### SANDYSTON.

Miss Grace Rosenkrans, teacher of the Mt. Benevolence school in Still water, visited her home near Layton on Sunday.

One knows the first of April in here, by seeing an occasional load of movables on the roads. There will be the usual amount of movings this spring and it is hoped the roads will remain good as they are at present.

I hear that the specifications for the new road from Tuttle's Corner to the Gap will be acted upon by the board of freeholders this week. It is thought the new road will be ready for travel some time in August.

The Silver Spring creamery at Bevan's will open for business some day this week. It was rumored at one time that it might not open.

Ben Rosenkrans will move from the house of Adin Vanickie at Layton to the tenement house of Joseph Warner at Bevan's.

Warrants were issued on Monday for the arrest of two parties at Hainesville and hard cider proved to be more powerful than the opium. What would Judge Hunt say to that?

The different overseers of roads in this town are at work putting their respective pieces of road in order. The turnpike from Tuttle's Corner to Culvers Gap will not be worked as heretofore, but merely kept passable as the new road is in sight.

When an official gets it into his cranium that the township cannot run its business without his help, he is in danger of hearing something drop, when the votes are counted, and sure enough he heard himself drop--down--and--out.

George E. Hersh, wife and three daughters spent a part of last week in New York seeing the sights. Bannum's show, World building, Brooklyn bridge and Central Park occupied most of their time. They came home Saturday, tired but delighted with their trip.

Benjamin F., only son of Benjamin F. and Amanda Rosenkrans, died after a brief illness on Friday morning, aged two months. The bereaved parents have the sympathy of all in this their sad bereavement.

I never took much stock in the disease called grip because if anyone had a cold, pain or an ache that was the grip. But a couple of weeks ago I was taken down with a terrible cough, fever, etc., and the doctor said "you've got the grip, acute bronchitis and a touch of pneumonia." I now verily believe there is such an ailment as the grip, and don't want any more of it either.

### SILVER LAKE

A. R. Wigan of Gormantown, Pa., is having a cottage built near the Lake, which he intends to occupy with his family this summer. The carpenters began work this week.

Martin Hazen moved on April 1st to Dingman's township to the "Batcher" Brown farm.

Joseph Bromley, Jr., and brother, Charlie, returned to Philadelphia on Wednesday, after a weeks vacation here.

Miss Angela Oreo of Coles spent last Saturday and Sunday with her parents in Matamoras, she was accompanied by Miss Emma Albright.

Judge Beiler of Philadelphia will soon build an addition to his cottage on the lake shore.

George Raitt, who went to Brooklyn last fall, died in that city last Friday morning. The remains were brought to Dingmans Sunday for burial.

### GREENTOWN.

Charles Honck is slowly recovering from a severe attack of pneumonia.

Rep. J. D. Houck returned to Harrisburg Monday.

Leon Gilpin has gone to East Stroudsburg to attend the Normal during the spring term.

Although rainy many have said it has been the most beautiful weather through March they ever saw.

Luther Foster expects to go to the Normal at East Stroudsburg next week.

Lewis Miller is buying and shipping real calves.

Mr. and Mrs. Frank McMunn have been visiting relatives in this place.

Mrs. Sarah Martin has been visiting in Greentown the past week.

### Unclaimed Letters.

CHARLES LATTIMORE, P. M.

### MATAMORAS.

Miss Jennie Stark of Prompton, Pa., is visiting Mrs. John Gordon.

Harry Cady of Suffern spent Sunday in Matamoras.

Rev. Ora J. Shoop, pastor of Epworth church, left Tuesday of this week for conference at Newark. His congregation and friends will be pleased to have him and his most estimable wife return to Epworth church in which he has done good work. Mrs. Shoop is a great worker in the C. E. societies of the church.

Mrs. John Gordon left town Tuesday to visit a hospital at Suffern. She is going to have an operation performed.

Engene Cochran of New York is visiting his mother.

M. H. Hontington is ill at his home on Jefferson street.

Mrs. J. Youngs is ill at her home.

The Misses Blanche and Bessie Warner left town Tuesday morning for a visit at Glen Spay and Pond Eddy.

Miss Beeste Strait, who has been ill at her home, is improving.

Fred Seymour spent a few days last week at Mill Rift, Pa.

Miss Edna Walker is visiting friends and relatives at Waymart.

Albert Nichols of New York spent Sunday at his home on Washington street.

The Blue Ribbon society, connected with Hope church, will meet in about two weeks at the home of Mrs. John Simpson.

At the meeting of the C. E. society of Epworth church, Sunday afternoon, the following officers were elected for six months:

President--May Corwin.  
Vice-President--Agnes Owen.  
Secretary--Ruth Lord.  
Treasurer--Julia Middaugh.  
Organist--Mabel Guffling.  
Assistant--Clara Van Schoick.

