# IT MATTERS NOT

How Sick You Are or How Many Physicians Have Failed to Help You.

# Dr. David Kennedy's Favorits Remody will Cure You if a Cure is Possible.

Dectors are not infallible and there are Doctors are not infallible and there are many instances, where they have decided a case was bigoless and then the patients matonished everyone by getting well and theisele cause of their cure was for. David Kennedy's Pavorite Remady. A case in polnt is that of James Leituce of Cana-joharie, N. Y., who writes:

johnarie, N. Y., who writes: "Some years any I was sharked with pairs in my bank and shifts that were learned in the attents." I could not avoired my billions and blood. I was in a territic state and authors blood. I was in a territic state, and authors blood. I was in a territic state and authors blood. I was in a territic state and authors blood. I was in a territic state and authors blood. I was in a territic state and authors blood. I was in a territic state and authors blood. I was in a territic state and authors blood. I was in a territic state and a territic man weak and a territic state and a territic blood. I was an all blood what and territic territic state and the state of the state of the state and the state and the state of the state and and the state state and the state of this grout territicit."

"I have known it to cure chronic inflam-mation of the kolneys, where the attending physician precontance the scale incorable." No form of kidnoy, liver, bladder or blood disease, or the distrusing aloknesses so common to women, can long withstand the great curative power of this famous specific. Its record of cures has made II famous in medical circles every-

the Bumance of Mr. and Mes. Bush-Marciage Service by Pelephone.

There are more ways than one of getting married, and that is said without ing, probabily," he returned, serenely. "Aren's you going to do the whole joi?" she asked. Ing any progress. The passengers alighted to see what had happened, and found an extraor-are more ways than one of getting job?" she asked. "No, only hait of it. I will take the things to our office and somebody else sovered with a thick layer of grass-pearance of bride and groom before a minister or justice with a marriage li-

cenae is necepted as the proper way. Accident has stepped in to prevent some of the weldings in which the persons chiefty concerned have refused to be delayed by circumstances and the marriage services have proceeded under difficulties and in strange forms, but still being marriage ceremonies. Of all these, one of the strangest is that of Mr. and Mrs. Allen Bush. They were to meet in a city where the bride had friends and were to be married the following day. Both carried out this part of the agreement, but two inys before that set for the ceremony the bride was taken ill with diphtheria. The house of the friend with whom she was stopping was immediately quarantined and the bridegroom was

refused entrance. That looked like a postponement of the wedding, but the bridegroom thought differently. He set his wits to work and hit upon a

Two phonographs were secured. So were a marriage license and a minister. Two cylinders were used. In one the ergyman proposided the questions to the bridegrootn and the man gave his answers. The other cylinder was

Both instruments then were taken to the bride's sick room by the nurse. They were placed on a table and the wedding began. One phonograph spoke the clergyman's questions, giv-

DIDN'T KNOW KING EDWARD. Shopkeepers in Paris Would Not Ac

cept English Coin Bearing HIN Face.

A correspondent of the London Express in Paris describos his experiences in trying to change a sovereign with the king's head on it for French money. The first place was at a stall of a ending Pariah bookseller. "It is not good," said the woman be-

hind the counter. "Yes, it is," was the reply. "It is an English sovereign and is worth 25 francs."

"Ah, not it is a medal." "No, no; good English money." "But I have not seen one like it, I am afraid."

"Never mind whether you have seen one like it. It is the head of Edward, the new king, and the gold is good." "No, no. I want to see the queen's head, and than I will take it."

Finally the woman said she would give 20 france for it. Four other people who were tried argued in a similar manner, and were albufraid to take the The apvereign was eventually changed at a restaurant.
