**WHEELER-ARMSTRONG**  
 One of the most brilliant social events ever occurring in Milford took place last evening, when Miss Mabel Armstrong and Mr. George Wheeler were united in marriage in the presence of a large concourse of invited guests.  
 The marriage took place in the Church of the Good Shepherd at six p. m. and was solemnized by Rev. Pixley. The couple was attended by Miss Carrie Armstrong and Mr. Dan Wheeler.  
 The Armstrong home on High street was magnificently illuminated and decorated and thither the invited guests repaired after the ceremony, where a superb wedding feast was prepared.  
 The bride was most elaborately gowned in white and it may be said that none ever presented a handsomer appearance. She is a beautiful girl and was most charmingly arrayed. The wedding presents were very numerous and attested her popularity with a wide circle of friends.  
 After a wedding tour the happy couple will reside here, where the groom is engaged in business.

**Wasp and hornets were the first paper makers. Hornets are very destructive of house flies, and one reason why they build nests on buildings is to be near their prey.**  
**The democrats held their grand rally in the Court House Tuesday evening. C. W. Bull, Esq., was chairman, Fred Dreyer and Henry Dewitt vice chairman, G. A. Swept and secretary.**  
**The speakers were all Monroe county squabblers. The audience, composed largely of ladies, filled the room and was as attentive and courteous as any speaker could desire.**

**Gained Forty Pounds in Thirty Days**  
 For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—HOLLEY BROS., Merchants, Long Branch, Mo. For sale by Balch & Son, Matamoras, all general stores in Pike county.

**SHYLOCK**  
 Shylock was the man who wanted a pound of human flesh. There are many Shylocks now, the convalescent, the consumptive, the sickly child, the pale young woman, all want human flesh and they can get it—take Scott's Emulsion.  
 Scott's Emulsion is flesh and blood, bone and muscle. It feeds the nerves, strengthens the digestive organs and they feed the whole body.  
 For nearly thirty years Scott's Emulsion has been the great giver of human flesh.

**Reformed Church Notes.**

(By Rev. A. J. Meyer of Matamoras.)  
 At our regular October communion the following members were received on profession of faith: John Y. Clark, Hyman Healer, Lily Cole and Lily Walwright. May the blessing of God be with them as they begin the Christian life, and may they be kept by His strength.  
 Jacob Conkling has received the contract to paper the Hainesville church. The new carpet has also been received and we hope that the work will all be finished before next Sabbath.  
 Mrs. Louise Miller, Mrs. Meyer's mother, has returned from a two-weeks' visit in Albany.  
 The pastor attended the fall session of the Classis of Orange held this week at Montgomery, N. Y.  
 The people of our community, among whom Philip Walters is very familiarly known, have subscribed \$28.50 for his benefit. Mr. Walters wishes to extend his most heartfelt thanks for the practical sympathy manifested for him.  
 John Y. Clark, one of the most highly esteemed men of our community, was stricken with paralysis and died last week. The funeral sermon was preached from the text John 14: 19, "Because I live, ye shall live also."  
**Methodist Church Jottings.**

No admission fee.  
**THE GIST OF THE BIBLE**  
 [A course of lessons in Bible study conducted by Rev. V. A. Wood on Monday evenings at the Methodist Parsonage.]  
**LESSON III**  
 DIVISION I. Read Gen. 11 (v. 1-9), 12 and 13. Paper to be prepared giving the gist of chapters 14, 15 and 16. **QUESTION:** In what did the sin of the people consist? What punishment followed? Is punishment for sin always visited in this life? **CALL OF ABRAHAM:** What promise did God make Abraham? Was Abraham's conduct in Egypt commendable? **RETURN FROM EGYPT:** What event is related? What separation? What promise renewed?  
 DIVISION II. Read Luke 3 and 4: 1-13. Also John 1. Outline: John and Jesus. The Temptation. Call of First Disciples. Questions: What verses (mark them in red) do you find bearing on salvation? What ones (mark purple) touching on Christ's divinity? Make note of any words needing explanation. What relation has John's baptism to Christian baptism? Any need of Jesus being baptized? Is Satan a person or simply some kind of "influence of evil"? Prove your answer from Scripture. Why was he anxious for the downfall of Jesus? Did he really doubt that Jesus was the Son of God? Was Jesus really tempted? Name the three temptations. Name the first five disciples called by Jesus.  
 DIVISION III. Read Rom. 4, 5, 6, Chapter 4: Justification by Faith Illustrated by Abraham, Chapter 5: Effects of This Justification, Chapter 6: Reasons for Holy Living. Can a sinner be saved by meritorious works? Meaning of "imputed," v. 23. Do the sacraments of the Church confer salvation? Distinguish between justification and sanctification. What verse points out the difference between God's love and ours toward men? Define "grace." Does this tend to increase sin? (See chapter 6: 15, 18.) Do these chapters give any hints as to how we may know when we are saved?  
 Only a Very Few Published.  
 It is not possible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from people in every walk in life and from every state in the Union. The following from Mr. E. W. Greenhouse, of Prattsburg, Ga., speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by Balch & Son, Matamoras, all general stores in Pike county.

 Distress by day and night—  
 That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.  
 The source of the trouble is in the blood—make that pure and the itching, burning, itching skin disease will disappear.  
 "I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum, and bought a bottle of Wood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. I have never had any skin disease since." Mrs. I. E. WARD, Cove Point, Md.

**WITH CAL-CURA SOLVENT.**  
 Dr. David Kennedy's New Medicine Cured Him Promptly.  
 Constipation leads to worse. Often it is the cause of appendicitis. Always it leads to dangerous chronic disease. It should not be neglected, nor should it be temporarily alleviated with drastic purgatives. Here is a case in point:  
 Mr. C. E. Osterhout, of Barrington, N. Y., was distressed with indigestion, chronic constipation and kidney trouble for four years. He tried many medicines without relief. He heard of Cal-cura Solvent, Dr. Kennedy's new medicine, used it, and began to improve rapidly. All of his old complaints have disappeared and he owes everything to Cal-cura Solvent.  
 Write to the Cal-cura Company, Kennedy Row, Bantock, N. Y., for a free sample bottle.  
 Remember, Only one Dr. David Kennedy ever lived in Barrington, City of Kingston, N. Y., and be sure you get his new and latest medicine, which is sold only in \$1.00 bottles.