Fred Corwin, who has been visiting his grandparents, at Pine Bush for the past three months, returned home Thursday.

Mrs. Frank Corwin, who has been seriously ill for the last few weeks, is improving, and is able to walk now. Her husband is engine driver on the Pine Bush branch of the Erie. He takes the place of E. Mintram, who was injured some time ago.

Miss Angela Oreo, a teacher at Dingmans, arrived in town on Friday, accompanied by her friend, Miss Ernie Albright, of the same place. They made the trip on their wheels. Miss Angela's friends are glad to see her again in Matamoras.

Miss Nellie Keyes is ill at her home on River street.

George Keyes and wife are both ill with the grip, as are John Cline and Mrs. Michael Eisenberger.

Mrs. Joshua Corwin and daughter, Grace, and son, Russell, have arrived home from Syracuse, N. Y., where they have been spending two months visiting relatives.

Lester Leat from Syracuse, N. Y., arrived in town and will visit his mother, Mrs. Joshua Corwin, on Cookson street. His young friends in Matamoras are pleased to see him in this village again.

Little Herbert Weldner, son of Rev. and Mrs. Waldner, who has been very ill, is reported some better.

Dr. and Mrs. William Kelley and daughter, Olive, will soon leave Matamoras and take up their residence in Port Jervis. Their many friends regret very much to have them leave the village and trust they will be pleased with their new home.

Dedication Ceremonies at St. Louis  
On account of the dedication ceremonies of the Louisiana Purchase Exposition at St. Louis, Mo., April 30th to May 2nd, and the National and International Good Roads Convention to be held at St. Louis, Mo., April 27th to May 2nd, the Erie will sell special excursion tickets from Port Jervis to St. Louis April 26th, 27th, 28th and 29th, good returning, leaving St. Louis not later than May 4th, at one fare for the round trip.

Senator Warren of Wyoming about hits the mark when he says that any modification of the Dingley tariff rates will have to be made by those who constructed or at least believed in that bill rather than by those who suddenly accepted it but have never sincerely supported it.

### DINGMAN'S FERRY.

Alonso Cron has rented the Henry Wells farm at Center instead of going to Dunmore as he expected.

Gabriel Cron has moved from Montague, N. J., to his farm at Centre purchased of Catharine Angle, and Walters has moved from there to the Ardworth place where he is employed.

Misses Patience and Marin Skipper have gone to New York.

Some of our Tammanyites seem to be delighted over the result of the recent break and feel that it is better to vote good men, even though not regular, than to have to lie down sometimes with bad smelling companions just because they are straight party men.

When a man who is faithful and has capacity and is honest is found it is better to retain him in office.

Supervisor John Schreiber who is beginning his third term has done good work taking down bills. His latest improvement is at Comshaugh a hill that has been a disgrace for all time to the township is now very much better. A supervisor whose specialty was putting soft and muddy roads in good condition and making good stone culverts with flag bottoms was left out because some parties wanted to sell plank to the township and they thought the supervisor was making too much money by furnishing stone instead of buying plank of them.

The stone crusher scheme too had its effect. The township could hardly afford to pay \$2000 for the machine and spend \$9000 to macadam 6 miles of the Silver Lake road. It was a good idea but too expensive.

It has been the custom about twice a year to regrade the deep hollow hills and often after every rain the work would be all gone. Some good sensible man should be employed to put in proper culverts and fix up that road so that the two sections of the township could have easy communication. The iron bridge is of little use if people cannot get to it.

Reader Morgan has opened his meat shop here for the season and Alpheus Bensley has started one at Bushkill.

Why do not some of our citizens organize a company to supply water to the town. Some strangers will see the opportunity for a good investment and monopolize it.

A road should be laid out if possible from Dingmans to Coles Corner so as to avoid the heavy hills. It could be done.

Shady Lawn cottage will be one of the neatest and most attractive resorts for boarders here this summer. The house has been thoroughly overhauled and painted and the grounds are being put in fine condition.

This Age of Imitations.  
"You deny," said the upright judge, "that you are a combination in restraint of trade, and yet you acknowledge that you have cornered the entire supply of imitation silks."  
"We acknowledge that, your honor," smiled the president of the combine, "but the law only takes cognizance of realities. We contend that we are merely an imitation silk trust."--Judge.

Careful of Her Candy.  
"Now, dear," said mamma to little Edna, who had just been presented with a box of candy, "you must ask one of your little playmates to share it with you."  
"Well," rejoined Edna, after a moment of serious thought, "I'll ask Mabel, 'cause candy makes her teeth hurt, an' she can't eat much."--Cincinnati Enquirer.

SEVERE ATTACK OF GRIP  
Cured by One Bottle of Chamberlain's Cough Remedy

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be only of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by Balch & Son, Matamoras, all general stores in Pike county.
