J. H. VAN ESTEN, PUBLISHER, Milford, Pike County, Pa.

We are in receipt of an invitation to attend the sesqui centennial celebration of the formation of the county of Sussex, New Jersey, at Newton, Wednesday, Sept. 2. No doubt the town will put on a gala attire and that a large number of people will attend to enjoy the occasion. Our neighbor will live long and may she always prosper.

The notice, which appears elsewhere, of the Philadelphia School for Nurses calls attention to a valuable work in behalf of young women in small towns and rural districts. The occupation of a trained nurse is remunerative, there is a constantly growing demand for their services and the employment is not precarious to those fitted for the duties. Should any one desire fuller information it may be obtained by addressing the central office in Philadelphia.

There seems, on the part of some people, to be a thoughtlessness or carelessness with respect to persons and property which sometimes causes one to remark where and how they were brought up. Accidents from banana skins or orange peel thrown where people walk are almost as frequent and painful as those from guns and pistols "not known to be loaded," yet some will persist in dropping such pitfalls in public places. Another class will wantonly mix either public or private property without regard to the rights of the owner, and one wonders if such ever had any bringing up amidst careful surroundings. Others will scatter papers and other refuse not only on the streets but also in places frequented by the public to the annoyance of all possessed with a disposition to neatness and order. A proper regard for the comfort, welfare and rights of others marks the true lady or gentleman, whether in children or adults, and the lack of it denotes that which would offend if characterized in plain terms.

A Progressive Euchre

Mrs. T. B. Morse is entertaining this afternoon at her handsome colonial residence on Fourth street a selected company of Milford ladies at a progressive euchre. She will be assisted by her mother, Mrs. Weaver, and her sister, Mrs. Res, and niece, Miss Res, of Philadelphia. That the affair will be one long cherished by the participants as a most delightful memory, no one who knows the vivacious hostesses can for a moment doubt. The prizes for which the ladies will earnestly contend are a pillow, a Japanese teapot, a mirror, a plate, a table cloth, a pair of slippers, a Venetian glass compot and a cap and saucer, articles all near and dear to the feminine heart.

R. V. Slonaker of Bowling Green, Ohio, is making his annual visit with relatives in town.

Mrs. Beard, who has been visiting with the family of James Slauson at Candor, N. Y., returned home this week.

Harvey Huffman, Esq., of Stroudsburg came up yesterday with an auto on a business trip.

Mrs. Leonard Dufford of Lehigh, N. Y., is visiting her uncles, Dunham and George Gregory.

Lack of wind yesterday prevented finishing the race between Hellenice and Shamrock III. The former yacht was in the lead.

Presbyterian Choralings

The bulletins for the coming week are as follows: Sunday—10.30 a. m. preaching, "The blessings of Trouble." 11.45 a. m. Sunday school, lesson, "David Spares Saul." 6.45 p. m. Christian Endeavor, topic, "Our Duty to the Stranger." 7.30 p. m. preaching, "Our Words."

The first Sunday in September brings around again our quarterly communion service. As this is the regular time for the reception of members it is most earnestly desired that parents should impress upon their children's minds the value of church membership. To be sure it is necessary that they should have given their hearts to God before this step can be taken. But if there are any that should be brought forward at this time we shall be glad to confer with them. Two persons are expected to unite with us by letter and if there are any others we hope they will present themselves and their letters next Friday evening.

Through the assistance of Mr. and Mrs. S. T. White and Dr. and Mrs. Barclay the pastor arranged an entertainment which was given at the Bluff House last Saturday evening. We wish to publicly express our most sincere and hearty appreciation for the assistance of those who took part. It was hastily gotten up but the quality of the work done by the performers showed no signs of it. The program was as follows:

- Orchestra. Solo—Miss Brecht. Duet—The Misses Guild and Cowles. Tenor Solo—Mr. Beutell. Piano Solo—Miss Cunningham. Solo—Miss Henson. Comic songs—Mr. Ganzemuller. Orchestra. German dialect reading—Mr. Newell. Solo—Miss Cowles. The net receipts were thirty-two (\$32) dollars which will be applied to the fund for lighting the church with gas.

Mrs. Jordan is planning to give a social evening for the benefit of the church Saturday evening preceding Labor Day. Please bear this date in mind that the event may be successful in every way.

Prof. Fenner of Port Jervis, the well known musician and leader, will give a concert in Brown's Hall, Thursday evening, Sept. 3, with his full band, consisting of 21 pieces. The professor will also favor the audience with a violin solo. That this will afford genuine pleasure to all lovers of good music is assured from the established reputation of Prof. Fenner. The concert is in the interest of the Catholic church. Tickets 50 cents, children 25 cents.

City Chapple—Got any good cigars? Mr. Vanamaker—Yes, good for the price. Well, I guess there's good enough to smoke in Paupac. Y. AUX.

"Emphasize your opportunities instead of your grievances" is Booker Washington's advice to the negro. Epigrammatic, wise and potent with possibilities. Of course this has no reference to the chicken question.

