A COSTLY JOB

Our neighbor this week jumps on two of the county commissioners with both feet and hands. It says that a bridge abutment in Delaware which was estimated would cost not to exceed \$10 to \$15 to repair was let out by days work under the supervision of Commissioner Albright and that it has cost the county \$180.26. The original cost of both abutments and wing walls was \$98, and when Albright was asked to explain why the bills were so large he was so dum-founded that "he could only sit in the corner and smicker." It further says Beck and Albright signed the check in payment, Nills refusing, and adds "Reform" officials are an expensive luxury." After the favor shown our esteemed cotemporary by the above named pair awarding it a printing job for which the Press was low bidder this is the unkindest out of all, but in truth we see nothing very surprising about the matter for probably the same influence was exerted in both cases.

You are out for bargains, novelties and holiday gifts now and it will pay you to read our advertising columns. Do not miss seeing what the merchants are saying about their goods.

OBITUARY

JAMES MITCHELL CUMMINS

Mr. Cummins, whose health has been failing for some months, died at his home, the old Half way House in Westfall township, Wednesday night.

He was born in County Tyrone, Ireland, Aug. 16, 1830, and came to this country when about fourteen years old. He was for a time employed by A. T. Stewart in his large store and also by H. B. Claflin, whom he served faithfully and who held him in the highest esteem. He was also a special policeman in the riots in New York during the war and rendered valuable services. He was a kindly, genial man, pleasant and affable in manner and exceedingly polite and courteous to all.

While residing in New York he married Sarah Campbell and in 1872 the family came to reside on the farm which has ever since been their home. A daughter, Sarah, died last May and her death was a sad blow to Mr. Cummins over which he greatly grieved.

He is survived by his widow, one daughter, Emma, and two sons, James C. of New York, and Wm. of Ames, Ohio, a student in a veterinary school there.

The funeral conducted by Rev. E. M. Smead of the Milford Presbyterian church will occur at the late residence Saturday, tomorrow, at 1 p. m. and interment in Milford cemetery.

Rupert P. Nills of Lshman was in town yesterday.

Mrs. A. E. Lewis is in Washington, D. C., visiting her son.

Miss Blanche Bidlack is spending the winter in New York.

George Slawson and wife are visiting in Attleboro, Mass.

Mrs. Charles Conklin, of Matamoras mother of Mrs. Stanton Supplee died this morning.

Senator L. J. Martin of Newton is in town today looking after his fees for defending Charles Wirtz.

Benjamin Palmer was looked up this morning charged with attempting to enter W. F. Chol's cellar.

Mrs. Horatio Lillibridge of Muncie, Indiana, is visiting her sister, Mrs. William Angle. She is traveling in the interests of labor unions.

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial. It causes blemishes in the neck, disfigures the skin, inflames the mucous membrane, weakens the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"A blemish appeared on the left side of my neck. It caused great pain, was lanced, and became a running sore. I went into a general decline. I was persuaded to try Hood's Sarsaparilla, and when I had taken six bottles my neck was healed, and I have never had any trouble of the kind since." Mrs. S. T. Stevens, Troy, Ohio.

Hood's Sarsaparilla and Pills

will rid you of it, radically and permanently, as they have rid thousands.

Methodist Church Meetings.

(By Rev. C. E. SCODDER.)

The communion service that was not held last week because of the illness of the pastor will be held next Sabbath morning. It is a fitting time to question ourselves with reference to our relation to God and eternal things.

The evening topic is, "Sacrifice for God."

At the union week of prayer services Mr. Smead and myself, have decided to follow the general theme suggested for the churches, but to subdivide according to the following plan. The general theme is the Christian church. The following are the specific themes:

Sabbath evening, Jan. 4th, The Christian Church—Its necessity.

Monday evening, Its Mission.

Tuesday evening, Its Method.

Wednesday evening, Its Power.

Thursday evening, Its Unity.

