Some of our sappy democratic editors object to the application of the title of "ledrones" (thieves or bandits) to the fell Filipinos who are still carrying on a desultory guerrilla warfare against United States authority. These writers would probably apply the terms "wash lady" and "wash gentleman" to such respective laborers.

Bought at His Own Price. Judkins I learn that through your agent you have bought the properties on either side of your house and got them cheap. How did you manage it?

Foxley—Easily enough. My wife is an electrician, my daughter plays the piano, George the cornet, I the violin, Bob the banjo, Charley rattles the bones and little Johnnie has the drum.—Tit-Bits.

Had Given It a Fair Trial. Gentlemen (to village cobbler).—What's that yellow powder you're taking so constantly, my friend? Cobbler—It's snuff—catarrh snuff. Gentleman—Is it good? Cobbler—It's the best I ever used. Cobbler (with the air of a man who could say more if he chose).—Well, I've had catarrh for more'n 30 year, and I've never took nothin' for it but this!—Tit-Bits.

The Actor's Farewell. "They treated me so handsomely at the farewell banquet last night," said Mr. Barnes Turner, "that I assured them I would come back very soon."

Not Always Needed. Daughter—I have an invitation to the theater, and have no chaperon. Mother—You must have one, of course, if you aren't go. It's from Mr. Simpson's I suppose.

No, it's from Mr. Paterson. "Um—never mind about the chaperon."—N. Y. Weekly.

SANDYSTON.

The month that has just passed can be called a pretty wet one, the total rainfall being 3.23 inches. Greatest rainfall in 24 hours, 1.42 inches on the 26th; mean maximum temperature, 81.19°; mean minimum temperature, 56.15°; highest temperature, 90° on the 14th and 26th; lowest temperature 45° on the 11th and 17th; greatest daily range, 45° on the 17th.

Trespass by cattle is getting to be entirely too frequent, but when trespass by chickens is noticed and the owners told to keep them at home or have them shot, times are getting "stramonies," as Roosevelt would say.

During the terrific thunder storm of the 26th two fine hogs of Mrs. Mary Meyer's were struck by lightning. One was killed outright and the other injured.

Those who were compelled to kill their cattle, which were bitten by an alleged mad dog, in Walpack threaten to prosecute the township for the value of the stock killed. They may get something if they will wait—long enough.

The proposed new road now being surveyed from Tattle's Corner to Culver's Gap is meeting with some opposition from residents along the route. A day or two ago Mr. Stephen drove the engineer from his premises and forbade him to survey any further but all the same that road is going through. Such action may delay but will not stop it. The people of this valley are heartily in favor of the new road as the grade will be very light. I believe the charter for the old turnpike called for a road four rods wide and in case the new road is a failure, why not call on those residents to set back their fences.

Hainesville will hold a social at the church on August 14.

The Delaware valley Sun 'ay school union will hold their annual picnic in the grove of Victor E. Bevan near Bevan on Thursday, Aug. 28th.

The church people of Layton will hold an old-fashioned potpie festival on the afternoon and evening of Thursday, Aug. 21. A really good potpie is a rarity in these days and this will be a good one.

A pink tea is down on the cards for Wednesday, Aug. 27, at the residence of Timothy Shay in Montague.

Salmon W. Bell of Walpack has been a patient sufferer from blood poison in his right hand, and hopes are now had that his entire hand can be saved.

The damage to hay and grain from the recent rains has been very great. Much hay has spoiled and rye has grown so badly as to be hardly worth being cared for, and if the wet weather continues it is feared that potatoes will rot.

Moses V. Briscoe, who has been in ill health for some time, is being treated by a physician in Kingston and is improving nicely.

The farmers are having bad weather for gathering grain and hay.

The primary election in Lehman passed off very quietly.

The condition of Mrs. Eliza Heaster is much improved.

Corn, buckwheat and other crops are looking very promising.

The camp meeting at Buskill drew large crowds.

Harvey Cron, who has been very ill, is improving.

Hon. James H. Eckels, the brilliant young controller of the currency during the last democratic administration, is quoted as saying that the party can make nothing out of its cry of "imperialism." In fact Mr. Eckels believes that the acquisition of the Philippines is a good thing for the country, which view seems to be shared by a good many men prominent in democratic circles.

Senator Gorman, for instance, has expressed himself as being entirely out of accord with the views shared by the contingent of which Senator Carmack is the most valuable spokesman. It looks as though Mr. Eckels might repeat his experience of 1900 when he admits he voted for the republican candidate as a patriotic duty.

To Save Her Child. From frightful disfigurement Mrs. Nannie Gallagher of La Grange, Ga., applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in sores, bruises, skin eruptions, cuts, burns, scalds and piles. 25c. Cure guaranteed by all druggists.

The recent anti-imperialist propaganda contains such a large amount of exclusive information about horrors in the Philippines that some people have been led to unkindly remark that it had an home-made appearance.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. A. W. Balch & Son, Matamoras, all drug and general stores in Pike county will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.—10-31

Mr. Bryan spoke to the same crowd in New England which had listened to him on previous occasions as a matter of curiosity.

Chamberlain's Colic, Cholera and Diarrhoea Remedy has a world wide reputation for its cures. It never fails and is pleasant and safe to take. For sale by A. W. Balch & Son, Matamoras, all drug and general stores in Pike county.

When the speaker said the average woman was not mentally as strong as a man not one woman present took it to herself.

"Why not?" "Because every woman thinks she is above the average."—Chicago Daily News.

"De poetry department?" queried Billy Coalgate.

"Now! De 'Work Wanted—Male' column."—Chicago Daily News.

A Sure Preventive. It is better to prevent consumption than to afterwards be looking for a cure. Many cases become incurable simply because so long neglected. When you first catch cold, when you first begin to cough, make haste to use Mexican Syrup. It may save your life for it has proven a quick and never failing cure for sore and irritated lungs, tickling in the throat, etc., resulting from a cold accidentally taken. It is only 25c a bottle and is sold at drug stores.

This is Right. There is one good thing about Mother's Worm Syrup and that is it will never do any one a bit of harm should it fail to do him good. It is a good idea to try this remedy if you feel bad and don't exactly know what ails you. There may be a tape worm a hundred feet long that is causing your loss of health. If so a 25c bottle of Mother's Worm Syrup will kill and remove it from your body.

A Reliable Family Pill. A Mexican Root Pill taken when you begin to feel bilious or when your bowels fail to move as they should may ward off a long spell of illness. Got a 25c box.

Pain Makes Life a Burden. It is wrong to let those you love suffer pain or to be in pain yourself. When Gooch's Quick Relief comes only 25c a bottle. Best cure for cramps and colic.

A Modern Miracle. Gooch's Sarsaparilla enters into and changes the composition of the blood lacking impurities and purifies it to make it pure. Then the pure blood, circulating with healthful activity, permeates every fibre of flesh and restores better strength and better feeling to every part, completely curing sores and pain.

File-in Cures Piles. Money refunded if it ever fails. Anti-Ague cures chills and fever.
