### MATAMORAS.

Miss Helen Scales entertained about 30 of her girl friends last Saturday afternoon, the occasion being her birthday. A nice supper was served by her mother. Various games were played and the little people had a very pleasant time. Miss Helen received a number of pretty presents. All enjoyed the afternoon very much and voted Miss Helen a good entertainer.

Miss May Westbrook, a trained nurse from New York City, is visiting relatives in Matamoras.

Mrs. A. G. Rowland and daughter, Catharine, of Rowland, Pa., have been spending a few days with Warren Ridgeway and wife. They returned home Monday.

There was a very pleasing entertainment at the school building on Wednesday evening.

The body of Miss Lizzie Schumaker, who was accidentally drowned on Nov. 19th last, and which was found Friday afternoon last, was brought to the undertaking rooms of C. I. Terwilliger & Son at about 10 o'clock Saturday night.

There were no bruises perceptible on the body. The face was discolored by water, but considering the long time it had been in the water was in remarkably good state of preservation. The clothing was not torn or disarranged in any marked degree.

The body was placed in a metallic casket, and the funeral was held Tuesday afternoon at 2.30 o'clock at the German Lutheran church, the Rev. H. C. Wasmund officiating, and interment in Laurel Grove cemetery.

Joe Schroeder has opened his grocery store in the Staten building.

Rev. and Mrs. William Barley arrived in Matamoras Friday.

Mr. and Mrs. Barnard moved in the Whysall cottage on River street. They have been occupying the French cottage on Adams street.

Mrs. James Perival and son, James, have moved from Mountain avenue to a cottage on Washington street.

Van Etten's ferry above the railroad bridge is in operation. Another ferry is needed for wagons. So many have to wait on each side of the river so long before they can get across. The first street ferry continues to be run very successfully. The boat makes trips every five minutes.

Miss Ida Wood, on Jefferson St., who has been visiting relatives in Arlington, N. J., for some time, has returned home.

Miss Hazel Hornbeck, who has been spending her Easter vacation in New York and Brooklyn, has returned home.

Rev. Ora J. Shoop, wife and son, Hamilton, left Matamoras Thursday afternoon for Yalaburg, N. J.

The Epworth parsonage is undergoing a renovation. All the rooms are being papered, which will give them a very cheerful appearance. The L. A. S. connected with the church is having the work done.

Arthur Jones and family moved in a cottage on Third street, formerly occupied by Oliver D. Squires and family.

The L. C. U. connected with Hope church met Thursday afternoon at the home of Mrs. Alex. Beink.

The C. E. Society connected with Hope church will give a reception this evening at the parsonage.

On Wednesday evening, April 13, Prof. Houck arranged for a stereopticon lecture on "Hawaii," at the school house. The lantern and light were supplied by W. H. Allerton of Port Jervis, who has made about 30 views of the high water and ice gorge during the past winter. These were shown in connection with the Hawaiian pictures, which are prettily colored. The pictures were loaned by the Philadelphia Commercial Museum. The proceeds of the entertainment are to be applied to the piano fund.

At Hope church the Rev. Mr. Metzger, the new pastor, preached both morning and evening. The choir rendered some pretty anthems.

### PAUPAC.

G. N. Killam is entertaining his son, Lafayette, for a few days.

We are glad to note the improved condition of Mrs. Sheridan and Fred Killam.

Mrs. B. F. Killam returned from Hollisterville last Monday.

At the present writing, Mrs. Katherine Duffy is very low.

A. Simons, wife and son of Hawley spent the 10th with A. J. Kimble and family.

At school No. 4, April 9th, an eighth year examination was held.

Saturday last Mr. and Mrs. Lester Hannah returned to their home in Newark.

May and Clara Gamble returned to their employment in Milford, the 11th inst.

## Peculiar To Itself

In what it is and what it does—containing the best blood-purifying, alterative and tonic substances and effecting the most radical and permanent cures of all humors and all eruptions, relieving weak, tired, languid feelings, and building up the whole system—is true only of

### Hood's Sarsaparilla

No other medicine acts like it; no other medicine has done so much real, substantial good, no other medicine has restored health and strength at so little cost.

