RELICS OF THE PAST.

Quaint Customs and Ceremonies
Which Endure in England.

When the king at the recent privy ouncil selected new sheriffs for the counties of England and Wales by pricking a hole with a nilver bodkin opposite to each of the favored name: on the list, his majesty was carrying out one of quite a score of interesting customs that still survive to link the England of 1903 with the England of

There is hardly an important county in the land that does not cherish some noteworthy custom halling from early days in English bletory. Probably the most interesting founds coremony in existence is planting the borngarth, an act of penance which is now in its ninth contary of commemoration, and which has been excited out every year at Withby without

The ponance is for the death of a hermit who sought to protect a wounded buar but who was slain by its ferocious pursuer. The horngarth, or ponny hedge, itself is formed by planting a hedge of atakes in the tideway, in the upper part of Whitby harbor, in the presence of the lord of the When the penny hedge is It seems that senatorial courtesy on the floor of the senate and in the somplete, three blasts are blown on an antiquated floor work horn, which elevators is not one and the same is in accurdance with the prescribed attempted to introduce to Senator hundred years old, so it has seen con-

A very long way back in the history of England was a time when the high Fill tell you the reason why I wil festival of Cores was exceedingly not shake hands with you. You popular. To this day we have a remnant of the mystic rites of the Temple of Eleusis of the Greeks surviving in the form of the korn-baby. In various parts of the country hern suppers are held to celebrate the conclusion of andidate for senator from Oregon in the harvest gathering, and the kernbaby is carried on high by the reapers. The baby is a straw image, made from the last sheaf of the harvest, adorned with flowers and with ears of grain Really the kern-haby appears at harseniative of the ancient Cerea.

The most ancient of customs is still abserved in Ireland on June 21, and in the Highlands of Scotland on May 1, according to the old reckening. This is beltein, the festival in connection with sun worship; fires are kindled on the summit of the hills. and a variety of ceremoules are gone

Burning the clavie is another unique cercinony, whose origin goes back far into the mists of antiquity. DEVIATED FROM CUSTOM

Some Recent Weddings in Which Bride and Bridegroom Have De-parted from Conventions.

When the unexpected occurs in a matrimonial affair it becomes a rewedding. When they do things they are not expected to do it is a romance. The remance depends on deviation from the ordinary, it seems. For that reason in a marriage in which are in-

the like there is no romance. That is the popular version. Now, no one has any great desire to be like every one else. Especially in the great event of their lives young people are extremely apt to want to be different. That may be the solution for se many "romances."

cluded consent of parents, knowledge of friends, issuing of invitations and

There are other ressons, of course. Once in a while conditions force the lovers to adopt strange methods. there is the story of the farmer from North Dukota, who went to Blamarck marry the girl of his choice. thought he was her choice until he went to her residence with the marriage license, and she told him she had thought it over and had decided she would rather be a sister to him.

Adam Gresbler, the farmer conpostpones a wedding merely because the bride has backed down. He took started away from the house. Near he railroad station he stopped a citisen of Bismarck and ashod:

"Do you know of a woman around here who wants to get married?

train to leave town." The farmer sought her out. He had them. ten minutes for love making, but he proved aloquent. She left the train with him. They had the name in the married license changed and were married. They left Bismarck that evening behind the farmer's pair of of the paper especially among demohorses bound for his farm.

What's the name of your new wife?' he was asked as he was leav "Her name, is-what did you say reaching it on short notice,