Friday evening, Its Catholicity.

Sabbath evening, 11th, Its outlook.

We call special attention of the members of our churches to this announcement and ask the heartiest cooperation, that this week may result in a more pronounced loyalty to the church of Jesus Christ.

On Tuesday evening, the 8th Presiding Elder Dr. Wright will be with us and preach. We speak for him the largest hearing possible. Those who heard him last year will be only too glad to hear him again. His presence will add greatly to the profit of the week.

Let me call attention again to the fact that after the week of prayer, special evangelistic services will be held in our church. These meetings will be open to all. The gospel is not the sole possession of any one church, nor is it the privilege of one, only, to push the claims of personal salvation. We invite the support of all who are interested in the higher spiritual life for themselves, or the conversion of children or friends.

At the business meeting of the Epworth League held Tuesday evening the following officers were elected. Pres., Harry Armstrong; 1st Vice Pres., Mrs. B. E. Brown; 2nd Vice, Mrs. D. Gregory; 3rd Vice, Grace Boyd; 4th Vice, Lilly Van Tassel; Secy., Dudley Ryman; Treasurer, Benjamin Boardley.

Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

It also fits the place in the form of a tablet to be the support of every sufferer who has.

In Darkest Ireland

The North American is publishing a series of letters by Hugh Sutherland on conditions social, industrial and political as they are in Ireland. The first article was printed Dec. 8, and was followed by others which, for graphic description and masterly presentation of facts, have no parallel in recent newspaper writing.

They will continue until the subject is fully exploited. Mr. Sutherland is familiar to newspaper readers. As Commissioner for the North American to the Bore Republic in the concluding days of Kruger's Presidency, as a staff-correspondent for the same paper in the mining districts of Pennsylvania, his work attracted widest popular interest as well as the closest consideration of the students of economics, political and otherwise. Mr. Sutherland is conservative and of the widest intelligence. His articles are of unique interest, as they are characterized by truth, prejudice, either for or against a master-ridden race, does not enter into the work. So far as one of blood and flesh may do so, Mr. Sutherland has divested himself of human sympathy and gives the plain cold facts of the situation.

Ireland's wrongs, her real constitutional injuries and her oppressed state have not been told of late. Government espionage, the coarting of a term in jail, social and business boycott operate as a press censorship in Great Britain as thorough, if less direct, as in autocratic Russia.

Newspapers dare not print, correspondents dare not tell the story of Ireland's woes. Public speech is a felony, the printing of a Nationalist newspaper in Ireland a crime with out defense.

In order that the truth might be known, therefore, The North American commissioned Mr. Sutherland as chief of an expedition into Darkest Ireland. For weeks the researchers for truth traversed the country. They have touched every side of every question; talked politics with the peasant in his cabin, discussed land tenures with the English owner in London.

They have got at the heart of one of the greatest political revolutions the world has experienced, one that is taking place without the world being aware of it. Fortunately for contemporaneous history, there is Mr. Sutherland to write and The North American to print the story.

Mrs. B. Frank Schoonover of Lebanon died Monday aged about sixty years. Her husband and one daughter, Mary, wife of Daniel Brodhead, survive her.

Agents of the law and order society in Philadelphia some months since seized a large number of slot machines. This week they were burned and about \$50,000 worth of them went up in smoke.

The ladies of the Episcopal church furnished a most excellent supper last evening which despite the bad weather was well attended. The net proceeds were about \$90.

Do not forget the sale of fancy articles and supper in the Presbyterian church parlors this evening.

Port Jervis people are growing desperate. They back wagons up to coal cars load and drive off. They will pay for the coal and do not seem to fear arrest.

The report of Lionel Carden, British Minister at Havana, shows conclusively that sugar can be produced in Cuba more cheaply than anywhere else in the world, and that Cuban planters can get rich on any prices for sugar which will enable other growers to live. If this is the case, the question arises whether and how much we need to "help Cuba."

