On the Sabbath mornings for the next three weeks the topics for con sideration will be "The Christ of the Pentateuch", "The Christ of the Poets and Prophets", and "The Incarnation". The Unristmas season will mean more to us if we approach it historically, and realize that the life of Jesus, the Christ, runs back of all time, and the Incarnation is the central fact of all history.

It will be of interest to Sabbath school workers of the county to learn that Mrs. Barnes has been promoted from the superintendency of the primary work of Penu., to the international primary secretaryship. This is a just and worthy promotion for Mrs. Barnes has proven her worth, as those who know her best can tostify.

## MODERN SURGERY.

Everything Depends Upon the Cleanliness and Exclusiveness of the Operation,

Your modern surgeon of note is a sterile" man. The operating room, almost hermetically sealed and at a temperature of 100 degrees or thereabouts. is purified daily by means of a hose throwing a solution of bichloride of mercury over celling, walls and floors. The surgeon arrives in an anteroom in his civilian's garb. He is required to be clean shaven, like a munk, says the New York Press. His clothes are re-moved. Two attendants in the sterilizing room hand him a white duck gown reaching from collar to heel, and a cow

of the same material, which covers tightly every part of his head except eyes, note and mouth. The sleeves of the gown reach to his elbow. He in-cases his hands in the thinnest, finest sterilized rubber gloves. These gar-

ments are handled to him in sterilized tongs. There has been no human contact. Thus equipped, he is prepared to snw and allce. INVENIOR OF THE BATON.
