quick
 Relief on hand. It is crucial to let
 one you love suffer pain, either in-
 ternal or external, since a cure al-
 ways follows the use of Quick Re-
 lief. Rare cures for cramps or colic.
 The Best Way to Health.
 To make the blood pure by tak-
 ing Gooch's Sarsaparilla. It is the
 only blood remedy endorsed by a
 government chemist.

 Medical Science in recent years has found
 a remedy that successfully combats all the
 aggravated symptoms due to this distressing
 affliction. After many years of patient
 study and research, Dr. A. B. Clark,
 the well known specialist, has discovered
 a positive remedy that cures the cough,
 gives immediate relief and eradicates
 every vestige of the disease. No confident

 will effect a cure in all stages that he
