OBITUARY

MISS MARY G. BRODHEAD

Miss Brodhead, whose health for some time has been failing, died suddenly of apoplexy yesterday morning at her home, Brookside Villa. She was about the house as usual and when the shock came spoke to an attendant saying, "What is the matter with me?" and immediately lapsed into unconsciousness, from which she did not rally, and in a short time expired. She was born about seventy-five years ago in this place, and was a daughter of the late John H. and Louisa Heiner Brodhead. Her father was one of the most prominent men in his day in this section and held a number of important offices. Miss Brodhead was a woman of unusual intelligence, most cordial manner, a charming conversationalist and a devoted friend. Of a family of eight brothers and sisters, but one, Mark, of Washington, survives. She is also survived by a brother in law, Hon. D. M. Van Anken, by several nephews, among them Mrs. F. W. Benner, and nephew Wilfred Brodhead and R. H. Carpenter of Brooklyn. The funeral will take place Sunday at her late home at 2.30 p. m.

An Important Sale

A contract has been made between Miss Anna Schanno of Dingman township and Mr. Louis Badell of Westfield, New Jersey, for the sale of Hotel Schanno. It is Mr. Badell's intention to double the capacity of the house, install electric lights, lay out a park and in every way improve and enhance the rural attractiveness of the surroundings. The place is charming with natural beauty and fine location, and when to these are added the accommodations which taste and means may develop the already famous resort will assume an appearance and beauty second to none in the valley. Its seclusion access to the river and proximity to the celebrated Raymondskill falls and location at the foot of a beautiful and romantic glen will make it one of the most noted resorts in any section.

Unclaimed Letters

List of unclaimed letters remaining in the post office at Milford for the week ending Nov. 28, 1903: Rev. W. H. Algeo, Piquette Antonio. Persons claiming the above will please say "Advertised" and give date of this list. CHARLES LATIMORE, P. M.

E. E. Humber of Philadelphia spent yesterday with his family here.

Jan F. Van Eaton and family spent yesterday with the family of Mr. Weightman in Brooklyn.

Richard P. Nills, who is attending school at Owego, is home this week.

Miss Florence Hildebrand of this place and James F. O'Brien of Jersey City were married in the Catholic church yesterday at high noon. The bride was charmingly gowned in white and carried a bouquet of white flowers.

Harold Armstrong of Blair Hall, S. D. Van Campen and family of Newton, Virginia Strubbers of New York and Clyde Kipp of E. S. E. N. spent Thanksgiving with friends here.

What to Do When the Doctor Advises "One of my children was taken with cramp colic and suffered severely," says S. M. Kline, of Montevideo. "I telephoned for a doctor, then gave a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and a few minutes later a second dose. Before the doctor came the child was relieved." For sale by Hatch & Scott, Matamoras, all general stores in Pike county.

Learn to Use the Lemon

Do you know the wonderful value of a lemon and the great work it can do for you? The acid of the lemon acts upon the liver very directly, and is therefore the best of medicine for the chronicity of the nastily bilious person. The juices of a lemon in a cup of hot water, without sugar, should be taken every morning until the skin and tongue are clear.

But it must be remembered that the acid thins the blood and the person who is poorly nourished must use lemons sparingly. In fact, the person who does not need lemons will not even like to think of the sourness. Nature speaks very plainly if we know how to listen. When raw eggs are to be taken for strength, a few drops of juice, squeezed on top of the broken egg, diagnoses the slight sulphurous taste of the egg, and one can swallow it like an oyster.

Lemon used in puddings, saucers, and gelatin desserts is one of the most healthful ingredients; and lemon added to unfermented grape juice gives it the "tang" it needs. For the skin, lemon juice has no equal; it whitens and softens when properly applied. Slices of lemon fit a bathtub of hot water softens it and adds to the cleansing property. In a basin of hot water it becomes an excellent face-wash; and used upon the finger nails it softens and cleans.

For the teeth it may be used carefully, as strong acid is not good for the enamel—a half teaspoonful to a glass of water is enough. And for cleaning white marble, brass, and for taking out ink stains lemon juice and salt are effective. All picked inside the yellow covering the seeds benefits for mankind. Learn to use the lemon.