How is this for legislation? "He it enacted by the general assembly of Virginia, that it shall be unlawful for any person to kiss another unless he can prove by his family physician that he hasn't any contagious or infectious disease."

The senate committee on Territories by a vote of 8 to 5 have agreed to report for the admission of Oklahoma and Indian Territory combined as one state. New Mexico and Arizona were ignored. Senator Quay voted with the democrats, and in favor of the omnibus bill.

While finding fault with the message, as is but natural, many democratic members have expressed themselves as willing to join the republicans in legislation along the lines laid down by the president for the control of trusts.

Mr. Cannon has a clear way for the speakerhip. Paine, of New York, Littlefield, of Maine, and Daiseil, of Pennsylvania, have announced their withdrawal from the race in the interest of party harmony.

Our government would like to see the plan of the New York financiers with reference to the settlement of Venezuela's debts succeed. But the state department has made it clear that this country will not bind itself in any way likely to involve any liability or responsibility.

PAIN IN THE BACK.

A Sure Sign of Kidney Trouble. Dr. Kennedy's Favorite Remedy will cure you.

Pain in the back is a never failing sign of kidney disease; another sure sign is the condition of the urine; if you have a pain in the back then look to the condition of your urine. Take a glass tumbler and fill it with urine; after it has stood 24 hours, if it has a sediment, if it is milky or cloudy, pale or discolored, stringy orropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal.

F. C. Wilcox of 559 New Britain Ave., Hartford, Conn., says:

"I had a frightful pain in my back, the result of kidney trouble. My physician seemed powerless to relieve me. I determined to try Dr. David Kennedy's Favorite Remedy; it helped me wonderfully, and in a short time cured me completely."

Dr. David Kennedy's Favorite Remedy is the one medicine that really cures all diseases of the kidneys, liver, bladder and cholelith, rheumatism, dyspepsia and chronic constipation. It is wonderful how it makes that pain in the back disappear, how it relieves the desire to urinate often, especially at night, and drives away that scaling pain in passing water and makes you well and strong.

It is for sale by all druggists in the New 50 Cent Size and the regular \$1.00 size bottles—less than a cent a dose.

Sample bottles—enough for trial, free by mail. Dr. David Kennedy Corporation, Randolph, N. Y.

PLAY BILLIARDS.

French Physicians Are Sorry That the Game is Declining in the French Halls.

Somebody has discovered that people in France are not playing billiards so much as they did formerly. Over this announcement has arisen a lamentation.

Physicians have joined in it as well as lay admirers of the game. They declare that its disappearance would be a misfortune from a sanitary point of view.

The game, they say, gives just the exercise they need to a great number of people who without it would take no exercise at all. While involving no severe physical exertion, it keeps the muscles in shape, stimulates the circulation, helps the digestion and requires just enough mental effort to give the nervous system a rest from the ordinary worries of life. In proof of all of which they cite the good spirits usually exhibited about a billiard table.

For elderly people, for the stout who cannot take much exercise, billiards is pronounced an excellent tonic. So the friends of the game are preaching a revival of its popularity.

"Oh, never mind. Papa's busy somewhere. Come now, like a good little boy. Now, I lay me down to sleep." "Hurry, it's getting late." "But I want papa to listen. I'm going to pray to God to-night for a police patrol wagon and a toothfall suit."—Chicago Record-Herald.

A. J. Snell wanted to attend a party, but was afraid to do so on account of pains in his stomach, which he feared would grow worse. He says, "I was telling my troubles to a lady friend, who said: 'Chamberlain's Colic, Cholera and Diarrhoea Remedy will put you in condition for the party.' I bought a bottle and take pleasure in stating that two doses cured me and enabled me to have a good time at the party." Mr. Snell is a resident of Summer Hill, N. Y. This remedy is for sale by A. W. Balch and Son, Matamoras, all drug and general stores in Pike county.