"I was troubled with scurf and came near losing my eyesight. For four months I could not see to do anything. After taking two bottles of Hood's Sarsaparilla I could see to walk, and when I had taken eight bottles I could see as well as ever." S. S. A. HARRISON, Withers, N. C.

Hood's Sarsaparilla promises to cure and keeps the promise.

### SILVER LAKE

W. J. Hanna of Long Meadow repaired the telephone line between this place and Dingmans Ferry last week.

John Crone is engaged in making ties.

J. G. Carhuff of near Conasaugh made a business trip to this place one day last week.

Joseph Judd called on his sister, Mrs. John Crone, on Sunday.

A number of Club members are expected in a few days.

Mrs. Adams expects to arrive from the city this week.

James Hanna of Long Meadow visited relatives here on Sunday.

Mrs. Robinson Shepherd spent Sunday with relatives at Long Meadow.

W. H. Layton has been on the sick list, but is now able to resume teaching.

Fred Bosler spent Sunday with friends in this neighborhood.

Edward Emery of near Centre made a trip to Porters Lake one day recently. It is said he has the contract to build the stone work for a large new barn for Mr. Weisbrod at Brown's mill, formerly the Buchanan mill.

Mrs. Edward Shepherd is improving.

Henry Albright had the misfortune to lose a valuable young horse last Monday morning.

The Misses Winans are expected in a few days.

The ice on the lake broke up on Wednesday.

Mrs. Westbrook and some friends of Ridgewood, N. J., are at Nichecronk Lake Villa preparing for the summer.

### DINGMAN'S FERRY.

We can hardly agree with those who think entertainments at the close of school terms prejudice the childrens advancement. After several months of routine work in the school room the days toward the close become irksome for the little folks and if part of the time during the last month is occupied in giving them instructive selections to memorize, or in some other profitable manner, their little brains are expanded and there will always be incentive to do their best before an audience. In this way a healthful emulation to study is induced which may be the means of greatly benefiting the tender minds. It is a case otherwise of "all work and no play, etc."

Your types made me say last week that it took 100 gallons of sap to make one of syrup. From 22 to 25 pails is nearer the amount.

John Brodhead of Nebraska is visiting his parents, D. O. Brodhead and wife, at Centre and will remain 2 or 3 weeks.

The roads are getting passable.

The new minister made an excellent impression by his sermon at Centre last Sunday.

People in this township for several years past have remarked that timber was getting scarce here but if one notes the piles of logs at Darragh's mill, added to nearly every day, and the large number of ties on the bank of the river they will wonder where so much was found.

Cheap Colonist Rates to the West Commencing at once and continuing daily until and including April 29th, the Erie will sell special one-way mixed class colonist tickets from Port Jervis to any point in Arizona, British Columbia, California, Colorado, Idaho, Mexico, Montana, Nebraska, Nevada, New Mexico, Oregon, South Dakota, Texas, Utah, Washington and Wyoming, at very low rates of fare. Just think of it, only \$50 to any California point. For routes and rates please address Erie ticket agent, Port Jervis, N. Y., and remember these tickets are on sale daily until April 29th.

### SANDYSTON.

The Teachers Institute of the three townships west of the mountain met Saturday last in the school house at Layton. County Supt. Decker and wife, Mrs. McMickle of Beemerville and Miss Dodge of Dockertown were present, as were all the teachers of Sandyston and Montague. Papers were read by G. E. Hersh, Frank Stoll and others, and the meeting was very interesting and instructive from the teacher standpoint. Discussion followed each paper and the teachers should all take part, for this is the most interesting part.

Some fine catches of trout are reported, but I am sorry to say that some of them were caught on Sunday. But that is no violation of law in Jersey.

Layton has special attractions and they attract a whole lot of attraction from attractive youths from outside our city limits. Some one may stub his toe over those attractions, and then—

The Court at its last session held up a lot of licenses, and among them I notice the name of W. H. Titman of Bevans. A hearing will be given each case sometime this week. If remonstrances against a license were for the public good, all right, but 99 cases out of a hundred it is pure spite of some disgruntled toper.

The Newark Sunday Call says that great numbers of suckers are being speared in Sussex and Warren counties. That may be true in Warren county but I very much doubt if any of that kind of work is done in this county.

