Our farmers have taken advantage of the nice weather of the past week and, nearly if not quite, finished their haying. Notwithstanding the spring frosts to the contrary, there was a heavy crop but the corn threatens to be a failure, owing probably to the cold season.

Benjamin Wilson, Mr. and Mrs. Francis, with their daughters, Marguerite, and Dorothy, the guests of George W. Wilson and family, returned on Sunday to their homes in Philadelphia. It is very seldom we meet such genial people from the city and during their short stay among us they made a great many friends. Their presence will be missed for some time to come.

Louise Thompson of Scranton is spending a few weeks with Yolande Kilham.

Mrs. Herbert Adams of Scranton, who has been staying several weeks with her mother, Mrs. Augusta Bennett, departed for Atlantic City on Saturday, where she will join her husband.

Lou Lambert was the guest of her cousin, Lena Clark, the beginning of the past week.

Mrs. Harriet Howland and family, who have been the guests of Mrs. C. A. Pellet, returned to their home in Honesdale on Wednesday.

Gertrude Pellet has arrived home for her summer vacation.

Florence Killam returned to Troy the 16th after spending several days with her father, Geo. N. Killam.

Caroline Singer of New York is visiting her mother, Mrs. Bertha Singer, at the Singer home.

Mrs. Ben Campbell and children of Brooklyn are staying at the home of Edwin Kellam.

The dance held on Saturday night at Charlie Singer's was largely attended and to all appearances a success.

The following teachers have been hired for the Fall term:

No. 2, Nellie Wegge; No. 3, Marion Williams; No. 4, Grace Boer; No. 5, W. B. Signor; No. 6, Earle Cross. DEFACTO.

SILVER LAKE

H. Eilenberg of Porter lake passed here on route for Milford on Sunday.

Mrs. McCall of Philadelphia is spending a vacation with her daughter, Mrs. E. F. Hoffman.

A severe windstorm passed through here the 11th inst. capsizing Col. Potter's sail boat. His two sons were thrown from the boat and would have been drowned but row boats were quickly taken out and the young lads reached the shore in safety.

Dr. Forsifer Frazier and son of Philadelphia accompanied by some friends are enjoying a vacation at the lake.

Mr. and Mrs. Jacob J. Seeds have returned to Philadelphia.

Warren Hunt is in the employ of Mrs. Furman at Oak Lodge.

Rumor says we will soon hear wedding bells.

Mrs. Jared Dundas of Coley's called on Silver Lake friends Sunday.

The large new bell we now have at the club house is a great improvement.

Mrs. Cunningham of Dobb's Ferry has been visiting her father, Chas. Reilly.

Chas. Dulan and Robinson Shepherd are building a large dock on the shore of the lake for J. H. Bromley. The dock when completed will extend about fifty feet in the water.

William Adams, Jr., of Huntingtowners spent Sunday at Oak Lodge.

Mr. and Mrs. J. V. Sloan have gone to the city on a business trip. They expect to return in a few days.

Service at the club house was well attended last Sunday morning. Jos.

Lost Hair

"My hair came out by the handful, and the gray hairs began to creep in. I tried Ayer's Hair Vigor, and it stopped the hair from coming out and restored the color."—Mrs. M. D. Gray, No. Salem, Mass.

There's a pleasure in offering such a preparation as Ayer's Hair Vigor. It gives to all who use it such satisfaction. The hair becomes thicker, longer, softer, and more glossy. And you feel so secure in using such an old and reliable preparation.

SANDYSTON.

Many lady boarders and guests, for that matter, think going bareheaded is the proper thing. On Monday a lady and gentleman boarder stopping at Branchville walked to the Dingmans bridge and back, the lady bareheaded in the hot sun. The party seemed to enjoy their walk and informed the writer that they were not fatigued. The walking is all right but the bare-headed part is a silly fad.

Frank and Will Clark, sons of William Clark of Hainesville, are spending their vacation visiting their parents and relatives in this town. The former has a position at Poughkeepsie, and the latter is a clerk in the famous Wannamaker N. Y. store.

H. L. says, "Warren, you will be safe over there with me." That may be but I see that a Jerseyman had to go down in his pocket too deep for my pocket and then what would become of me? I'll walk my horse when I come over.

Men in the employ of the New Jersey telephone company passed through here on Sunday taking a measurement of the Hudson River telephone line. This line has recently been purchased by the N. J. telephone company. The distance is taken by a 100-foot chain and the distance from Branchville to Hurah's corner is 35,000 feet.

Mrs. Lizzie Jagers of Chatham is spending a couple of weeks visiting friends here.

Miss Sadie McCracken of Layton is home from a month's sojourn among relatives at Washingtonville, N. J.

On Saturday last the writer had a call from Daniel Shoemaker, now visiting his brother at Dingmans, Pa. Dan has been about the world a great deal and thinks he may try his luck in the United States of Columbia, S. A., this fall. He is a veteran of the 7th Pa. Cavalry.

The social at Hainesville last week was a financial success, the gross receipts being a little over \$50. That "holloing" crowd from Beavans must have treated all hands and the driver.

The long looked for law suit at Beavans came off on the 12th and it was a great one. All was expectancy, when the plaintiff said to defendant, you treat and I will treat and each pay his own cost and in that way the case was disposed of. Lawyers Vansickle and Fuller had no chance to expatiate upon the damage done to tree, lawn and steps and the crowd dispersed without hearing any argument.

The recent rains have made the road across the mountain very bad and all are hoping that the proposed new road will be put through at an early day. One thing is certain the new route will be an easy grade and the dread of the pull up the mountain will be gone.

