SANDYSTON.

The Hainesville and Centerville Sunday schools held their annual picnic at Haysonskill Falls Thursday the 27th ult. The several two horse loads of children left in high spirits and upon their return at night all agreed that they had had a delightful time. Thanks are due Messrs. Dayton Dupue and Charles Bessley in providing teams for the occasion.

What is the matter with our board of Freeholders? First they were in favor of McAdam roads at any price, then they passed a resolution not to pay more than \$3,500 per mile, then voted to rescind that resolution and failed and I am afraid the era of good roads has come to a full stop.

Our board of education met on Saturday evening to hire a teacher for the Layton school. A Mr. Rosenkrans of Newton was engaged to teach the school until February next.

A Montague party was arrested for assault and battery Sunday and the constable had a picnic of it in getting his man before the justice. Rum is a poor ingredient in law and that constable may get into trouble next time. The offender was sent to Newton with a Sandyston constable.

Ed Adams and family who have been staying at Alsecia farm for the past week, returned to their Bloomfield home Sunday.

Selling older at five cents a glass is not a bad paying investment, but may it not get some one into trouble. The idea of buying it and retelling it by the glass, causing Sunday as well as weekday drunkenness does not look to be strictly lawful.

"Dingmans Ferry" must not think that "Sandyston" and H. L. will get into a quarrel. Oh, no, since we are the jolliest of friends and only jolly each other just for fun. Quarrel, no sir. Dingmans is exactly right about the "only fleet footed" in Milford for they occasionally pick up some deliciously happy Jerseymen and their town treasury is enriched thereby—and that is not done as often as it should be.

Miss Edith Reaser of Stroudsburg is spending a few days visiting friends in Sandyston.

Work is progressing on the new road, the rock crushing machine is being put up and the two bridges are well under way, but I guess the freeholders have put their veto on having any more McAdam roads, at least for the present, as they rejected all bids at their last meeting. What is the cause?

Will Reaser, a former Sandyston boy and his amiable wife of Belvidere, N. J., are spending a few days visiting friends and relatives in this town. Will brought his gramophone with him and gave the boys a treat in the musical line Monday evening. Thanks you Will.

The bridges building on the new road are being rushed right through and it is hoped the road will be rushed in like manner. The condition of the old road is very bad, but all are wishing the time was here for driving the new road.

The town clerk of Wantage township has issued a notice to the road overseers in that town to remove all loose stone from the roads and to cut and remove all brush from the sides of their districts of road. Our clerk should issue a similar order for in some districts the brush and stone are very much in evidence. The law requires that loose stone be removed monthly, but it is ignored in this town.

If all attend the Newton centennial that are talking of going, Newton will see its biggest crowd in its history. Would it not be a good idea to print the address of 1863 along with that of 1908 in pamphlet form, for I am sure it would have a big sale.

Cross?
Poor man! He can't help it. He gets bilious. He needs a good liver pill—Ayer's Pills. They act directly on the liver, cure biliousness.

Want your moustache or beard a beautiful brown or rich black? Use **BUCKINGHAM'S DYE**

DINGMAN'S FERRY.

Potatoes may be a good price again the coming winter. They are rotting badly down towards Stroudsburg, and the late stores has started ours to blight.

Corn is setting very well, plenty of ears and if we have 6 weeks of hot weather in September there will be a good crop.

Oats caught out, out, are sprouting. Eggs must be scarce down the river when wagons are sent here to gather them up.

The dam proposed by H. H. Sanderson seems to have received a set back. Foreman Wallace Bensley has left the job and so have his help. Rumor says the anti-improvement fund with his rights and power to prevent progress has waved his flag in the way of the work.

William Campbell mourns the loss of a team horse.

If the crops fail, the boarding season, here at least, has been good, except the livery end of it.

There is a dispute over the boundary line of the place sold by Mrs. Kate Westbrook to Nathan Emery which may cause trouble between the parties in interest.

FOREST LAKE NEWS

Ann's Tilly is there; she won't take a chair she says she will sit on the floor. While the Mackenzie clan do all that they can to please, entertain and surprise.

There's a lively young fellow dancing the polka. The Judsons and Maynicks root the top from a "potion" but simply dervish. To greet old Virginia they feel.

The Davidsons all, are within easy call. Though they'd rather play cards to be sure and lack in the manager to be out of danger.

See the three little Pithams demure. Then there's Mr. Barket making a racket. Trying some steps of his own. While good Mr. Balch with an upturned fork.

To a corner for refuge has flaved. Poor Mrs. Saranton is puffin' and pantin' they've danced her nearly to death. Though the bell of the ball. She must had a fall. And now she is all out of breath.

The girls and the boys are making a noise. With what comes nearest to hand. And surely such music will truly make you ache. For it certainly beats Mulligan's band.

Banister each maid in becoming sunshine. Passes apples and doughnuts and cake. While the older slips down and the fiddlers play on.

As the feet shuffle over the floor. Majestic Kelly stands the manager of lands. As he views the Young things prance and slide.

"It's a good deal to Foster this deal" he remarked with considerable pride. That he seemed well contented. With the fun he'd invented. To every one present appeared. "You cannot out class it."

He said, very pleased. As he stroked his unsharpened beard. "And I don't care a darn, if it is all a sham. I'd walk long distances by night. From far Cavalli a below, through rain or through snow. To see such a frolicsome sight."

"And when it's all over if you want it is clever. Or Hadden's a jolly good time. Don't blame my poor song. I mean nothing wrong. By this rollicksome, rollicksome rhyme."

Program

Overture—The village orchestra. Played by Josh Thompson's orchestra.

March—County fair. Poem—Aunt Cavalli. Lancers—in the barn. Little Boopie—Sung by Laise Cavalli.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"B. J. Byer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. He had been sick for a month with what the doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. Little, merchant, Hancock, Md. For sale by Balch & Son, Matamoras, all general stores in Pike county.

The announcement that certain Virginia republicans have threatened to vote the democratic ticket in case Roosevelt is nominated has presumably thrown Sagamore Hill into a ferment of trepidation, not to say despair.

A Remarkable Record

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many millions of bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by Balch & Son, Matamoras, all general stores in Pike county.

A REAL LIVER PILL

Most of the so-called liver pills are made up of drastic cathartics that leave the system worse than they find it. They affect the liver not at all. They are apt to derange the stomach and weaken the bowels, which condition is worse than the one for which the remedy was taken.

Dr. Hoffman's Dandelion Liver Pills

are a real liver pill. They stimulate and strengthen the liver. Are purely vegetable, and mild and certain in results. Cure constipation, biliousness and headaches, and clear the complexion.
