"WILL THE SUIT WEAR WELL? MY BOY IS AWFUL HARD ON HIS CLOTHES"

How often a mother or father greets us with this remark! If at the time, we are trying to sell one of our good, durable \$-, \$- or \$- Boys' Suits, we will, of course, answer must decidedly in the affirmative. The wearing quality of our Boys' Clothing is one of its many good features. Another strong point is its stylishness. This is due to the extreme skill used in cutting our Boys' Clothing. It is cut just as carefully and scientifically as the finest of men's clothing. Bring the Boy here for his spring suit. You can't do better.