It is conceded that should Senator Hanna fail of election, that failure would be the greatest political sensation which has happened for very, very many moons. But no one anticipates any sensation this year.

Colonel Bryan's purchase of a span of the fine \$1200 drivers indicates that for the saddle exercise he proposes to continue riding hobbies.

After all it is only natural that Hon. Adlai Stevenson should be indifferent about the nomination, "Uncle Adlai" is a decidedly substantial old citizen of the republic and was never known to take anything worse than a hundred to one shot.

Governor Pennypacker and Mrs. Carrie Eaton were attractions at the Grangers picnic at William's Grove this week.

Not Over-Wise

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money holding a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by Balch & Son, Matamoras, all general stores in Pike county.

Rheumatism

What is the use of telling the rheumatist that he has it if his joints were being diseased?

He knows that his sufferings are very much like the tortures of the rack. What he wants to know is what will permanently cure his disease.

That, according to thousands of grateful testimonials, is

Hood's Sarsaparilla

It promptly neutralizes the acid in the blood on which the disease depends, completely eliminates it, and strengthens the system against its return. Try Hood's.

The charges of fraud in the disposition of Indian lands have been seized upon by democratic issue searchers and attempts have been made to involve the secretary of the Interior personally. The frauds have been discovered and they are being carefully and thoroughly looked into, but creditable papers can make only trouble for themselves by palpable misstatements. The principal charge against Mr. Hitchcock was that he had deposited government funds for Indian improvements with St. Louis trust companies in which he is interested and that the work has been delayed so that the trust companies could have the benefit of the use of the money. Instead of this being the case such moneys have immediately been deposited by the Interior department in the United States sub-treasury at St. Louis.

When Columbia finds that the United States is really in earnest in preparing to dig a canal through Nicaragua, she will likely make all haste in recovering the plum before it rolls down hill out of her reach. As a matter of fact it would probably disappoint but few people to see the Panama route discarded and the Nicaragua canal built. The latter was the unanimous choice of the Panama Canal commission, until the question of the mere cost of the undertaking arose, and if Columbia thinks that the people of this country are wedded to her route and that they consider that they must have it at any price, she will likely have a quick and an awakening.

A "legal violation of the law" appears to be Governor Dockery's (Missouri) definition of robbing a corporation.

Dizziness and Weak Nerves Cured.

Nothing Helped Until Dr. Kennedy's New Medicine, Cal-cura Solvent, Was Taken.

"I very much wish," writes Loreta J. Yall, of Hopewell Junction, N. Y., that I might be able in a few lines, without putting myself forward, to let the people understand how valuable Cal-cura Solvent, the new medicine discovered by Dr. David Kennedy, is in cases of indigestion and the like ailments, which are so common among us. I suffered from a severe variety of liver complaint, with dizziness, numbness, and an exceedingly weak and excitable state of the nerves. I employed the best treatment with my reach, yet nothing really helped until I began to use Cal-cura Solvent, and that did.

Write to the Cal-cura Company, Kenndy Row, Rondout, N. Y., for a free sample bottle.

Remember: Only one Dr. David Kennedy ever lived in Rondout, City of Kingston, N. Y., and be sure you get his now and latest medicine, which is sold only in \$1.00 bottles.

To the Voters of the 43rd Judicial District

I am informed that my failure to elect one of my many persons to believe that I am not a candidate for the office of President, Judge. To correct any such misunderstanding I take this opportunity of announcing my candidacy for that office. If elected, I will perform the duties of the office impartially and to the best of my ability, and will require the business before the Court to be transacted as rapidly as carelessness will permit and with as little expense to the taxpayers as possible.

Tailored Suits We have a few tailor-made suits left, mostly all this season's make. Have nearly all sizes of some kinds. Prices changed like this: The \$12.50 kind now \$8; the \$18 now \$12; the \$25 now \$15; the \$35 now \$20.

Silk Jackets Our previous sale nearly cleared out the line but there are a few left. The \$10 and \$12 Raglans are now but \$5. Silk Jackets that were \$7.50 to \$13 are now \$5 to \$9.50.

Children's Wash and Wool Sailor Suits These are just as good as another one season ago. Wash suits are now \$1.35 to \$1.75. Wool Sailor Suits that were \$4 to \$7 are now \$2.75 to \$5.50. Higher priced ones are the "Peter Thompson" suits.

Duck and White P. K. Skirts Season has been spent on these that we would hardly clean them out this year, but sweeping reductions learned stock materials. Still left such good platings as this: Those that were \$2.25 to \$2.75 now \$1.50; those that were \$3 to \$4, now \$2.25.

White Lawn Waists We began our sale on these that we would hardly clean them out this year, but sweeping reductions learned stock materials. Still left such good platings as this: Those that were \$2.25 to \$2.75 now \$1.50; those that were \$3 to \$4, now \$2.25.

Interesting to Men and Boys The lot of 25 dozen shirts that we put on sale at \$50 has been culled freely, leaving a good line of men's in most sizes. Some are colored and quite a number plain white Madras. All now \$25 each.