Word was received here Saturday that the body of the young lady who was drowned at Port Jervis last fall had been found on Degue's Island about three miles below Flatbrookville. It was found by two brothers named Strunk who were fishing. Parties from Port Jervis went after the body Saturday.

The board of education met on Saturday night to estimate the amount of money to be voted for, for support of our schools. No quorum being present an adjournment was made to some time next week, when an election will be held to vote the needed money.

I incline to the opinion that the goat craze will be short lived as the animals are too frisky and only a seven foot steel wire fence will keep them in an enclosure. A day or two ago I saw them peeling the bark from young fruit trees and had they not been promptly looked after would have ruined every tree in that orchard. They will eat anything in the line of shrubbery, in fact, anything that is green.

L. T. Smith of Layton went to New York and purchased four fine looking work horses, the past week.

In reply to H. L. will say that school exhibitions are detrimental to any school, when that school is in session, and school officials should put a foot on them hereafter. The parents may be pleased at the aptness of their children, the teacher proud of the glory achieved, but as one patron remarked, "It was three hours school and three hours exhibition," sums up the case.

Absenteeism in our schools is growing worse from year to year. Our county superintendent stated in his remark at the teachers' meeting on Saturday that the percentage of attendance had fallen off here, but in Wantage the percentage of attendance had increased. All should know that the money we receive in the state appropriation is based on the attendance in the schools, and yet we have one school where the attendance is only twenty-five per cent of the pupils in that school district. Parents refusing to send their children to school, regularly, are liable to all the penalties of the Disorderly Act, the penalty of which is 90 days in jail or twenty-five dollars fine. The truant officer can find business in this line if he will look around a little.

A Sandyston party was subpoenaed to go before the grand jury, at its recent session, but failed to put in an appearance and most likely it would not have made any difference if he had appeared and testified. I supposed a court subpoena had to be obeyed, but it seems not.

Slate black boards will be placed in the Layton and Fisher school houses this week. They are much superior to blackboard painted on the wall.

Ky Smith moved from Bevans on the 6th inst. to Flanders, where he has rented a store and will carry on the mercantile business.

A Thoughtful Man  
M. M. Austin of Winchester, Ind. knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c at all druggists.

### KIMBLES

Harry Riley, wife and little daughter, Nora, of Belaire, Mich., visited R. W. Kelly and family Monday. This is their first visit East since they left Rowlands twenty-seven years ago.

Nettie Edwards of Hawley spent Sunday with her aunt, Mrs. E. Malone.

R. W. Kelly made a business trip to Lackawaxen last Saturday.

The esteemed Democratic Chicago Chronicle is not supporting Mr. Hearst with that enthusiasm which it has displayed upon the eve of other political campaigns. The Chronicle says that "the mere fact that William B. Hearst is gravely accepted anywhere as a candidate for the democratic nomination is more and more coming to be recognized as a disgrace, not only to the party but to the country." Certainly a disgrace to the country.

Excursion to St. Louis, World's Fair  
The Season, Sixty-day and Fifteen-day excursion tickets to St. Louis, Mo., will be on sale at the Erie ticket office Port Jervis, N. Y., Monday, April 25th, and continue daily up to December 15, 1904. For routes and rates please call at or address Erie ticket office Port Jervis, N. Y. ### Robbed the Grave

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at all druggists.

## Constipation Cured

A BARRYTOWN MAN'S EXPERIENCE WITH CAL-CURA SOLVENT  
Dr. David Kennedy's New Medicine Cured Him Promptly

Constipation leads to worse. Often it is the cause of appendicitis. Always it leads to dangerous chronic disease. It should not be neglected, nor should it be temporarily alleviated with drastic purgatives. Here is a case in point:

Mr. C. S. Osterhout, of Barrytown, N. Y., was distressed with indigestion, chronic constipation and kidney trouble for four years. He tried many medicines without relief. He heard of Cal-cura Solvent, Dr. Kennedy's new medicine, used it and began to improve rapidly. All of his old complaints have disappeared and he owes everything to Cal-cura Solvent.

Write to the Cal-cura Company, Kennedy Row, Rondout, N. Y., for a free sample bottle.

Remember: Only one Dr. David Kennedy ever lived in Rondout, City of Kingston, N. Y., and be sure you get his new and latest medicine, which is sold only in \$1.00 bottles. All druggists.
