A Physician Healed
Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been bothered greatly with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend it to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." BRINGS SUMMER BOARDERS.

A Large Metropolitan Newspaper Which is Helping the Summer Resorts.

The Brooklyn Eagle several years ago established a Bureau of Information in Brooklyn, where the public could, free of charge, secure details of hotels and boarding houses for the summer. The idea at once became popular, and branch bureaus were opened in Manhattan and other cities. Country hotels and boarding houses by sending to this Bureau can secure a listing blank, fill it out and return it and then be represented free of cost, and send their circulars and cards for free distribution.

The Brooklyn Eagle has also been considered for years the best medium for summer boarders in New York city.

The Rock Point Inn, in the Adirondacks, said: "We are giving the Eagle a larger share of advertising than most other papers, as experience has demonstrated its value to us in past seasons."

Channcy B. Newkirk of Wurtsboro, Sullivan county, said: "Last season 'one small adv. brought me five guests.'"

La Rue Bros., proprietors of the American Hotel of Sharon Springs, N. Y., wrote: "Our house is full and mostly by Brooklyn people. Daily we receive applications for rooms, and all on account of our standing ad in the Eagle."
