Perhaps you like your gray hair; then keep it. Perhaps not; then remember—Hall's Hair Renewer always restores color to gray hair. Stops falling hair, also.

### SANDYSTON.

The stormy weather of Thursday evening induced many to stay away from the Grange dance at the residence of G. E. Hersh. Quite a number were present and kept the music going until toward morning. The dance will be repeated Tuesday evening of this week. The music of the Westbrook boys was very fine.

Work was begun on the new road Wednesday, but the rain has delayed the work. If the weather is fair this week will see the work in full swing. The condition of the old road is such that everybody is anxious to see it finished.

The meeting to be held Tuesday of this week for voting the \$2,000 for building a new school house at Hainesville and an addition to the Centreville school building is attracting the attention of the voters in this town. Consolidation is what is needed, and in case that is done, the new buildings are needed, but I am afraid it may fail.

The working of the road from Layton to Tattles Corner with the road machine merely pilled the middle of the road with gutter dirt, and the recent rains have made it a mortar bed from end to end. In fact the road is much worse now than it was before working with the machine. Just so much money wasted.

I see by our county press that there is to be a re-argument had on the Roe Park and Lake Bill. Well, if we have to wait as long for the decision as we did for the last decision it won't make much difference to the present generation which way it goes.

Once in a while the Walpack mail goes without his mail, owing to the fact that the Branchville mail does not reach Layton until about the time of the departure of the Walpack mail at 3.45 p. m. Just because some one would not carry the mail bag to his wagon Danny started without his mail Saturday but on second thought sent a man to get it for him. Query: does a mail carrier have to carry the mail bag in and out of the postoffice at the ends of his route?

Mrs. George Jagger visited her husband at Newton the past week returning home Friday last.

Hay is a pretty scarce article in this part of the world and a majority of our farmers will welcome the time when they can turn out to pasture. It has not been so scarce in many years as it is this spring.

A majority of the constables of this county have pledged themselves not to serve any civil processes until the cost is paid. The justices will see that costs are paid when process is issued.

Ford Merring of Tattles Corner agent for the Stark Nurseries of Missouri, has sold a large number of trees in this and adjoining towns and I am glad to say that the trees ordered arrived here in good condition.

In looking over the school registers of 1903 I find some curious things in the final reports. One school reports no one tardy, average on roll 8, average daily attendance 7, classes 20. The second school, total on roll 50, average on roll 25, average daily attendance 19. Third school reports average on roll 20, average daily attendance 17, classes 17, recitations 35. Fourth school reports average on roll 162, average daily attendance 129, % of attendance 7, 129 classes 25, in kindergarten 5. Must be a pretty large school to enroll 162 pupils, and have an average daily attendance of 129, and that report passed the officials at Trenton. Fifth school reports average on roll 83, average daily attendance 71, classes 30, recitations 30. Sixth school reports average on roll 12, average daily attendance 10, number of classes not reported, recitations 23. I make no comments, but wonder what the Trenton officials were doing when the above registers came before them for inspection.

The report for the Layton station of the Weather Bureau for April is as follows: Average maximum, 52.5°; average minimum, 32.0°; maximum set 49.33, Highest temperature 70° on the 30th and 10° lowest on the 4th, greatest daily range 41° on 22d. Clear days 22, partly cloudy 5, cloudy 2. Prevailing winds, North. Rainfall 2.58 inches.

James Clifford residing near Beavans was heading his team one night last week when one of his horses kicked him, cracking his shoulder blade and breaking two ribs. He was thrown under the other horse by the force of the blow but fortunately that horse remained quiet. The horse was never known to kick before.

Isn't it queer that persons who believe in living up to the laws and are highly respected members of the community in which they reside will make a strong effort to settle a

### Constipation Cured

A HARTTOWN MAN'S EXPERIENCE WITH CAL-CERA SOLVENT

Dr. David Kennedy's New Medicine Cured Him Promptly

Constipation leads to worse. Often it is the cause of appendicitis. It leads to dangerous chronic disease. It should not be neglected, nor should it be temporarily alleviated with drastic purgatives. Here is a case in point.

Mr. C. S. Dateshous, of Harttstown, N. Y., was distressed with indigestion, chronic constipation and kidney trouble for four years. He tried many medicines without relief. He heard of Cal-cera Solvent, Dr. Kennedy's new medicine used it and began to improve rapidly. All of his old complaints have disappeared and he owes everything to Cal-cera Solvent.

Write to the Cal-cera Company, Kennedy Row, Rondout, N. Y., for a free sample bottle.