A party who habitually violates the fish and game law makes no bones about it, and why? Every time the expert went on a fishing trip he took a different party, and if some one should complain seven or eight persons would be in a scrape, with the probabilities of getting a twenty dollar fine and costs. There was no line on the rod, those claps fished wild.

A load of young folks from Beavans passed through Layton on Thursday evening and the noise those youngsters made was enough to waken the dead. They evidently had cut loose from mother's apron string and were bound to test their lung capacity, and they did, to the astonishment of the natives along the road.

MATAMORAS.

Miss Minnie Van Akin, a teacher in the Matamoras school, has spent the most of her vacation at Phelps and Canandaigua, N. Y., visiting relatives. She returned home on Wednesday evening.

Mr. and Mrs. Alfred Billman attended the soldiers' reunion at Midway Park.

Miss Jennie Demarest of Paterson has arrived in town and is the guest of the Misses Billman.

The date for the Epworth rally has been fixed for September 23 at the Epworth church, Matamoras. Dr. Wright, the presiding elder, will make the evening address. There will be two sessions. It is the first of its kind in this part of the conference, and ought to be largely attended.

Edwin Snyder of Jersey City and William Hackett of Rutherford have arrived in town to spend a few days.

George Koyes of New York city is on a vacation to his family for a few weeks.

Hiram Farrington of New York city is the guest of his friend, Geo. Koyes.

Mrs. E. Kranier left Kenosha's sanitarium Thursday. She will be the

guest of her sister, Mrs. Irving Courtwright, before returning to her home in Oswego. The operation was a success.

Miss Lottie Kilpatrick, a resident formerly of Matamoras but now of New York city, is spending some time with Mrs. John Carney. Her young friends are pleased to see her here again.

Mrs. M. Johnson of Sussex, N. J., is visiting her friend, Mrs. Ephraim Shay.

Mr. and Mrs. James Gross and daughters, Winona and Iona, attended the clam bake at Liberty on Thursday, also Mr. and Mrs. Alfred Billman and daughter, Cora, and Mrs. Ed. Lord and Mrs. Fred Wickham.

Herman Krause was operated upon at the Reeves sanitarium on Thursday night. He is in a very serious condition.

Miss Phoebe Brink, who has been employed at Blughampton, is on a vacation of a few weeks. She was accompanied home by her friend, Miss Theresa Driscoll, of Blughampton, N. Y., who will be Miss Brink's guest during her stay in Matamoras.

Mrs. Calvin Langton of New York city is visiting her parents, Mr. and Mrs. John Van Akin.

Miss Edna Van Akin left town on Wednesday to visit friends in Middletown, N. Y.

The L. C. U. society held their annual fair on Monday and Tuesday evenings at Prescott's hall. It was a success both financially and socially. The proceeds amounted to over \$40.

Miss Eva Wannacott left town today to visit friends at Oakland and Monticello.

Miss Kate Crawford from Athens, N. J., has been the guest of her cousin, Miss Blanche Watts, for a few days. She returned home on Wednesday.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. A. W. Balch & Son, Matamoras, all drug and general stores in Pike county will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.—10-31

Representative Livingston of Georgia is another statesman who believes in smashing all trusts regardless of consequences. He says: "By abolishing the tariff we can dismantle every manufacturing combination in the land." Doubtless! What about the several millions of people who are dependent for a living from day to day on these manufactories?

A Sure Preventive It is better to prevent consumption than to afterwards be looking for a cure. Many cases become incurable simply because so long neglected. When you first catch cold, when you first begin to cough, make haste to use Mother's Worm Syrup. It may save your life for it has proven a quick and never failing cure for sore and irritated lungs, sticking in the throat, etc., resulting from a cold accidentally taken. It is only 25c a bottle and is sold at drug stores.

This is Right There is one good thing about Mother's Worm Syrup and that is, it will never do any one a bit of harm should it fail to do him good. It is a good idea to try this remedy if you feel bad and don't exactly know what ails you. There may be a tape worm a hundred feet long that is causing your loss of health. If so a 25c bottle of Mother's Worm Syrup will kill and remove it from your body.

A Reliable Family Pill A Mexican Root Pill taken when you begin to feel bilious or when your bowels fail to move as they should may ward off a long spell of illness. Get a 25c box.

Pain Makes Life a Burden It is wrong to let those you love suffer pain or to be in pain yourself, when Good's Quick Relief costs only 25c a bottle. Best cure for cramps and colic.

A Modern Miracle Good's Serraparilla enters into and changes the composition of the blood lacking sufficient red corpuscles to make it pure. Then the pure blood, circulating with healthful activity, permeates every fibre of flesh and restores better strength and better feeling to every part, completely curing sores and pain.

Asthma Can Be Cured

Free Treatment. Free Medical Advice. We Have Cured 7,000 Cases. Why Not Yours?

This dread disease which has caused more untold agonies than words can describe, has at last received its death blow. Medical Science in recent years has found a remedy that successfully combats all the aggravated symptoms due to this distressing affliction. After many years of patient study and research, Dr. A. B. Clark, the well known specialist, has discovered a positive remedy that cures the cough, gives immediate relief and eradicates every vestige of the disease. So confident is the doctor that his Asthma Remedy will effect a cure in all stages that he has instructed the Clark Medical Co., of Pittsburgh, Pa., to forward a complete treatment to every sufferer of Asthma who writes for symptoms blank. This is a very liberal offer and shows the confidence the Clark Medical Co. have in the merits of this preparation. If any of our readers are afflicted with Asthma they should write the Clark Co at once for symptom blank. Why suffer when a cure is within reach?