Congressman Shull is trying to make himself solid with Northampton. He has introduced a bill to appropriate money for a public building at Easton. Mr. Matchler may see that none of this salt lands on the fall of the bird.

Eggs are reported way up to 40 cents a dozen. Mr. Schumacher of Matamoras offers a reward of \$50 for the recovery of the body of his daughter who was drowned Wednesday evening, Nov. 18th.

The attention of our readers is called to the advertisement of the Duquesne Silverware Co., which appears in another column. The Duquesne Company quotes some very reasonable prices upon seasonal and desirable Holiday Goods.

F. W. Benner and wife of New York came up yesterday to spend Thanksgiving at Brookside Villa. When the redoubtable Carrie Nation arose in the senate gallery the other day and shrieked aloud her convictions on the evil of the saloon into the ears of the startled law makers, she didn't have the floor, it is true, but she got the attention of the senate just the same for a brief and glorious moment.

Loss of Flesh

To get fat you must eat fat. Scott's Emulsion is a great fatterer, a great strength giver.

Those who have lost flesh want to increase all body tissues, not only fat. Scott's Emulsion increases them all, bone, flesh, blood and nerve.

For invalids, for convalescents, for consumptives, for weak children, for all who need flesh, Scott's Emulsion is a rich and comfortable food, and a natural tonic.

Mr. Bryan might be allowed the little satisfaction, if he wants, of telling them over in Europe that it has not been decided yet whether he will be the democratic candidate for the Presidency.

If candidate Joseph Folk makes good his threat to drive every brooder from Mhsocut, the surrounding states will be in a pretty predicament.

Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also. Sufferers dread to move, especially after sitting or lying long, and their condition is commonly worse in wet weather. It has been a long time since we have seen without first's rheumatism. My father thinks he could not do without it. He has been troubled with rheumatism since he was a boy, and first's Rheumatism is the only medicine he can take that will enable him to take his place in the field. Mrs. Ada Dory, Sidney, Iowa.

Hood's Sarsaparilla and Pills

Remove the cause of rheumatism—no outward application. "Take them." An Untucky Lapse. "I had a good job last summer, but lost it on account of my food absent-mindedness," said poor old Boldum Fidd, pessimistically; "I was acting as de echo for a mountain hotel, and I done all right till one moonlight night, when a smart guy from de city boistered 'Hello, Smith! Durn me! I forgot meself, an' answered back 'Which Smith do you mean?'" Judge.

Senator Dubois of Idaho having failed in his last campaign to secure the Mormon vote, is now attempting to solidify the rest of his state against that vote by vigorously attacking Senator Smoot of Utah, who as a Mormon elder, he claims, is unfit for membership in the senate. The French Court of Cassation is after the Dreyfus case again. The Washington Post freely hoped that it would be this time the court of cessation. The statement has been indignantly denied that the Rev. Dr. Parkhurst "practiced a religious sermon."

Three Dollars Better Than Thousands.

Dr. Kennedy's New Medicine, Cal-cura Solvent, Did More Than Many Doctors. Your pocketbook as well as your health needs consideration, but often both suffer through ignorance of the right thing to buy. That was the case with the gentleman who wrote the following letter: "Thousands of dollars have I paid out to doctors during my life and I don't complain of the doctors; but Dr. Kennedy's new medicine, Cal-cura Solvent, beats them all. Three bottles of it cured me last spring of heart trouble and terrible pains in the side, back and head. Am better than for thirty years."—H. J. Brandow, Jewett Center, N. Y.

For \$3.00 invested in Cal-cura Solvent Mr. Brandow got what he had spent thousands for in vain. Your case may be like his. It costs only \$1.00 for a bottle of Cal-cura Solvent at any drug store. Write to the Cal-cura Company, Kennedy Row, Hamilton, N. Y., for a free sample bottle.

Movements are on foot to civilize Thibet. The Hon. James K. Jones will now have another field for election prognostications.

What we want to know is who added the three eiphers in the cable dispatch that 100,000 Columbian soldiers are on the way to Panama? New York society is agog over the statement that Reginald Vanderbilt attended the horse show in a "pink shirt and a flaming red necktie." Good thing for Reggie, probably, that it wasn't a bull show.