Remember: Only one Dr. David Kennedy ever lived in Rondout, City of Kingston, N. Y., and he says you get his new and latest medicine, which is sold only in \$1.00 bottles. All druggists.

Crime after the criminal is arrested, and yet such is the fact.

Did any one ever stop to think that, "Only one state officer, apart from the members of the legislature is elected in New Jersey by the people at large and that is the Governor." And yet, we are supposed to have a republican form of government. One can readily see what great patronage and power our governor wields. Besides in the absence of the governor and Speaker of the House a senator can act as governor for a year and thirty days.

Teams and men are at work on the new road and if the superintendent is correct the road is to be completed in 30 working days, and all hope for its reality.

Saturday last the board of education of Hampton township abolished the school at Myers, known as the Myers school, as there was only two pupils in the district. The teacher, Mrs. Norma McNaair, will be allowed to complete her term.

John E. Jager, administrator of the estate of Anson A. Jager, decd., will sell all personal property of the estate Wednesday of this week.

The meeting called for May 3rd by the board of education to vote whether the people would grant the request for the \$2,000 asked, for consolidation of schools and building a new school house at Hainesville and an addition to the one at Layton was held at Layton. William Clark was elected chairman, Warren C. Hersh secretary, and Elias Merring and Nelson L. Dupus tellers. Dr. Hughes made an address explaining what was meant to be done by consolidation of schools, and what a saving could be effected. At the close of his address the voting began and consolidation was defeated by a vote of 43 for and 64 against.

Among the voters were 8 ladies as they can vote "For any purpose other than the election of members of the board of education."—School law, Page 31, 1904.

### Orphan's Court Sale

By virtue of an order of the Orphan's Court of the County of Pike the following real estate of which Peter A. L. Quick, late of the township of Delaware, in the county of Pike and State of Pennsylvania, died seized, will, under proceeding in partition, be exposed to sale by public vendue or outcry, on

**Saturday, May 28, 1904**

at 2 o'clock in the afternoon, in the front hall of the Court House at Milford, in said county of Pike, said real estate consisting of and comprising the following briefly designated pieces of land—the same being more fully described in the original petition for and writ of inquest filed and of record in said court and to which for further information reference may be had, to-wit:

FIRST—A certain piece of land situated in the township of Delaware, county of Pike aforesaid, containing by the whole about 400 acres after deducting therefrom all lands sold by Peter A. L. Quick in his lifetime and land previously sold and excepted in the deeds conveying said land to him, Peter A. L. Quick—a part of this land comprises the homestead property and known as "Manor Hall" and upon which Peter A. L. Quick, deceased, resided at the time of his decease.

FOURTH—A certain piece of land situated in the township of Dingman, county of Pike aforesaid, containing in all 74 acres, situate near and lately known as the "Hitters D. Williams farm."

NOTE—Writs of partition and others interested are referred to the several deeds and conveyances mentioned and recited in the said partition proceedings on record in the Clerk's Office of the Orphan's Court aforesaid, conveying the above mentioned lands, and from descriptions as there in contained, and as may be necessary, the deeds and conveyances, to purchasers of said land, will be drawn.

IMPROVEMENTS

On the above properties, as designated according to the respective numbers, First and Fourth, are erected the buildings hereafter mentioned and other improvements stated, to-wit, on piece numbered:

FIRST—A large three story, with basement, brick dwelling house, slate roof, adapted for hotel or boarding house, located on shore above the river Delaware, known as "Manor Hall." Also barn and other outbuildings, many acres of land in cultivation, while a large portion of the land has magnificent growth of valuable timber of all kinds thereon.

FOURTH—A good two story frame dwelling house, barn and outbuildings; considerable excellent farmland; balance well timbered.

NOTE—The piece of land numbered or designated as "First" has been subdivided into three separate parts, the one part thereof containing 70 1/2 acres—and comprising "Manor Hall" proper with the large three story and basement brick building and other buildings thereon—the other part containing 190 1/2 acres through which runs the stream known as "Adams Brook," and the other part containing 74 acres and lately known as the W. W. Brown property, these latter two pieces comprising the principal timber lands referred to—and these three pieces will be offered separately, and as a whole, as shall be most advantageous to the estate.

Terms of sale—Cash.

LENA A. TALMAGE, (formerly Cole, lately Quick) Auctioneer.

At the same time and place, will also be offered for sale for benefit and on account of said estate, some valuable securities comprising 9 shares of stock of "The President, Managers and Company for erecting a bridge over the river Delaware near the town of Milford," etc.

LENA A. TALMAGE, Auctioneer.

For further particulars address Hy. T. Baker, Milford, Pa., May 4, 1904.
