Complaint is made that many books in the Homestead Free Library are soiled and injured by patrons who take them out. This public in the church, found itsely suddenly institution is a great benefit and convenience to the town and should be regarded with especial favor by all who patronize it. The books are his triumphal entry into Jerusalem kindly furnished without any cost or expense whatever and those taking them should properly consider the favor, and exercise scrupu. lons care in keeping the books nest intoxicated with the Spirit. The and clean. Rules and restrictions Reformation filled a whole century are perhaps obnoxious but may be with splendid enthusiasm. The made absolutely necessary by lack of care of those who return books in a defaced condition. The practice great idea for its principle is an of carelessly handling books is a ourburst of enthusiasm and express great detriment to the appearance of es itself in 'banners, badges, and the library and is also a wrong against those who do appreciate the benefit and who try to exercise care

If privileges are curtailed it is with regret and not with any desire to limit the use of the books but only because it becomes necessary to protect the property and safeguard the rights of others against those who do not properly regard their duty respecting the free enjoyment of this benefaction and misuse their privileges.

THE CHRISTIAN ENDEAVOR

Is the Movement a Spent Ferrer Bessons Showing Why It Is Not

The moderator of the Presbyterian ssembly, Dr. Robert F. Coyle, of Denver, declared in a speech in Philadelphia not long ago that be regarded the Christian Endeavor movement as a "spent force," It had over-emphasized the spectacuar in religion, and, now that the insvitable reaction has come, the organization is found lacking in vitality, and, the speaker implied, its and is within the range of present

The Presbyterian Barner (Pittsbarg) comes to the defense of the Christian Endeavor movement in a) editorial which is cordially indorseby The Christian Endeavor World (Boston) and which we reprint afollows:

"During the first ten years o Christian Endeavor it was a may milicent outburst of youthful enthu sinsin. It swept over our church and some other churches in great waves, practically submerging oppo sition, awallowing up hesitation and rising to floodtide. Banners badges, and conventions were its symbols and means. The life of youth, long dormant or restrained freed and had to express itself jubi lantly, as the disciples flung then palm branches on the road and the children cheered when Jesus made The beginning of a great movement is usually attended with such an outburst of enthusiasm. Christiani ty itself leaped into full life at Pentecost, when thousands were

Wesleyan movement in England was a sudden fire of fervency. The birth of a political party that has a conventions.' But after this initial period of youthful fervency and fireworks a movement usually settles down to quiet, stendy work.
